No. 800.

To the Select and Common Councils of the City of Pittsburgh:

WHEREAS, John H. Ward & Sons are the owners of certain real estate situate in the Thirty-seventh (37th) ward, Pittsburgh, Pa., through which certain streets were laid out and dedicated to public use in the Villa place plan of lots; and,

WHEREAS, Said John H. Ward & Sons are desirous of having a portion of Villa street, now Haverhill street, vacated and a relocation made to take the place of the portion to be be vacated, and also desirous of having a forty (40) foot street, now Lily street, between Villa, now Haverhill street and Colvin street, now Batavia street, as shown on the plan hereto attached, marked exhibit "A" and made part hereof, vacated; and also are desirous of having the grade of said Batavia street changed from the present city grade to the proposed grade as shown on profile hereto attached and marked exhibit "B;" and,

WHEREAS, They own all the land abutting on the lines of the proposed improvements, and are ready and willing to dedicate the ground for the proposed relocation of said Villa, now Haverhill, street and grade it to the proposed grade, as shown on profile, exhibit "B" hereto attached, and are also ready and willing to grade Batavia street to the proposed grade as shown on exhibit "B" at their own expense, and are ready and willing to have all of the expense of printing the necessary ordinances and the court costs and expenses of viewers, if any such are incurred by the city.

Know All Men By These Presents, That we, John H. Ward, Robert J. M. Ward, William J. Ward and Daniel C. Ward, partners as John H. Ward & Sons, have given, set aside and dedicated, and by these presents do give, set aside and dedicate to public use for a street or highway the following described ground in the Thirty-seventh (37th) ward, Pittsburgh, Pa., the centre line of which begins at a pin on the southeast side of Villa street, now Haverhill street, distant ninety-five (95) feet northwardly from the northerly side of Allison street, measured on a line at right angles with Allison street, as shown on exhibit "A" hereto attached; thence south seventy-eight (78) degrees five (5) minutes, west four hundred and twenty-four and seventy-one one-hundredths (424.71) feet to a point; thence south sixty-one (61) degrees fifteen (15) minutes, west one hundred and ninety-four and thirty-four one hundredths (194.34) feet to the southeast side of said Haverhill street, the southerly side of said highway being twenty (20) feet southwardly from said centre line and parallel therewith; and the northerly side being twenty (20) feet northwardly from said centre line and parallel therewith, and both extending from the southwest side of Haverhill street to the southeast side thereof, as shown on exhibit "A" aforesaid, and we hereby waive all damages for the opening and grading of same. This dedication is made on the express condition that it is not to be binding upon us until the City of Pittsburgh vacates the portion of Haverhill street and Lily street marked exhibit "B" to be vacated, and relocate Villa, now Haverhill, street forty (40) feet wide on the ground herewith dedicated and establish the grade on said relocated street as shown on profile exhibit "B" hereto attached; and also establish the grade marked proposed grade on Batavia street, as shown on said profile exhibit "B."

Upon said grade being so established by the said city we do hereby bind ourselves to grade said streets to the established grade within a period of two (2) years from the establishment of said grade at our own expense, and hereby agree to save the city harmless from all damages and expenses resulting therefrom.

And in the event of the City Councils enacting the ordinances necessary in the premises we do hereby jointly and severally agree and bind ourselves, our heirs, executors, administrators and assigns, and each of them,

to pay or cause to be paid to the Treasurer of said city all the costs and expenses incurred therein, to wit: The costs in court, the cost of advertising, handbills and viewers; that the said amount shall be forthwith paid upon the City Attorney certifying to said Treasurer the amount of said costs.

We further agree that while engaged in the grading of Batavia street we will open and maintain a roadway for the use of the public parallel to said Batavia street, from Wood street to the McKinley line; we also agree that the portion of Haverhill street to be vacated shall remain open for public use while we are engaged in grading the relocated street.

Witness our hands and seals this 21st day of March, A. D. 1901.

Also,

No. 821.

To the Committee on Corporations:

Your Sub Committee, to which was referred an ordinance authorizing a contract between the City of Pittsburgh and the Pittsburgh, Virginia and Charleston Railway Company and The Pennsylvania Railroad Company, whereby said Company may relocate, change,

and change the elevation of the line of its railroad within the limits of said City, would respectfully report:

That after full notice, a meeting was had by your Committee with the representatives of the Railroad Companies and all parties interested in the proposed changes, who desired to be heard, at which meeting a number of suggestions were made and discussed on both sides, and your Committee would recommend a modification of the Ordinance in the following particulars, which they have embodied in a modified Ordinance, which is herewith submitted for your approval.

The several modifications embodied in the amended Ordinance herewith reported may be summarized as follows:

FIRST—A ROAD FROM WELSH WAY.

As originally drafted, the ordinance and plan made no provision for the traffic from Welsh way that now reaches Twelfth street at grade. This objection is met in the amended ordinance by providing for the dedication and construction by the Railway Company within the lines of its own property of a street from the foot of Welsh way to Birmingham street. By this means the traffic from Welsh Way will be enabled to reach Twelfth street by means of the overhead bridge to be constructed east of Twelfth street.

SECOND—EXISTING FOOT BRIDGES.

The Chief Engineer of the company stated at the meeting of the Sub Committee above mentioned that the Railway Company did not intend to abolish any of these foot bridges except the one near Twenty-seventh street. When the railroad is elevated Twenty-seventh street will pass underneath the elevated railroad, and there will be no occasion to preserve the foot bridge at that point. In the amended ordinance, however, it is provided that the existing foot bridges other than the one at Twenty-seventh street shall remain at or near the present location.

THIRD—AS TO THE VACATION OF SEVENTEENTH STREET.

At the meeting, it was urged that Seventeenth street, where it now crosses the railroad tracks, is but little used, and that Eighteenth street is a much more important thoroughfare, and that it would be better not to vacate Eighteenth street, but vacate Seventeenth street and leave Eighteenth street open. This change requires a change of the grade of Eighteenth street southwardly from Edwards alley, and a change of the grade of the Brownsville road at or near its intersection with Eighteenth street, in order to carry Eighteenth street and the street railway tracks of the Suburban Rapid Transit Street Railway Company underneath the proposed elevated tracks of the railroad. The ordinance, as amended by your committee, therefore leaves Eighteenth street open, and provides for the building over it by the railway company of an overhead bridge and for the lowering of the grade of Eighteenth street and the Brownsville road.

FOURTH—AS TO TWENTY-FOURTH AND TWENTY-FIFTH STREETS.

A suggestion was made at the meeting that Twenty-fourth and Twenty-fifth streets should be left open. Serious objection to this was interposed, for the reason that the main purpose of this general improvement is to abolish grade crossings, and as the railroad company's yards have a great many tracks crossing Twenty-fourth and Twenty-fifth streets, it would be unwise to leave these streets open, and thereby maintain the present dangerous grade crossings. The consensus of opinion at the meeting seemed, however, to be that Twenty-fifth street ought to be closed and Twenty-fourth street left open. Your committee has adopted this latter view after careful consideration of the whole matter. The ordinance, as amended, accordingly provides for leaving Twenty-fourth street open, and requires the railroad company to build an overhead bridge where its elevated tracks will cross Twenty-fourth street.

FIFTH—VACATION OF TWENTY-EIGHTH STREET.

The owners of property abutting on the west side of Twenty-eighth street, north of the railroad and between it and Harcum alley, objected to the vacation of the portion of Twenty-eighth street opposite their property. This objection has been met in the amended ordinance, and the proposed vacation of Twenty-eighth street stops short of the property in question.

SIXTH—COMMUNICATION FROM JANE STREET TO SARAH STREET AT THIRTY-THIRD STREET.

In the ordinance, as amended, the railway company is required to make provision for foot passage along the present lines of Thirty-third street from Jane street to Sarah street, by means of an undergrade passage and an overhead bridge crossing the numerous tracks of the railroad in its Ormsby yards. By this provision a safe passage is secured from Jane to Sarah street over the tracks at this point.

SEVENTH—SIXTY-FOOT WIDTH TO THE NEW STREET FROM TWENTY-SEVENTH STREET TO MARY STREET.

In the ordinance, as originally introduced, the railroad company agrees to dedicate and construct within the lines of its own property a new street from Mary street to Twenty-seventh street. As the railway company does not own the property adjoining on the east, the proposed new street is of a less width than the present width of Mary street. At the meeting the chief engineer of the railroad company stated that the company was entirely willing to dedicate the necessary frontage to make this new street sixty (60) feet wide so far as it owned property. Provision for such increased width is made in the amended ordinance herewith returned.

EIGHTH—VACATION OF JOSEPHINE STREET.

Some objection was made to the proposed vacation of Josephine street, in view of the travel from Twenty-first street along Josephine street to the Brownsville road. Your committee believes that this objection has been met in the amended ordinance in the following manner: The railroad company is required to dedicate and construct within the lines of its own property a new street from Josephine street, at a point somewhat east of Twentieth street, diagonally to the Brownsville road. By this means the travel from Twenty-first street to the Brownsville road will not be interfered with, but, on the contrary, will have a shorter route.

NINTH—GRADE OF JANE STREET.

It was explained to your committee at the

meeting mentioned that the present grade of Jane street on the ground is quite irregular, and at some points almost impassable, being of such a character that the travel from the hill is unable to reach its proper outlet. It seems, however, that the city, some years ago, established a feasible grade along Jane street, to which grade, however, it has never been actually graded. The chief engineer of the company stated at the meeting that the company would be willing to pay the costs of grading Jane street to this established grade if it might dispose of the surplus earth. For this, provision has, therefore, been made in the ordinance as amended.

With these modifications your committee believes the ordinance to be a fair and reasonable one and of great advantage to the city, and would, therefore, recommend its return to Council with an affirmative recommendaiton.

C. C. No. 1238. WHEREAS, It is absolutely necessary for the City of Pittsburgh to lay water pipe upon the property heretofore owned and occupied by Rufus Martin and W. G. Evans, being the Hazel Hill plan of lots, Twenty-third ward, Pittsburgh, which plan has been duly approved by the city, because the streets are about to be graded and paved and sidewalks laid, and because said pipe can be laid much cheaper now than in the future, especially when if laid in the future said pavement would have to be partially torn up, and especially as a large number of houses are erected and being erected on said plan of lots.

WHEREAS, It appears no sufficient appropriation has been made for the fiscal year of 1901 to enable the City of Pittsburgh to itself lay said pipe; now, therefore, be it

Resolved, That the City of Pittsburgh hereby gives its consent to Rufus Martin and W. G. Evans, and the said Rufus Martin and W. G. Evans are hereby expressly authorized and empowered to lay the said pipes under the direction and supervision of the Director of the Department of Public Works of said city, and at a cost to be approved by him, the said Director.

Provided, That the City of Pittsburgh shall have the right and option, at its election, to purchase from the said Rufus Martin and W. G. Evans all of the said pipes, plugs and appurtenances laid or established under this agreement, at any time in the future it sees fit so to do, for a price not exceeding the actual cost of the laying and establishing of said pipes, plugs and appurtenances, together with six (6) per cent. interest thereon from the date of so laying and establishing to the date of the purchase by the said City of Pittsburgh.

And provided further, That the cost of laying and establishing said pipes, plugs and appurtenances shall not, in any event, exceed the sum of ten thousand dollars ($10,000.00).

No. 898.

ARTICLES OF AGREEMENT, made and concluded this day of May, A. D. 1901, by and between the City of Pittsburgh, a municipal corporation of the State of Pennsylvania, party of the first part, and The Pittsburgh & Birmingham Traction company, a corporation organized and existing under the laws of the State of Pennsylvania doing business in said city of Pittsburgh, party of the second part.

Whereas, the party of the second part and its predecessors in title have owned and operated a street passenger railway, commonly known as the South Side Passenger Railway, crossing the Monongahela river in said City from the foot of South Tenth street upon a bridge formerly owned by the Birmingham & Pittsburgh Bridge Company, which bridge has been acquired and is now owned by the city of Pittsburgh, and the said City is about to tear down and demolish the old bridge structure and to build and erect a complete new bridge structure, at least sixty (60) feet wide, on the old site; and whereas, the party of the second part desires that the said bridge shall be rebuilt and its tracks and appliances reconstructed upon said bridge, and the compensation to be paid the City for said use settled for a term of years;

Now, therefore, in consideration of the premises and the faithful performance of the reciprocal covenants, obligations and payments, etc., as hereinafter set forth, by the parties hereto, their successors and assigns, it is hereby mutually covenanted and agreed as follows, to wit:

First—The party of the second part is hereby granted the privilege of moving, propelling or operating passenger cars, for the transportation of passengers only, over and across the new bridge so to be built and erected across the Monongahela river at the foot of South Tenth street in said City (said bridge to be at least sixty feet wide) along and over double tracks the entire length of said bridge and the approaches thereof, to be laid on such location as the City may designate, the tracks to be however, not less than three feet (3) apart so as to permit cars of standard width to pass and repass thereon, for a period of twenty (20) years from the 7th day of March, A. D. 1901, in the manner and according to the methods hereinafter provided; and further, of erecting, putting up, establishing and maintaining the requisite rails, poles, wires or other appliances and apparatus necessary and usual for such purposes, according to the terms and provisions hereinafter contained.

Second—The said party of the second part shall and will pay to the said party of the first part for such privilege or use, an annual rental of five thousand dollars ($5,000.00), payable quarterly, that is to say, the sum of twelve hundred and fifty dollars ($1,250.00) on the first days of every July, October, January and April following the date of this agreement, until the whole of said rental, to wit: the sum of one hundred thousand dollars ($100,000.00) is fully and completely paid; provided, however, that the said rental so fixed and specified, shall not begin or commence until the said new bridge is ready for the operation of the passenger cars of the said party of the second part under this agreement; said second party to erect poles, etc., and operate its said cars at the earliest possible day.

Third—The said party of the second part shall and will pay to the said party of the first part the sum of twenty-five thousand dollars ($25,000.00) rental in advance whenever the said party of the first part or the Director of the Department of Public Works, may see fit to demand the same, at any time before, during or after the erection or construction of said bridge, and this money thus paid by the said party of the second part, is to be in payment of rentals in advance for the use of said bridge by the passenger cars of said party of the second part, as aforesaid, and shall, with all its interest, be applied or appropriated to the first rents then and thereafter falling due under this contract, and being advanced as aforesaid, is to bear interest at the rate of four per centum (4 per cent.) per annum upon all balances of said sum of twenty-five thousand dollars ($25,000.00) until actually applied or appropriated to the said rental falling due under this contract, as aforesaid.

Fourth—The motive power for moving, propelling or operating the said passenger cars of said party of the second part shall be electricity, or such other method as may be hereafter adopted by the said party of the second part, its successors or assigns, for the propulsion of its cars over and along the streets of the city of Pittsburgh during the running of this contract, and in order that the said passenger cars may be moved, propelled or operated over and across said new bridge, such rails, iron posts, conductors, wires and other fixtures, devices and appliances as may be necessary or convenient, may be placed, constructed and maintained in or upon said bridge and the approaches thereof, including not only such fixtures, devices and appliances as are now customarily used for the propulsion of cars by electricity but also such new fixtures, devices and appliances as may hereafter be developed in the progress of electrical science and used for the purposes aforesaid; the construction and maintenance thereof to be at the cost and expense of the second party, subject to the control and supervision of said first party. All repairs, renewals or changes of any of the same made upon said new bridge and its approaches, shall always be made and sustained at the cost of said party of the second part, and always under the control of the said party of the first part and the supervision of its officers.

Fifth—The rate of speed of the passenger cars of the said party of the second part over and upon the said new bridge and its approaches shall always be under the control of said party of the first part; said rate, however, is not to be less than or slower than that designated by the ordinances of the city of Pittsburgh.

Sixth—The said party of the second part shall guard and secure the said new bridge against fire or other damage, from or occasioned by the use of electricity necessary for the moving, propelling or operation of the said passenger cars of the said party of the second part over said new bridge, by such methods and precautions as shall be satisfactory to the Board of Underwriters of the city of Pittsburgh and the city of Pittsburgh.

Seventh—It is distinctly agreed and understood that said party of the second part shall be responsible for any and all damages to said bridge and all loss of life, personal injury or damage which may occur by reason of the presence or use by it of electricity or other motive power upon said new bridge or its approaches, or by the moving, propelling or operating of the cars of the said party of the second part thereon, resulting from the negligence of said party of the second part, and that the said party of the second part shall and does hereby indemnify and hold harmless the said party of the first part therefrom, including all costs, expenses, charges and attorneys fees, and as well also from any damage or loss to the said party of the first part which may be the result of the said bridge being in any way injured, because of the use by the party of the second part of electricity thereon, or result in any manner from the negligence of the party of the second part in the moving, propelling or operating of the cars of the said party of the second part thereon, other than from reasonable wear and tear, or in the building, erecting, changing or repairing, of any of the appliances, apparatus, etc., by the said party of the second part, as hereinbefore set forth.

Eighth—This agreement shall continue in force from year to year after the termination of the twenty years period above recited, until either party shall have given the other six months notice in writing of its desire to terminate the same.

It is distinctly understood and agreed to that this agreement, and all of its terms, stipulations, conditions and covenants shall be binding upon both of the parties hereto, their successors and assigns.

In witness whereof, the said parties have caused their respective corporate seals to be hereunto affixed, duly attested by their respective officers, the day and year first above written.

Signed, sealed and delivered in presence of
R. E. CLULEY, Chief Clerk.

Bair as architect for the erection of a building on property owned by the City of Pittsburgh at the corner of Centre avenue and Devilliers street, Thirteenth ward, to be known as Police Station No. 2, shall be and the same is hereby approved, accepted and assumed by the City of Pittsburgh, and the compensation therefor shall be paid for in the manner and form now prescribed by law from the appropriation for the Bureau of Police, and known as Appropriation No. 22.

MEMORANDUM OF AGREEMENT, made this 27th day of May, A. D. 1901, by and between Harry S. Bair, architect, of the city of Pittsburgh, and the city of Pittsburgh by and through J. O. Brown, Director Department of Public Safety.

WHEREAS, It is desirable and necessary that the city of Pittsburgh secures the services of a competent architect for the purpose of preparing plans and specifications and superintending the erection of a building to be known as No. 2 Police station on property now owned by the city of Pittsburgh at the corner of Centre avenue and Devilliers street, Thirteenth ward, for the city of Pittsburgh, in the Department of Public Safety; and

WHEREAS. The said Harry S. Bair, architect, proposes that he will give his skill, knowledge and time in the preparing of such plans, specifications and other matters as may be necessary for the requirements of the city of Pittsburgh, at the sum of five (5) per cent. of the cost of any contract or contracts made or work done under such plans and specifications:

NOW, THEREFOR, THIS AGREEMENT WITNESSETH, That the said Harry S. Bair hereby covenants and agrees that in consideration of the sum of five (5) per cent. of the cost of any contract or contracts made or work done under such plans and specifications, and of his being architect, designer and draughtsman for the aforesaid contemplated buildings, he will give his time, skill and experience in a faithful manner to said City under the general direction and supervision of the Director Department of Public Safety, who shall have full power and supervision over said architect.

It is expressly covenanted and agreed, that in the event of any disagreement or controversy between the party of the first part and the Director of the Department of Public Safety, or the city of Pittsburgh, as to the interpretation of these specifications or the interpretation or proper execution of this contract, or as to the settlement thereunder, or in the event of any disagreement as to any question or matter whatever which may arise or be in dispute under this contract, or said specifications, or of the terms or conditions thereof, such disagreement, controversy or dispute shall in the first instance be immediately inquired into and decided by the said Director of the Department of Public Safety, whose decision thereon shall be final and conclusive, unless the party of the first part shall, within ten days, appeal from the decision of said Director of the Department of Public Safety, to the Mayor of said city of Pittsburgh, filing with the said Mayor a written statement of all matters in dispute, and also a stipulation in and by which said appellant agrees to be bound absolutely by the decision of said Mayor without exception or appeal, whereupon said Mayor shall proceed without delay, after notice to both the appellant and the said Director, to hear and determine all matters in dispute, according to such written statement, and render a decision thereon in writing, which decision shall be final and conclusive as to all matters in controversy as aforesaid, without exception or appeal; and all right or rights of action at law or in equity, or otherwise, under and by virtue of this contract, are hereby expressly waived; and further, all of the provisions of an ordinance of the City of Pittsburgh, Pa., entitled, "An ordinance relating to contracts for public work and public supplies," approved the 5th day of March, 1900, are hereby made part of this contract to the same extent, and with the same force and effect, as if all of the said provisions of said ordinance were actually set forth at length herein."

The said Director of the Department of Public Safety shall have the right to designate an inspector or master builder, who shall be placed in charge of any and all of said contemplated buildings to superintend and direct the erection of the same, or superintend and direct the alteration and rebuilding of any building or buildings. And said inspector or master builder shall, in like manner as said architect, be subject at all times to the supervision and direction and control of the Director of the Department of Public Safety. And the said inspector or master builder shall keep the Director of the Department of Public Safety fully and carefully posted daily as to any and all of said contemplated buildings, their plans and specifications, and at all times see that said building or buildings, or alterations, are in strict accordance with said plans and specifications in every particular, and that all of the interests of the City of Pittsburgh are fully and carefully protected.

And the said Harry S. Bair further covenants and agrees that he will pay the said inspector or master builder for his services during the time for which he shall be employed, and the City of Pittsburgh shall not in any manner be liable for any services whatever for said inspector or master builder.

And the said Harry S. Bair further covenants and agrees that if at any time the said inspector or the said master builder shall not be satisfactory to the Director of the Department of Public Safety, that the said Director of the Department of Public Safety shall have the power to cause his discharge and removal, with the right to appoint another one of his own selection for the purpose of seeing that the the interests of the City of Pittsburgh are at all times fully guarded and protected. And the said Director of the Department of Public Safety is given full power and authority, under and by virtue of this agreement, to discharge, cancel and annul this agreement with the said Harry S. Bair, architect, without notice, when the said Director of the Department of Public Safety shall decide that the best interest of the city so requires.

And it is further specially agreed to that in case of failure of the said Harry S. Bair, architect, to have satisfactory plans, specifications working drawings and other matters necessarily belonging to the work of an architect at all times ready as work may be required, that the said Director of the Department of Public Safety may forthwith, without notice, cause said drawings, blue prints, specifications and working plans to be prepared by such suitable architect, or architects, in order that the city's interests may not be delayed.

And it is further specially covenanted and specially agreed to by the said Harry S. Bair, architect, that all plans, specifications, blue prints, drawings or working drawings, or other matters pertaining or belonging to the work of an architect, or required to be done by the architect, including advertisements and the superintending of the erection of the same, shall be in strict accordance with all the Acts of Assembly of this Commonwealth and the ordinances of the City of Pittsburgh in reference to freedom of competition.

The compensation of said Harry S. Bair, architect, shall, from time to time, be paid as the work progresses, upon pay-rolls made and furnished by the Director of the Department of Public Safety, in manner and form as now prescribed by the Controller of the City of Pittsburgh.

In witness whereof, the said parties hereto have set their hands and seals this 27th day of May, A. D. 1901.

No. 949.

MAYOR'S OFFICE,

PITTSBURGH, PA. May 7, 1901.

To the Presidents and Members of Select and Common Councils:

GENTLEMEN:—

I beg leave to return to your honorable bodies without my approval, an ordinance, (S. C. No. 587) authorizing the construction of a sewer on Howe street (north sidewalk) from a point one hundred and twenty-five (125) feet east of South Negley avenue to Maryland avenue (formerly O'Hara street).

It has been ascertained since the passage of this ordinance that there is a sewer already on Howe street, north sidewalk, along the portion described, which is sufficient to drain the property not already connected with a sewer. An additional sewer would simply impose an unnecessary expense upon the abutting property owners. For the reason advanced I must respectfully decline to approve this ordinance.

Yours most respectfully,

WILLIAM J. DIEHL,

Mayor.

Which was read, received and filed.

And

S. C. Bill No 578. An ordinance entitled, "An ordinance authorizing the construction of a sewer on Howe street (north sidewalk) from a point one hundred and twenty-five (125) feet east of South Negley avenue to Maryland avenue (formerly O'Hara street.")

No. 950.

In the Name and by the Authority of the

Commonwealth of Pennsylvania,

Executive Department.

TO ALL TO WHOM THESE PRESENTS SHALL COME, GREETING:

Know Ye, *That reposing especial trust and confidence in the prudence, integrity and ability of*

Adam M. Brown,

OF THE COUNTY OF ALLEGHENY,

and under authority of the Constitution and Laws of the said Commonwealth, in such case made and provided, I have appointed and do by these presents Commission him to be

CITY RECORDER OF THE CITY OF PITTSBURGH,

IN THE

COUNTY OF ALLEGHENY

AND

COMMONWEALTH OF PENNSYLVANIA.

He is, therefore, *to have and to hold the said office, together with all the rights, powers and privileges thereunto belonging, or by law in anywise appertaining until the first Monday in April, A. D. 1903, and until his successor shall be duly elected and qualified, unless sooner superseded by me or other lawful authority, if he shall so long behave himself well.*

This *appointment to compute from the date hereof.*

Given *under my hand and the Great Seal of the State, at the City of Harrisburg, this sixth day of April, in the year of our Lord one thousand nine hundred and one, and of the Commonwealth the one hundred and twenty-fifth.*

And Mr. Brown took and subscribed to the oath of office, as follows:

No. 951.

OATH OF OFFICE.

STATE OF PENNSYLVANIA,
County of Allegheny,
City of Pittsburgh, } ss.

I do solemnly swear that I will support, obey and defend the Constitution of the United States and the Constitution of this Commonwealth, and that I will discharge the duties of my office with fidelity; that I have not paid or contributed, or promise to pay or contribute, either directly or indirectly, any money or other valuable thing, to procure my appointment, except for necessary and proper expenses expressly authorized by law; that I have not knowingly violated any election law of this Commonwealth, or procured it to be done by others in my behalf; that I will not knowingly receive, directly or indirectly, any money or other valuable thing for the performance or non-performance of any act of duty pertaining to my office, other than the compensation allowed by law.

Sworn and subscribed before me, the undersigned, this thirty-first day of May, A. D. 1901. } A. M. BROWN.
JOHN S. LAMBIE,
[Seal] President of Select Council.

The **Chair** presented

No. 952. Official bond of Adam M. Brown, City Recorder, in the sum of twenty-five thousand dollars, with The Mercantile Trust Company as surety.

Which was read and approved.

Also

No. 953.

OATH.

STATE OF PENNSYLVANIA,
County of Allegheny, } ss.

I, Adam M. Brown, of Pittsburgh, appointed and commissioned by the Governor of the Commonwealth of Pennsylvania to be City Recorder of the City of Pittsburgh, in and for the Commonwealth of Pennsylvania, do solemnly swear that I will support, obey and defend the Constitution of the United States and the Constitution of this Commonwealth, and that I will discharge the duties of my office with fidelity; that I have not paid or contributed, or promised to pay or contribute, either directly or indirectly, any money or valuable thing to procure my nomination or appointment, except for necessary and proper expenses expressly authorized by law; that I have not knowingly violated any election law of this Commonwealth, or procured it to be done by others in my behalf; that I will not knowingly receive, directly or indirectly, any moneys or other valuable thing for the performance or non-performance of any act or duty pertaining to my office other than the compensation allowed by law.

Taken, sworn and subscribed before me this twenty-seventh day of May, A. D. 1901. } ADAM M. BROWN.
JAS. J. MCAFEE,
[Seal] Notary Public.

My commission expires January 19, 1903.

Which was read, received and filed.

Mr. BROWN said:

Mr. Chairman and Gentlemen of the Councils of the City of Pittsburgh, in joint meeting assembled:

I have nothing to say beyond this, that I thank you for the courtesy extended to me and for the way you have received me, and for the trouble which you have put yourselves to, officially, on this occasion, in assembling, as the oath might have been administered privately. When I was notified of the fact that I was to be present at this meeting and have the oath administered and my commission read, I was pleased to say that I would do whatever was necessary in order to attest publicly that I am both commissioned and sworn in under the new charter, and to exhibit my bond which has been approved in the manner prescribed by the charter.

I want to say, Gentlemen of Councils, as perhaps some of you may know, that I am a veteran councilman, that I was once a member of this body, but it was a good many years ago, when I was quite a young man. It was at the time of the consolidation of the districts, when the East End, between the rivers, was taken into the City. A great deal of legislation was prepared and passed at this time. I prepared the supplementary legislation which made the matter satisfactory to the City of Pittsburgh, and which was adopted by Councils and is yet a law. I knew all the councilmen at that time, but am not acquainted with all the councilmen of this magnificently large and grand city, at the present time. I know a great many of you, and hope to meet you all officially, or otherwise, and become thoroughly well acquainted. I hope that I may be able to discharge my duties as Recorder intelligently, faithfully and honestly, and I ask the co-operation of the Councils to aid me in the administration of the city government, and wish you to support me when you think I am right and object when you think I am wrong, and I ask to be kindly aided if I err. It will be my pleasure and duty to receive all the aid I can, especially from the councilmen, as well as the citizens, whether I agree with them or not. Under the iron clad oath to do my duty I am responsible not only to the Councils of Pittsburgh and the citizens, but to a higher power which overrules us when we do wickedly or wrongfully, in the end, if not immediately. I desire to express the cordial feeling which I entertain to this body, the City Councils, who will be called upon to put in complete operation the system which should be attained by this new charter, which was passed by the legislature, signed by the governor and sustained by the supreme court of this commonwealth. It is the law, adjudicated to be the law, and I trust and believe you will aid in its execution with the same integrity that you discharge your duties as private citizens.

Thanking you again for your attendance here to-day, I close.

Mr. **Thorn** moved

That the Joint-Session do now adjourn.

Which motion prevailed.

And Select Council returned to its own Chamber.

Mr. **Shenkel** moved

That the action of the Joint-Session be ratified and confirmed.

Which motion prevailed by the following vote;

AYES—Messrs.

From the Committee on Public Safety, with an affirmative recommendation:

C. C. No. 1309.

PITTSBURGH, April 22, 1901.

To the Select and Common Councils of the City of Pittsburgh:

GENTLEMEN—In awarding the annual con-

tracts for the Department of Public Safety for one year, beginning May 1, 1901, under date of March 23, 1901, amongst other matters, I awarded the laundry work for the Department of Public Safety to Barnes Brothers & Co., they being the lowest bidders. This contract, with the others, was referred by me to Councils on March 25, 1901, and by the Select branch referred to the Committee on Public Safety. The Committee on Public Safety, at its meeting on April 8, returned said award to Select Council at its meeting on the same day with the recommendation that it be sent back to the Director of the Department of Public Safety with instructions that he award the contract to the Pittsburgh Association for the Improvement of the Poor, with general offices on Sixth avenue, Select Council passing a motion to that effect, which society had the contract during the past year. In accordance with the instructions of said Committee on Public Safety and Select Council, I cancelled and annulled the award of said contract to the firm of Barnes Brothers & Co. in Common Council Chamber on April 12, 1901, and awarded the same to the said Pittsburgh Association for the Improvement of the Poor, and now again submit for your approval the contract for laundry work as awarded on said April 12, 1901, as directed by the Committee on Public Safety and Select Council.

In this connection I desire to say that the said Pittsburgh Association for the Improvement of the Poor has had this work done by hand by worthy poor women of the City of Pittsburgh, thus giving employment and work to a portion of the worthy poor of our city, and said committee and Select Council desire that the work shall be continued to be performed by this association.

Hoping this matter will be approved, I remain, Very truly yours,

J. O. BROWN,

Director Department of Public Safety.

Which was read, received and filed.

Also

C. C. No. 1310. Resolution approving contract awarded to the Pittsburgh Association for the Improvement of the Poor, by the Department of Public Safety, for laundry work for the Department of Public Safety for one year, beginning May 1, 1901.

Which was read.

And the rule having been suspended the resolution was read a second and third times and finally passed by the following vote:

S. C. No. 924. *Resolved*, That the Articles of Agreement made and concluded the 27th day of May, A. D. 1901, by and between Harry S. Bair and the City of Pittsburgh, by and through J. O. Brown, Director Department of Public Safety, for the services of the said Harry S. Bair as architect for the erection of a building on property owned by the City of Pittsburgh at the corner of Centre avenue and Devilliers street, Thirteenth ward, to be known as Police Station No. 2, shall be and the same is hereby approved, accepted and assumed by the City of Pittsburgh, and the compensation therefor shall be paid for in the manner and form now prescribed by law from the appropriation for the Bureau of Police, and known as Appropriation No. 22.

MEMORANDUM OF AGREEMENT, made this 27th day of May, A. D. 1901, by and between Harry S. Bair, architect, of the city of Pittsburgh, and the city of Pittsburgh by and through J. O. Brown, Director Department of Public Safety.

WHEREAS, It is desirable and necessary that the city of Pittsburgh secures the services of a competent architect for the purpose of preparing plans and specifications and superintending the erection of a building to be known as No. 2 Police station on property now owned by the city of Pittsburgh at the corner of Centre avenue and Devilliers street, Thirteenth ward, for the city of Pittsburgh, in the Department of Public Safety; and

WHEREAS, The said Harry S. Bair, architect, proposes that he will give his skill, knowledge and time in the preparing of such plans, specifications and other matters as may be necessary for the requirements of the city of Pittsburgh, at the sum of five (5) per cent. of the cost of any contract or contracts made or work done under such plans and specifications:

NOW, THEREFORE, THIS AGREEMENT WITNESSETH, That the said Harry S. Bair hereby covenants and agrees that in consideration of the sum of five (5) per cent. of the cost of any contract or contracts made or work done under such plans and specifications, and of his being architect, designer and draughtsman for the aforesaid contemplated buildings, he will give his time, skill and experience in a faithful manner to said City under the general direction and supervision of the Director Department of Public Safety, who shall have full power and supervision over said architect.

It is expressly covenanted and agreed, that in the event of any disagreement or controversy between the party of the first part and the Director of the Department of Public Safety, or the city of Pittsburgh, as to the interpretation of these specifications or the interpretation or proper execution of this contract, or as to the settlement thereunder, or in the event of any disagreement as to any question or matter whatever which may arise or be in dispute under this contract, or said specifications, or of the terms or conditions thereof, such disagreement, controversy or dispute shall in the first instance be immediately inquired into and decided by the said Director of the Department of Public Safety, whose decision thereon shall be final and conclusive, unless the party of the first part shall, within ten days, appeal from the decision of said Director of the Department of Public Safety, to the Mayor of said city of Pittsburgh, filing with the said Mayor a written statement of all matters in dispute, and also a stipulation in and by which said appellant agrees to be bound absolutely by the decision of said Mayor without exception or appeal, whereupon said Mayor shall proceed without delay, after notice to both the appellant and the said Director, to hear and determine all matters in dispute, according to such written statement, and render a decision thereon in writing, which decision shall be final and conclusive as to all matters in controversy as aforesaid, without exception or appeal; and all right or rights of action at law or in equity, or otherwise, under and by virtue of this contract, are hereby expressly waived; and further, all of the provisions of an ordinance of the City of Pittsburgh, Pa., entitled, "An ordinance relating to contracts for public work and public supplies," approved the 5th day of March, 1900, are hereby made part of this contract to the same extent, and with the same force and effect, as if all of the said provisions of said ordinance were actually set forth at length herein."

The said Director of the Department of Public Safety shall have the right to designate an inspector or master builder, who shall be placed in charge of any and all of said contemplated buildings to superintend and direct the erection of the same, or superintend and direct the alteration and rebuilding of any building or buildings. And said inspector or master builder shall, in like manner as said architect, be subject at all times to the supervision and direction and control of the Director of the Department of Public Safety. And the said inspector or master builder shall keep the Director of the Department of Public Safety fully and carefully posted daily as to any and all of said contemplated buildings, their plans and specifications, and at all times see that said building or buildings, or alterations, are in strict accordance with said plans and specifications in every particular, and that all of the interests of the City of Pittsburgh are fully and carefully protected.

And the said Harry S. Bair further covenants and agrees that he will pay the said inspector or master builder for his services during the time for which he shall be employed, and the City of Pittsburgh shall not in any manner be liable for any services whatever for said inspector or master builder.

And the said Harry S. Bair further covenants and agrees that if at any time the said inspector or the said master builder shall not be satisfactory to the Director of the Department of Public Safety, that the said Director of the Department of Public Safety shall have the power to cause his discharge and removal,

with the right to appoint another one of his own selection for the purpose of seeing that the the interests of the City of Pittsburgh are at all times fully guarded and protected. And the said Director of the Department of Public Safety is given full power and authority, under and by virtue of this agreement, to discharge, cancel and annul this agreement with the said Harry S. Bair, architect, without notice, when the said Director of the Department of Public Safety shall decide that the best interest of the city so requires.

And it is further specially agreed to that in case of failure of the said Harry S. Bair, architect, to have satisfactory plans, specifications, working drawings and other matters necessarily belonging to the work of an architect at all times ready as work may be required, that the said Director of the Department of Public Safety may forthwith, without notice, cause said drawings, blue prints, specifications and working plans to be prepared by such suitable architect, or architects, in order that the city's interests may not be delayed.

And it is further specially covenanted and specially agreed to by the said Harry S. Bair, architect, that all plans, specifications, blue prints, drawings or working drawings, or other matters pertaining or belonging to the work of an architect, or required to be done by the architect, including advertisements and the superintending of the erection of the same, shall be in strict accordance with all the Acts of Assembly of this Commonwealth and the ordinances of the City of Pittsburgh in reference to freedom of competition.

The compensation of said Harry S. Bair, architect, shall, from time to time, be paid as the work progresses, upon pay-rolls made and furnished by the Director of the Department of Public Safety, in manner and form as now prescribed by the Controller of the City of Pittsburgh.

In witness whereof, the said parties hereto have set their hands and seals this 27th day of May, A. D. 1901.

HARRY S. BAIR. [Seal.]

THE CITY OF PITTSBURGH,

By J. O. BROWN, [Seal.]

Director Department of Public Safety.

S. C. No. 878. WHEREAS, It is absolutely necessary for the City of Pittsburgh to lay water pipes along the southerly side of Linden avenue, in the Twenty-second ward of the City of Pittsburgh, beginning at a point about 100 feet west from Fair Oaks street, and thence extending along the said southerly side of Linden avenue a distance of about eight hundred (800) feet to Beechwood avenue, because of the number of houses built and to be built upon property belonging to Harry H. Willock; and

WHEREAS, It appears that no sufficient appropriation has been made for the fiscal year 1901 to enable the City of Pittsburgh to itself lay said pipe; now, therefore, be it

Resolved, That the City of Pittsburgh hereby gives its consent to Harry H. Willock and he is hereby authorized and empowered to lay the said pipes under the direction and supervision of the Director of the Department of Public Works of said city, and at a cost to be approved by him, the said Director. *Provided*, That the City of Pittsburgh shall have the right and option, at its election, to purchase from the said Harry H. Willock all of the said pipe, plugs and appurtenances laid or established under this agreement, at any time in the future it sees fit so to do, for a price not exceeding the actual cost of the laying and establishing of said pipes, plugs and appurtenances, together with six (6) per cent. interest thereon from the date of so laying and establishing to the date of the purchase by the City of Pittsburgh, as aforesaid. *And provided further*, That the cost of laying and establishing the said pipes, plugs and appurtenances shall not in any event exceed the sum of one thousand two hundred dollars ($1,200).

Mr. **Murphy** presented from the Special Committee appointed by the President, to prepare a suitable minute upon the death of Mr. **Wm. H. McCleary**, late member of Select Council from the Fourteenth ward.

No. 1062. The death of Wm. H. McCleary on August 1, 1901, was a surprise to the members of Select Council as well as to his many friends. Mr. McCleary had been in ill health for some time, but when Councils last met he seemed to have recovered and was in the best of spirits.

Mr. McCleary was always a resident of Allegheny county, having been born at Tarentum in September, 1843. He removed with his family in 1856 to Bayardstown, now Tenth ward, Pittsburgh, and since that time until his death, resided in the City of Pittsburgh. For ten years he lived in the Fourteenth ward where he was a leader in politics of the ward, and highly respected by all who knew him.

Mr. McCleary commenced his political work as chief clerk in the Commissioners office, where he made many friends. After six years service in the Commissioners office he was elected Clerk of Courts, filling the office from the first Monday in January, 1873, until the first Monday of January, 1880. In 1880 he was appointed Postmaster of Pittsburgh under President Chester A. Arthur and remained in that office for three years. He then served as Mayor's Clerk under Andrew Fulton, Wm. McCallin, and for a short time under H. I. Gourley. He was elected Sheriff of Allegheny County in 1890, and was elected to Select Council for the unexpired term of John M. Anderson, succeeding himself and represented his ward in this branch of Councils at the time of his death.

In all his public acts he was a just and upright man. He stood pre-eminent not in some, but in all the relations of life. As a citizen, neighbor, husband, father, friend and associate, he was loving, kind, tolerant, considerate and modest.

We here record our deep sense of the loss which has come to us and to the City. May his memory long remain in our hearts and his example stimulate our lives.

JOHN A. MURPHY, Chairman.
JOHN UPPERMAN,
JOHN PEDDER,
JOHN PAUL,
THOS. E. PERRY.

Which was read.

Mr. **Murphy** said

I am an apparently young member of this body. I have known Mr. McCleary from 1890 up to the time of his death. I became acquainted with him when he was sheriff, and until his death always found him courteous in all his dealings. He conducted the sheriff's office with credit to himself and to the county. I must say that I had a very warm feeling for Mr. McCleary, and his death was a great shock to me.

President **Lamble** called Mr. **Upperman** to the chair, and taking the floor of Council, said:

Mr. **Lamble:**

Mr. Chairman and fellow members of Councils:—Early last month I sat in a pavilion at Atlantic City, watching the blue waves of the Atlantic as they dashed upon the beach. A boy passed selling papers, and I asked him if he had a Pittsburgh paper. He handed me a copy of the Pittsburgh Dispatch. I opened the paper and was surprised and shocked to read of the death of Mr. McCleary.

I knew Mr. McCleary from the time he was an errand boy in the office of Marshall & Brown, where I studied law in 1862, and we were intimate friends and acquaintances from that time until the present, I most cordially agree with the spirit and sentiment of the resolution which has been read by the chairman of this committee. The committee told you of the various offices which he filled and how well he filled them. They told you that his duties were discharged faithfully and to the best of his ability, and they were certainly discharged to the satisfaction of all with whom he was brought in contact. What more could he do? He filled these various offices, high and low, with fidelity. He discharged the duties to the satisfaction of all who had business relations with him, and they were satisfied in every instance. He has served the community faithfully and well. As to his private relations, it is not for me to discuss them or perhaps even to refer to them. It is entirely too sacred. I have heard it said he was a model father and a good husband. He discharged his duties to the satisfaction of all. He has come to his reward.

As I sat on the beach on that glorious summer afternoon, watching the sunlit waves as they rolled in and broke upon the shore, other thoughts came into my mind. In other fair lands far away beyond the sea the waves of the Atlantic roll in and break on other shores. We are all out on the ocean of Time. It stretches away beyond us we know not where.

Many were the barks sailing before me out on that Summer Sea. Sometimes they started together on their journeys, and for a long distance sailed side by side. The merry songs of the sailors in the one were answered by merry songs from the other. And now they run friendly races, and as in the race of life some far outship the others. And in the sailing some go so far as to appear but a speck upon the horizon's hem, and finally they disappear from view—gone we know not where. Sometimes these barks return, and the sailors in glowing terms tell us of bluer skies, of fairer lands, of more beautiful flowers and of sweeter music which they have seen and heard in those far distant lands. So we are all sailing on barks over the mighty ocean of eternity.

Do the waves of this ocean beat on some far distant shore, and if so, where? On that shore do they watch and wait for us? The barks that have sailed the Atlantic have sometimes returned, but no bark has ever returned from beyond the waves of the ocean of eternity.

Upwards of 50 years ago this good brother and I started out our tiny barks on the trackless ocean of eternity. Long time in the sunshine and in the shadow we sailed side by side. He has outsailed me. In a night he disappeared from view. His bark was not torn to pieces by wind and wave. He was not wrecked on a lee shore. His bark simply disappeared below the edge of the horizon. He has gone, whither I cannot tell. Shall I see him again? I know not. But this I know, that some of these friends who now sit with us shall watch our barks as they drop below the horizon and wonder where we have gone.

And the resolution as read was unanimously adopted by a rising vote.

Mr. **Lambie** moved

That out of respect of the memory of the late Wm. H. McCleary Council do now adjourn.

Which motion prevailed.

And Council adjourned.

SELECT COUNCIL.

JOHN S. LAMBIE PRESIDENT
E. J. MARTIN CLERK

PITTSBURGH, Sept. 14, 1901.

Council met pursuant to the following call:

PITTSBURGH, Sept. 14, 1901.

MR. E. J. MARTIN,

Clerk of Select Council.

DEAR SIR:—The sad calamity to this Nation of the death of our PRESIDENT, WILLIAM McKINLEY, calls for a fitting recognition on our part and an expression of feeling not only for ourselves, but for our citizens whom we represent. You will please call a special meeting of the Select Council at 4 o'clock P. M., this day, to take such action as they deem proper touching the trying affliction under which we now suffer.

Very respectfully,
JOHN S. LAMBIE,
President Select Council.

PRESENT—Messrs.

Lambie, President.

Mr. THORN moved

That a committee of three be appointed to wait on Common Council and inform that body that Select Council desired to meet them in joint session for the purpose of taking suitable action on the death of WILLIAM McKINLEY, President of the United States.

Which motion was agreed to.

And Messrs. THORN, PERRY and BENZ were appointed.

And Common Council was so notified.

And Messrs. LESLIE, WELLINGER and SPLANE, a committee from Common Council, having been introduced, announced that that body was now ready to meet with Select Council in accordance with the request of said Council.

And Select Council proceeded to the Common Council Chamber.

And Councils being so met in

JOINT SESSION

President LAMBIE of Select Council said:

"Gentlemen of Select and Common Councils of the City of Pittsburgh, we are met in joint session this afternoon for the sad purpose of taking suitable action upon the death of the President of the United States."

President LAMBIE stated:

"That the Executive Officers of the city had been invited to attend the session and participate."

The Presidents of Councils announced that they had appointed the following members as a committee to prepare and report resolutions touching the matter for which Councils had met:

Messrs. MAGEE, BIGHAM, DOUGLAS, VAUX, MURPHY, MUSTIN, UPPERMAN.

Mr. MAGEE, from the Committee, presented and moved the adoption of the following minute; which was read by Mr. MUSTIN.

Select and Common Councils of the City of Pittsburgh meet in special session to-day unfeignedly to mourn the untimely death of WILLIAM McKINLEY, the chief magistrate of this great nation. Great in life, he was supremely great in death, facing the grim destroyer with manly courage, and proving by his words the consistency of his life's avowals and his abiding faith in his Lord and Saviour.

Stricken in his very prime, still he had done his life's work and done it well, and surely will receive the Divine

benediction, "Well done, thou good and faithful servant." An American and an American lawyer, he had in the short space of 58 years accomplished much, and more than almost any other man. He had been a bold and intrepid soldier of the Union, winning laurels upon the field of battle when his beloved country was in her extremity ; he had been an honored and wise Governor of one of the greatest of the United States ; he had most conspicuously served his nation for years in the halls of Congress, and some of the best, wisest and most beneficial legislation of this land was drawn by him and bears and always will bear his name. He was twice elected by a grateful and a loving people to the most exalted office of President of the United States, and in most troublesome times so bore himself in this great office as to commend himself anew not only to all the people of this, but also to all the people of every civilized country upon the globe.

His private life was singularly sweet, clean and pure—an honest man, and a good citizen ; a Christian gentlemen, practicing daily all the principles he professed ; with sublime devotion as a husband, plain, straightforward, trustworthy, unassuming and amiable, he was one whom any nation would delight to honor and whose memory will always remain sweet and fragrant in the hearts and minds of every American citizen.

A whole world is horrified by an assassin's deadly crime, and a whole nation is bowed in grief over the bier of its ruler. Action is for to-morrow. To-day we can but join with all the citizens of this country in expressing our indignation and horror at the act ; our grief and sorrow for the loss to us, the country and the world of this man, truly great and good.

President LAMBIE said :

"The CHAIR will entertain remarks not only from members of Councils, but by any person connected with the Municipal Government."

City Recorder A. M. BROWN was introduced and said :

The hearts of the nation are laden with grief for the loss of a splendid man and a glorious President. No man, except perhaps Washington and Lincoln, ever rose as a civil ruler to the high stature of ability of WILLIAM MCKINLEY. As a soldier Grant towered high. As a good man he won immortal memory and all the glory that the American people could give him. MCKINLEY was a noble soldier, from early manhood, almost from boyhood, until the war closed gloriously for the American people. Through intervening employment he became subsequently a member of Congress, and he won high honors in that distinguished office. His name was a watchword, a familiar word, in the speech of the American nation. From that office an admiring people elevated him to the Governorship of the State of Ohio and then to the Presidency of the United States. No man in all the history of this nation behaved himself better or discharged the duties of that high office as President of seventy odd millions of people with greater courage, greater good judgment, common sense and patriotism than the man who lies dead from the bullet of an assassin.

WILLIAM MCKINLEY became known as a man of grand intellectual faculties. He was a cultivated man, educated by his own exertions, for he was a poor boy. He was a fine type of the best men of the nation. He grew in education as he grew in years and usefulness, in every capacity, from his youth to his death. Throughout every day of his noble and grand life his reputation increased for truth, honor, integrity and ability to discharge the duties of the hour, whatever they were, and

for kindly human sympathy that bubbled from his heart toward every man, woman and child, even toward that devilish assassin who destroyed his life under the guise of friendship. He was especially a kindly man, and the very smile upon his face showed that his heart was as pure as his life was noble. From boyhood until his untimely death, still in the prime of a glorious and useful career, he was never known to do a mean or dishonorable act. He was a Christian gentleman who recognized amenity to God for the rectitude of his life and to his fellow countrymen for his integrity in the discharge of every public and private duty.

Go to his neighbors in Canton, from the small boy and girl to the gray-headed man, and, whether they agreed with him in politics or not, they all loved and admired him. His name was a household word, honored in politics, church and state.

He lies dead, dead at the hands of a man who should have been a friend—a vagabond, a devil in human form, invited under our benign laws and glorious Constitution to enjoy the liberties and the rights of a native citizen. This man, enjoying the protection of the laws, protection to life, liberty and the pursuit of happiness, became so incarnate with evil that the English language does not furnish words sufficient to describe the miscreant. The intelligent, good citizen can hardly conceive why or how a human being should become so brutal, so malicious, so devilish as the assassin that penetrated his body with the deceitful bullets that destroyed his life. He belonged to a class that ought to be exterminated. What is your duty as men? What is the duty of the American people toward the memory of the dead President in view of the liberties permitted under the Government of our country? Our duty is to resolve, as American citizens, from this hour that we will be unceasing in intelligent effort and firm determination to persuade Congress to pass laws that these reptiles in human form shall be exterminated from this country. Liberty is one thing, but insidious treachery, con-

spiracy and brutality to carry out the law of the band to which this murderer belonged is a menace to American liberty and government, because the principle upon which they act is that there should be no civil government, no civil constitution; that government should be abolished and men like themselves—and women, too—should be enabled thereby to do just what they wish all over the world.

Words cannot describe the atrocity of this crime, nor can they picture the agony, the suffering or the tears which followed the assassin's bullets. The country is bereaved as it ever was before, perhaps more. The assassin of the saintly Lincoln was a partisan in time of war. The war was about over, but its bitter feelings had not subsided. The man who took Lincoln's life was a partisan of those who had sought to destroy the nation. The assassin who destroyed the life of Garfield twenty years ago was actuated not by the same ideas as the assassin of McKINLEY, but from partial insanity and mistaken motives that did not relieve him from the crime of murder. But the man who took the life of McKINLEY is as infamous as the worst fiend of the Dark Ages, when crime was so paramount in Rome that an Emperor murdered his own mother. This deed is a revivification of the dark and bloody ages of the Old World, and if anarchism is not exterminated, as it should be, good-by to the lives and the work of honest, liberty-loving, loyal Americans who serve their country gloriously.

It ought to be the duty of every man who loves his country to strive to procure such legislation as will not only punish those guilty of executing their crimes or attempting them, but to exterminate every man and woman who belongs to this association which preaches the doctrines of the extermination of authority. It is treason against government and against every good principle that animates a true American citizen.

Mr. DOUGLAS said:

"*Mr. President and Gentlemen of Councils:*

"It is not of the President of the United States that I would speak. 'The King is dead. Live the King.' The acts of WILLIAM McKINLEY, President of the United States, will be written in imperishable letters upon the history of his glorious country. I would rather speak of the man, and in few words. I would rather place my little garland upon the grave of the man whose private life was without a blemish and whose official and public life without stain."

The minute, as read, was unanimously adopted by a rising vote.

Mr. CRAWFORD (CHAS. S.) presented the following:

Resolved, That in the event of the remains of the President being brought through the City of Pittsburgh, the Presidents of Councils be directed to appoint a committee to receive the same and escort them through the City and to the borders of the neighboring State of Ohio, and take such other action as they may deem necessary.

Which was read and adopted.

And the following members were appointed by the Presidents of Councils as the committee:

Common—Messrs. Crawford (Chas. S.), Moore, Beckert, Zacharias, Culbertson, Siebert, Wightman, Semmelrock, Armstrong, Lang, and McCandless, President.

Select Council — Messrs. Pedder, Paul, Perry, Thorn, Vincent, Wilson, Wainwright, Zahniser, Diehl, and Lambie, President.

Citizens at Large—City Recorder A. M. Brown, Hon. F. H. Collier, Mr. Robert Pitcairn, Mr. Wm. McConway, Mr. John Bindley and Mr. Wm. N. Frew.

Mr. PEDDER presented the following:

Resolved, That the Directors of the several Departments of the City Government shall be and they are hereby authorized, empowered and directed to have the City Buildings suitably draped, in order to show respect to the memory of our late President, WILLIAM McKINLEY.

Which was read and adopted.

And there being no further business, the Joint Session adjourned.

And Select Council returned to its own chamber.

Mr. THORN moved

That the action of the Joint Session of Councils be ratified and confirmed.

Which motion prevailed.

And on motion

Council adjourned.

"We have lost him; he is gone.
We know him now; all narrow jealousies
Are silent; and we see him as he moved.
How modest, kindly, all accomplished, wise,
With what sublime suppression of himself,
And in what limits and how tenderly;
Not swaying to this faction or to that;
Nor making his high place the lawless perch
Of winged ambitions.
He reverenced his conscience as a King."

C. C. No. 1555.

WHEREAS, it is absolutely necessary for the city of Pittsburgh to lay water pipes on property known as "Bradley Plan of Lots, Twentieth ward, Pittsburgh, Pa.," because of the number of houses built and to be built; and

WHEREAS, it appears that no sufficient appropriation has been made for the fiscal year 1901, to enable the city of Pittsburgh to itself lay said pipe; now therefore be it

Resolved, That the city of Pittsburgh hereby gives its consent to Elmer W. Moore, and he is hereby authorized and empowered to lay the said pipes under the direction and supervision of the Director of the Department of Public Works of said City, and at a cost to be

approved by him, the said Director; provided that the city of Pittsburgh shall have the right and option, at its election, to purchase from the said Elmer W. Moore all of the said pipes, plugs and appurtenances laid or established under this agreement at any time in the furture it sees fit so to do for a price not exceeding the actual cost of the laying and establishing of said pipes, plugs and appurtenances, together with legal interest thereon from the date of so laying and establishing to the date of the purchase by the city of Pittsburgh, as aforesaid; and provided further, that the cost of laying and establishing the said pipes, plugs and appurtenances shall not in any event exceed the sum of thirty-two hundred ($3,200.00) dollars.

In Common Council September 9, 1901. Passed.

Which was read.

And the rule having been suspended the resolution was read a second and third times and finally passed by the following vote:

C. C. No. 1616.

WHEREAS, It is absolutely necessary for the City of Pittsburgh to lay water pipes upon the property heretofore owned and occupied by Hermon L. Dean, being part of H. L. Dean's third plan of lots, situate in the Fourteenth ward of the City of Pittsburgh, which plan has been duly approved by the City, because the streets are about to be graded and paved and sidewalks laid, and because said pipes can be laid much cheaper now than in the future, especially when, if laid in the future, said paving would have to be partially torn up, and especially as a large number of houses are erected and are being erected on said plan of lots; and

WHEREAS, It appears no sufficient appropriation has been made for the fiscal year of 1901 to enable the City of Pittsburgh to itself lay such pipe; now, therefore, be it

Resolved, That the City of Pittsburgh hereby gives its consent to H. L. Dean, or his assigns, and the said H. L. Dean, or his assigns, are hereby expressly authorized and empowered to lay the said pipe under the direction and supervision of the Director of the Department of Public Works of said City, and at a cost to be approved by him, the said Director, to wit:

Upon Ophelia street, between Kennett Square and Niagara street, as shown upon said plan; upon Carolina street, as shown upon said plan; upon Elsinore Square and Kennett Square, lying south of Carolina street, as shown upon said plan.

Provided, That the City of Pittsburgh shall have the right and option, at its election, to purchase from the said H. L. Dean, or his assigns, all of the said pipes, plugs and appurtenances laid or established under this agreement, at any time in the future it sees fit so to do, for a price not exceeding the actual cost of the laying and establishing of said pipes, plugs and appurtenances, together with six per cent. interest thereon from the date of so laying and establishing to the date of purchase by the said City of Pittsburgh; and

Provided further, That the cost of laying and establishing said pipes, plugs and appurtenances shall not in any event exceed the sum of Two Thousand ($2,000.00) Dollars.

In Common Council September 9, 1901. Passed.

C. C. No. 1824.

The Councilmanic Committee, appointed to receive the remains of President McKINLEY and escort the same through the City of Pittsburg, submits the following report:

WILLIAM McKINLEY, President of the United States, while in attendance at the Pan-American Exposition held at Buffalo, New York, was, on the afternoon of September 6, 1901, shot twice by a bloodthirsty devil in the shape of a human being. The effects of the wound produced by the second shot caused the President's death in the early morning of September 14, 1901.

A dark cloud of sorrow spread over the nation and deep grief settled upon the whole country, because of the untimely death of our dearly beloved McKINLEY.

Throughout this broad land of liberty bells in solemn tones tolled tribute to our loved President. Throughout this broad land of freedom the heart of every loyal American citizen throbbed with pain over the loss of the nation's chief. Nowhere in this broad land of liberty, of freedom, is his loss more keenly felt than in Pittsburgh, where there are such apparent results of his protective policy. McKINLEY prosperity is stamped upon every commercial industry in Western Pennsylvania. Many things have contributed to make him the nation's idol, and Pittsburgh is proud that she can class him as one of her personal friends.

It cannot be explained why the hand of the assassin should strike three of the most lovable chiefs the world has ever known—LINCOLN, GARFIELD, McKINLEY. The answer seems to have been made by President McKINLEY when he said, "It is God's way."

The American people have lost a President, a statesman, a typical American citizen, and Pittsburgh has lost an honored friend.

At 4 o'clock Saturday afternoon, September 14, 1901, Select and Common Councils of this City met in joint session, for the purpose of adopting resolutions on the death of the President. The remains had been taken from Buffalo to Washington City. It had been reported that the funeral train would pass through Pittsburgh en route from Washington City to Canton, Ohio, where the final funeral services were to be held. In pursuance of a resolution presented at the joint meeting of Councils to appoint a committee for the purpose of receiving and escorting the remains of President McKINLEY through the City and to the eastern boundary line of Ohio, the following named persons were appointed by the Presidents of both Councils:

Jos. G. Armstrong, Christ Beckert, Charles S. Crawford, W. M. Culbertson, H. W. Diehl, John S. Lambie, Wm. E Lang, John B. Moore, Dr. J. Guy McCandless, John Paul, John Pedder, Thos. E Perry, John F. Semmelrock, E. E. Siebert, Thos. H. Thorn, Dr. J. R. Vincent, S. J. Wainwright, J. S. Wightman, Geo S. Wilson, Albert Zacharias and Wm. J. Zahniser.

To this committee the following named persons were added:

Hon. A. M. Brown, City Recorder; Judge F. H. Collier, John Bindley, W. N. Frew, Robert Pitcairn and Wm. McConway.

This committee met on Monday and Tuesday afternoons following, but on account of arrangements which took the funeral train through the city without a stop, the committee was wholly unable to carry out the purposes for which it was originally appointed.

Because Mr. McKINLEY had done so much for and had been such factor in the commercial interests of Pittsburg; because Pittsburgh honored him so highly and felt so keenly his loss and mourned so deeply his death, this committee felt duty bound to continue and to pay some tribute to his memory, and, if possible, to make arrangements to attend his funeral.

Captain W. C. Wallace, of Battery B, very kindly offered the services of his battery. His offer was accepted, and two guns of Battery B were stationed upon Herron Hill Reservoir and two guns at a convenient point on Mount Washington, from which points minute guns and the President's salute were fired from the time the funeral train entered the eastern city limits on Wednesday morning, September 18, until the train passed through Allegheny City.

The committee had prepared and sent to Canton on Wednesday morning, September 18, a floral tribute consisting of a large crescent wreath, five feet in diameter, made of lilies of the valley, roses, carnations, asters and gladioli. The wreath rested on an easel and stood six feet high. The cross piece in the center was made of white asters, with an inscription, "Our Friend," in purple letters. At the top of the wreath was a large bow of rose colored chiffon and white satin ribbon. On the ribbon were the words, "City of Pittsburgh."

Through the kindness of the genial General Agent of the Pennsylvania Railroad Company, Mr. Robert Pitcairn, the committee and other members of Councils were enabled to go to Canton, Ohio, in a private coach properly decorated, to attend the funeral on Thursday, September 19, 1901. This committee was known as the "Pittsburg Committee," and was composed of the following named persons:

Charles S. Crawford, H. W. Diehl, W. E. Sankey, Chas. Cavett, Jno. F. Semmelrock, E. E. Siebert, Peter Hermes, Jos. G. Armstrong, John Lewis, Albert Zacharias, L. J. Fritz, Thos. Rodgers, Jno. J. Shenkel, Thos. Geary, M. J. Leslie, Louis P. Schneider, John Benz, W. J. Zahniser, W. M. Culbertson, J. W. Ruhlandt, H. W. Hannah, Wm. E. Lang, F. D. Stonerod, John H. Voskamp, John Pedder, John A. Murphy, Dr. J. R. Vincent, Jas. W. Jack, T. O. Atkinson, E. G. Schwarzwaelder, Thos. H. Thorn and Geo. H. Wellinger.

In addition to the Councilmen just named, the following persons were also in attendance as members of the committee:

Rev. J. A. Johnston, Robert Clark, of the City Clerk's office; Wm. B. Hays, Delinquent Tax Collector; D. M. Miller, Assistant United States District Attorney; Jos. E. Lewis, City Controller; J. C. Gray, Assistant City Attorney; Geo. W. Gosser, Assistant Assessor; W. C. Gearing, Clerk Common Council; E. W. Lindsay, of the City Clerk's office; John Burke, of the City Recorder's office; Frank Krehan, Assistant Superintendent at City Farm; T. D. Carnahan, Assistant City Attorney. The Pittsburgh daily papers were also represented.

This committee was assigned the third place in the civic representation in the funeral procession; the committees from Niles and Cleveland, Ohio, preceding Pittsburgh. Upon the arrival at Canton the committee was conducted to the Chief Marshal, who called an aid to conduct the committee to the place where it was to join the funeral procession. The committee remained together, as a body, the entire day, and was anxious, willing and ready at a moment's notice to join the funeral procession; but after waiting until almost train time, late in the afternoon, and seeing no prospect of being able to join the funeral procession, because of the great number of military participants, the committee was obliged to abandon that part of the program, and very reluctantly gave up the idea of participating in the funeral procession and proceeded to the train.

The committee was a representative Pittsburgh body. Each member took an interest in and thereby contributed his share towards making a success of the object of the journey. The conduct, character and showing of the committee was in perfect harmony with the occasion. It was the regret of each member that we could not march to the cemetery and bow our heads in grief before the tomb which contained all that was mortal of our dearly beloved President. American citizens, and particularly citizens of the City of Pittsburgh, all delighted to honor him; when he died all were plunged in sorrow, and all now feel that his name will be held sacred by a loving, loyal, united nation.

Respectfully submitted.

CHARLES S. CRAWFORD,
Chairman.

Mr. **Clark** presented

No. 1095.

To Select and Common Councils:

The petition of John Wesley represents that he is the owner of a certain lot situated in the Twenty-first ward of the City of Pittsburgh, Pa.: Beginning on the southern side of Frankstown avenue, at line of property now or late of Rebecca Holmes; thence along line of said Holmes property southeastwardly one hundred and one and eight-tenths (101 8) feet to a fifteen-foot alley; thence in an eastwardly direction along the western line of said alley twenty seven and ninety-hundredths (27.90) feet, more or less, to line of property of —— Means; thence westwardly along line of said Means property one hundred and seventeen and fifty-hundredths (117.50) feet to Frankstown avenue; thence southeastwardly along the southern line of said Frankstown avenue forty-two and ninety-six-hundredths (42.96) feet, more or less, to the place of beginning; being purpart marked "O" in the plan attached to the deed of partition among the heirs of Jacob Dahlem, deceased, as recorded in the office for recording deeds, etc., in and for the County of Allegheny, in Deed Book, volume 448, page 669.

He purchased said lot on the 8th day of March, 1895, at an Orphans' Court sale of the property of James P. Dahlem, made by his administrator in pursuance of an order of the Orphans' Court, for the payment of debts, for the sum of $8,550.00. That at the time he purchased said lot the city taxes for

the years 1894 and 1895 were a lien on said lot and were divested by said sale, and the said taxes should have been collected out of the said purchase money, which your petitioner paid into the Orphans' Court for distribution, That the City of Pittsburgh has filed liens at D. T. D. No. 1526, December Term, 1896, and at D. T. D. No. 856, December Term, 1895, for said taxes, which said liens are a cloud on the title of your petitioner's property.

Therefore, your petitioner prays that your honorable bodies will by resolution direct the City Attorney to satisfy said lien, and charge the costs to the City of Pittsburgh.

JOHN WESLEY.

Also

No. 1096. *Resolved*, That the City Solicitor be and he is hereby authorized and directed to enter satisfaction on the record of tax liens D. T. D. No. 1526, December Term, 1896, and D. T. D. No. 856, December Term, 1895, and charge the costs to the City of Pittsburgh.

Which were referred to the Committee on Finance.

S. C. No. 1063. WHEREAS, It is absolutely necessary for the City of Pittsburgh to lay water pipe upon the property heretofore owned and occupied by Thomas G. McClure et al., on Bartlett street, between Murray avenue and Wightman street, in Twenty-second ward, Pittsburgh, because the street is about to be graded and paved and sidewalks laid, and because said pipe can be laid much cheaper now than in the future, especially when if laid in the future said paving would have to be partially torn up, and especially as a large number of houses are erected and being erected on said street.

WHEREAS, It appears no sufficient appropriation has been made for the fiscal year 1901 to enable the City of Pittsburgh to itself lay said pipe; now, therefore, be it

Resolved, That the City of Pittsburgh hereby gives its consent to Thomas G. McClure et al. and the said Thomas G. McClure et al. are hereby expressly authorized and empowered to lay the said pipes under the direction and supervision of the Director of the Department of Public Works of said City, and at a cost to to be approved by him, the said Director.

Provided, That the City of Pittsburgh shall have the right and option at its election to purchase from said Thomas G. McClure et al. all of the said pipes, plugs and appurtenances laid or established under this agreement at any time in the future it sees fit so to do for a price not exceeding the actual cost of the laying and establishing of said pipes, plugs and appurtenances, together with six per cent. (6

C. C. No. 1797. *Resolved*, That the Recorder of the City of Pittsburgh is authorized and directed to forthwith enter into a contract with the Pennsylvania Water Company for furnishing a water supply to that portion of the Twenty-second ward of the City of Pittsburgh more particularly known as Wilkins place.

Which was read.

ARTICLES OF AGREEMENT.

Made and entered into this——day of————A. D. 1901, between the Pennsylvania Water Company, a corporation of the State of Pennsylvania, hereinafter termed the party of the first part, and the City of Pittsburgh Pennsylvania, hereinafter termed the party of the second part.

WHEREAS, the Wilkins Place Plan of Lots laid out by the Security Investment Company is situated partly within the eastern boundary of the City of Pittsburgh, Twenty-second ward, and

WHEREAS, this portion of said Plan of Lots is located distant from the mains of the City of Pittsburgh, and

WHEREAS, the party of the first part has a pipe line adjacent thereto but without the City limits, and is willing to extend its pipe line into the said territory.

Therefore, it is mutually covenanted and agreed:

First—That the party of the first part shall lay and complete in that part of Wilkins Place situated within the Twenty-second ward of the City of Pittsburgh, a line of eight inch pipe on Hutchinson avenue, Sanders avenue, and two unnamed alleys, approximately twenty-two hundred feet in length, and lines of six inch pipe, approximately twelve hundred feet in length, on three unnamed alleys and on Trevonian avenue in said Wilkins Place, together with the required specials, gate valves, gate boxes, fire hydrants, etc., as shown on attached plan, and in accordance with the requirements hereunto attached of the party of the second part relating to the character of the workmanship and material.

Second—The said pipe line is to be laid with materials of the present standard and design of the party of the second part, and under the supervision and according to the directions of and at the grade to be furnished by the party of the second part. The party of the second part to furnish the grade and inspect the work without expense to the party of the first part.

Third—The party of the first part hereby agrees to furnish a water supply to private consumers, who may take water from said pipe line in the same manner and at the same rates as are now charged other consumers by the said first party.

Fourth—The party of the first part agrees to furnish water for fire purposes only through six (6) fire hydrants located on said pipe line,

and the said second party agrees to pay therefor at the rate of fifty ($50.00) dollars per annum, payable semi-annually, for each and every fire hydrant so located.

Fifth—It is expressly covenanted and agreed that the party of the second part shall have the right at any time, upon six months notice given to the party of the first part by the Director of the Department of Public Works of the City of Pittsburgh, to purchase all of the above named pipe line, including the pipes, valves, fire hydrants, etc., upon payment to the party of the first part of the actual cost of construction of the same, which is to be ascertained at the time the pipe line is laid, and the party of the first part agrees to furnish proper and satisfactory proof of said cost to the party of the second part at the time the pipe line is laid, but it is expressly agreed that the party of the second part shall in no event pay more than five thousand dollars ($5,000) for said pipe line, and that said sum is to be without interest.

Sixth—The party of the first part shall not be required to make extensions of its pipe line into the territory of the City of Pittsburgh, adjacent to said Wilkins place, except upon terms and conditions to be hereafter agreed upon.

Seventh—It is expressly agreed that whenever the party of the second part shall purchase the said pipe lines and extensions, the party of the first part shall relinquish at once all claim and right whatsoever to enter said territory with its pipe line or connections, and the party of the second part agrees to purchase said pipe line before entering said territory with its pipe lines or connections. In making this contract, each party covenants expressly in every particular for itself, its successors and assigns.

Eighth—On the purchase of the said pipe line by the said second party, the party of the first part shall file with the party of the second part, at the office of the Superintendent of the Bureau of Water Supply and Distribution, a record of each service connection made to the said pipe line.

Executed in duplicate the day and year aforesaid.

No. 1118.

PITTSBURGH, PA., October 21, 1901.

To the Select and Common Councils of the City of Pittsburgh:

GENTLEMEN:—The petition of the undersigned respectfully represents: That the McCandless Avenue M. E. Church property, on which the church is erected, is situated on McCandless avenue, between Carnegie street and Dresden alley.

That some time during the year 1898 McCandless avenue was graded, paved and curbed, and a lien filed at No. 93 August Term, 1899, against the property of the said church for the cost of the improvement, $483.00.

That the congregation is a poor one, and unable to raise much money.

That during the present year your petitioner, who represents said church and is its pastor, has succeeded in raising sufficient money to pay the face of said lien, and in doing so has exhausted all his sources of revenue.

That, in addition to said sum, there has now accumulated on said judgment the interest since December 20, 1899.

He therefore asks, on behalf of the congregation, that judgment may be satisfied on payment of the said principal sum, the interest remitted, and the costs charged to the city.

And he will ever pray, etc.

L. McGUIRE,

Pastor McCandless Ave. M. E. Church.

The **Chair** (Mr. **Thorn**) presented

No. 1127.

CITY RECORDER'S OFFICE,
PITTSBURGH, PA., October 17, 1901.

To the Select and Common Councils of the City of Pittsburgh:

I respectfully return herewith Resolution S C. No. 995, which provides "that the contract awarded to the Standard Underground Cable Company, of Pittsburgh, Pa., by J. O. Brown, Director Department of Public Safety, on June 24, 1901, for furnishing wire for the Department of Public Safety for one year, beginning May 1, 1901, shall be approved," without my approval, for the following reasons:

First—The said supposed contract was not awarded in accordance with the provisions of the present City Charter, but in violation of the provisions thereof.

Second—The forms of law governing the letting or awarding of such a contract were disregarded.

Third—The City Recorder and City Controller have been ignored throughout the entire proceeding, the matter only coming to the attention of the City Recorder by the receipt of the said resolution of Councils; no such contract has been filed with the City Recorder, nor copy furnished the City Controller.

Fourth—The said proceeding of the Director of the Department of Public Safety was in violation of the provisions contained in the existing Charter of the city; and for these reasons I am constrained to withhold my approval of said resolution,

Respectfully submitted,

A. M. BROWN,
City Recorder.

Which was read, received and filed.

And

S. C. No. 995. Resolution approving contract awarded to Standard Underground Cable Company, by J. O. Brown, Director Department of Public Safety, for furnishing wire for the Department of Public Safety for one year, beginning May 1, 1901.

Was read.

And on the question, "Shall the resolution become a law, notwithstanding the objections of the City Recorder?"

The ayes and noes were taken agreeably to law, and were:

AYES—Messrs.

Atkinson	Murphy	Stewart
Benz	Mustin	Upperman
Fleming	Pedder	Vincent
Fritz	Perry	Voskamp
Hannah	Platt	Wainwright

Morgan	Shenkel	

Thorn, President Pro Tem.

NOES—Messrs.

Barry	Hermes	Kearns
Gallagher	Jones	Paul
Geary		

AYES—24.

NOES—7.

And there being three-fifths (3-5) of the votes of Select Council in the affirmative, the resolution passed, notwithstanding the objections of the City Recorder.

And the Clerk was directed to message the same to Common Council for concurrence.

Also

No. 1128.

CITY RECORDER'S OFFICE,
PITTSBURGH, PA., October 21, 1901.

To the Select and Common Councils of the City of Pittsburgh:

I respectfully return herewith Resolution S. C. No. 1078, which provides that the City Controller shall certify a warrant to the City Recorder "for the sum of four hundred fifty-three and 50-100 dollars, for hay track furnished the Bureau of Fire and charge the same to the account of Appropriation No. 21," without my approval, for the following reasons:

The resolution does not specify accurately the supposed liability of the city. The orders for the goods furnished appear to have been given on several dates, without previous advertisement and without bids, and the said alleged indebtedness was contracted in violation of the provisions of law contained in the city charter.

No contract was ever presented to the City Recorder, nor copy thereof furnished the City Controller.

For these reasons I am constrained to withhold my approval of the said resolution.

Respectfully submitted,

A. M. BROWN,
City Recorder.

Which was read, received and filed.

And

S. C. No. 1078. Resolution authorizing the issuing of a warrant in favor of Watt Manufacturing Company for the sum of $453.50, for hay track furnished the Bureau of Fire, and charge the same to the account of Appropriation No. 21.

Was read.

And on the question "Shall the resolution become a law notwithstanding the objections of the City Recorder,"

The ayes and noes were taken agreeably to law, and were:

AYES—Messrs.

Atkinson	Murphy	Stewart
Benz	Mustin	Upperman
Fleming	Pedder	Vincent
Fritz	Perry	Voskamp
Hannah	Platt	Wainwright
Hitchcock	Ruhlandt	Wilson
Johnston	Schneider	Zahniser
Morgan	Shenkel	

Thorn, President Pro Tem.

NOES—Messrs.

Barry	Geary	Kearns
Fichtel	Hermes	Paul
Gallagher	Jones	

AYES—24.

NOES—8.

And there being three-fifths (3-5) of the votes of Select Council in the affirmative, the resolution passed, notwithstanding the objections of the City Recorder.

And the Clerk was directed to message the same to Common Council for concurrence.

Mr. **Atkinson** presented

No. 1129. An Ordinance exonerating the Pittsburg Trust Company from the payment of certain assessments upon lots Nos. 594 and 785, in the Homewood Driving Park plan of lots, for the construction of a public sewer on Lang street, Kedron street, Murtland street and Hermitage street.

No. 1146.

To the Filtration Committeeof the City of Pittsburgh:

Gentlemen:—Your Sub-Committee appointed to prepare a report based upon the testimony already taken by your General Committee, declaring who is responsible for the delay in the preparation of the plans and the advertising for bids in relation to the proposed filtration plant of the city of Pittsburgh, would respectfully report:

That your sub-Committee met on Saturday, the 9th day of November, 1901, at 4:30 o'clock P. M., and after a careful study and analysis of the testimony and statements already taken by the General Committee on Filtration, report as follows:

That George W. Wilson, former Director of the Department of Public Works, was removed from office by the present Recorder on the 11th day of June, 1901; that prior to his removal he had had a competent corps of engineers and draughtsmen, including Messrs. Hazen, Miller and Lovegrove, working industriously and continuously upon the plans for the said filtration improvement up until the time of his said removal; that the said corps not only worked during the regular hours of the regular working days, but also worked overtime, and, in addition to that, also worked upon holidays.

That on the 11th day of June, 1901, Edward M. Bigelow was appointed by the present Recorder, Director of the Department of Public Works of the city of Pittsburgh, vice George W. Wilson, removed as aforesaid.

That on the 11th day of June, 1901, the said Miller, termed the resident engineer for said filtration improvement, visited the said Bigelow, director as aforesaid, and reported to him that sixty per cent. of the plans for the said filtration improvement, and sixty per cent. of the specifications therefor, were ready and fully completed, and that the same had been approved by the said Hazen and the said Miller, and were then ready for the approval of the said Bigelow, as the said director of the Department of Public Works of this City, and were in a full and complete condition for the advertising for bids for the building and construction of said filtration plant to this extent,—the river inlet, two sedimentation basins and twenty-five filtration beds, together with the pipeage and valves and all other appliances leading down to the clear water basin; this constituting sixty per cent. of the entire work, as aforesaid; that upon the said Bigelow, director, having the said specifications printed and placed in the usual and proper form for the reception of bids, the said bids could be taken and the contract for the above described work let.

That the said Miller from this time,—June 11th, 1901, up until the time he, the said Miller, was removed by the said Bigelow, to wit: upon the 1st day of August, 1901, not only invited, but urged the said Bigelow, as director as aforesaid, upon an average of at least twice a week to approve the said plans and specifications and to advertise for bids, as aforesaid.

The said statements and testimony, including the admissions of the said Bigelow, show conclusively that Mr. Bigelow had personal knowledge of what is hereinabove set forth, that he had possession of the plans and specifications during all of the time hereinabove mentioned, and still has possession of the same, and that he neglected and refused to visit the said office of the said Miller for the purposes

aforesaid, or to approve the said plans and the specifications, or to advertise for bids for the work hereinabove mentioned, or to do anything whatever, even looking to advertisements or proposals to bidders to do any of the said work, or to do any other matter or thing calculated to consummate the building of the said filtration plant, or any portion thereof.

That on the 25th day of June, 1901, notwithstanding the necessity for haste in regard to the plans and specifications, the advertising for bids and the construction of the said filtration improvement, the said Bigelow, Director of the Department of Public Works, to use his own expression, "Loaned" the said Lovegrove to the elevated railroad traction syndicate, and, in pursuance of the said "loan" the said Lovegrove devoted all of his time and attention to the elevated railroad traction syndicate, and did not work for or give any of his time or attention to the city of Pittsburgh, or to the filtration improvement, until August 1st, 1901, when, the elevated railroad traction syndicate having no further use for him, he returned to the employment of the city of Pittsburgh.

The said Lovegrove states that from the time he was "loaned," as aforesaid, up until the time he returned to the employment of the City, and, in addition to that, up to the present time, no progress whatever had been made, or had been attempted, looking to the completion of the plans and specifications for the filtration improvement, and that, with the exception of some changes which, according to the said Lovegrove's statement, where wholly unnecessary, nothing whatever had been done upon said plans. He explicitly stated that while some minor changes had been made upon said plans that, in his judgment, no improvement whatever had been made upon the same.

The testimony or statement of the said George W. Wilson, which testimony or statement was confirmed by other statements in the case, and particularly that of the said Miller, is substantially as follows:

That he, the said Wilson, during his continuance in office, was extremely anxious to have the plans and specifications finished; that he visited the office of the said Miller practically every day, urging upon him the necessity for haste and expedition; that in pursuance of the instructions and orders so given by the said Wilson, the work was pushed and expedited, as aforesaid, holidays and overtime being used in so doing, and that at the time of Mr. Wilson's removal the plans and specifications for sixty per cent. of the work, as aforesaid, had actually been completed and were ready for the printing of the specifications for proposals to bidders for the said sixty per cent. of the entire work; it was the intention of the Director of the Department of Public Works of the city of Pittsburgh at that time to advertise for and commence the construction of sixty per cent. of the work first, the said sixty per cent. of the work being the work hereinbefore specified; this to be followed by the other forty per cent., which could and must be furnished and finished later, to wit: the pure water basin and the pumping house, the pumping machinery and the appliances incident thereto, including the steel mains across the Allegheny river.

The testimony or statement of Mr. Bigelow admits that the said plans and specifications, and all papers pertaining to the same and to the said filtration improvement, were duly, promptly and regularly received by and receipted for by him at the time of his appointment to said office, as aforesaid, and that later, when he removed the said Miller, as aforesaid, he personally received from the said Miller all of the said plans and specifications, papers, etc., as aforesaid, and receipted in writing to the said Miller therefor. That from the time of his appointment,—June 11th, 1901, up to August 1st, 1901, the date upon which he removed the said Miller, he never visited the office of the said Miller, never inspected the plans or specifications, never approved the same, never gave any advice, instructions, encouragement or assistance to the said Miller or any of the said engineers in relation to any matter whatever embraced therein, from August 1st, 1901, to the present time, the said Bigelow, in his statement, failed to give the committee any information whatever as to any progress whatever, contenting himself with the remark in reply to several questions as to what he was doing that "he was going over the plans and that they would possibly be completed within thirty days." Nothing more specific could be obtained from him.

It might be proper to add at this place that the said Hazen, consulting engineer, wrote a letter, which is on file with the testimony in this case, setting forth that the plans and specifications for the said sixty per cent. of the work were fully completed on June 11th, 1901, and corroborates in said letter most strongly the statements of former Director Wilson, and the said Miller.

The said letter and all of the statements and testimony hereinbefore referred to, are attached to this report and made part hereof.

Your Sub-Committee therefore reports as follows:

FIRST: That George W. Wilson, former Director of the Department of Public Works, expedited and hastened the preparation of the plans and specifications for the said filtration improvement, during his continuance in office, to the greatest possible extent, and that no delay whatever was caused by him, nor is he in any way whatever chargeable with any delay in this matter.

SECOND: That since the appointment of Edward M. Bigelow as Director of the Department of Public Works, all of the delay incident to and complained of in connection with the said work, has been experienced, and from the statements, evidence and letter hereinbefore referred to, your Sub-Committee unanimously find that the said Edward M. Bigelow, director as aforesaid, is entirely and solely responsible for all of the delay that has occurred in this matter, and that the delays and hindrance to the completion of the plans and specifications for the said filtration plant have been gross and inexcusable.

THIRD: That all the statements and testimony submitted show and prove that all the plans and specifications for the sedimentation basins and the twenty-five filtering beds, lying north of the West Penn railroad, were completed and ready for the approval of the said Edward M. Bigelow, Director of the Department of Public Works, on June 15th, 1901, and that the aforesaid director failed to approve said plans and specifications, or in any way assist in the work so that operations could be begun upon the erection of said filtration improvement; therefore, be it

RESOLVED, That the said Edward M. Bigelow, Director, as aforesaid, is hereby ordered and directed to forthwith produce and furnish, within ten (10) days, to the Committee on Filtration of the City of Pittsburgh, for their approval, all the plans and specifications for the work lying north of the West Penn Railroad; and it is further

RESOLVED, That the said Edward M. Bigelow is directed to forthwith proceed, with the utmost diligence and haste, to the completion of the balance of the plans and specifications for the said filtration improvement, and submit the same to the filtration committee on or before Monday, December 2d, 1901.

All of which is respectfully submitted.

M. G. LESLIE, Chairman.
S. J. WAINWRIGHT, JR.,
JAMES M. CLARK,
Sub-Committee.

PROCEEDINGS of the Filtration Committee, at a meeting held on Saturday, November 9th, at 2 o'clock P. M., and statements and testimony of ex-Director of the Department of Public Works, Geo. W. Wilson, ex-resident engineer, Miller, consulting engineer Hazen, draughtsman Lovegrove, and the director of the department of public works, E. M. Bigelow, in connection with determining the cause of the delay of the completion of the plans and specifications of the filtration improvement.

The meeting was called to order by Chairman Upperman.

The clerk called the roll and there being a quorum present, the reading of the minutes of the previous meeting was dispensed with, and Chairman Upperman stated the purpose of the meeting by making the following statement:

"Gentlemen of the committee. This committee met on October 25th, the object of the meeting was to take action upon the ordinance which authorized the Director of the Department of Public Works and the Recorder to advertise for proposals and let a contract for the construction of a filtration plant. That ordinance was held over until the plans and specifications were prepared and produced before the committee. The Director stated that the plans were not ready, also stated that he did not know when they would be ready. He further stated that there was nothing done on the plans from March 1st to June 11th, this year. If that is true, then somebody has been negligent, and it is the duty of this committee to find out the cause of the delay. The chairman took upon himself the authority to notify Mr. Wilson, the former director of the department of public works, and Mr. Miller, the former engineer in charge of this work, to appear before the committee to-day. I ask that Mr. Wilson be heard."

Mr. McNeil moved that Mr. Wilson be given permission to speak. Which motion prevailed.

Mr. Wilson: "Do you desire me to make a statement?"

Mr. Upperman: "Yes, sir."

Mr. Wilson: "At the time I went out of office, June 11th, the plans and specifications for the sedimentation basins, receiving basins, twenty-five filter basins, and all work north of the railroad were ready, and the plans and specifications could have all been finished and the contract for the work could have been gotten ready to let in about three weeks. It was necessary to have plans and specifications printed and advertise the work. The work on the plans finished comprised about sixty per cent. of the whole work. The reason for getting this work ready first was that after the contract was let, the balance of plans and specifications could have been completed and the work north of railroad could have been advertised in two or three weeks."

Mr. Upperman: "All north of railroad?"

Mr. Wilson: "Yes, all north of railroad."

Mr. Upperman: "Were any plans and drawings ready for work south of railroad?"

Mr. Wilson: "Yes, sir."

Mr. Upperman: "Had you let contract for two sedimentation basins and twenty-five filter basins and receiving basins, the other work would have been done in much shorter time than the building of plant?"

Mr. Wilson: "Yes, sir."

Mr. Upperman: "Did you do no work after March 1st?"

Mr. Wilson: "Yes, sir; they worked constantly until I went out."

Mr. Upperman: "The engineers were working all the time from March 1st until you went out?"

Mr. Wilson: "Yes, sir. We had a great deal of trouble getting good draughtsmen. I got a couple from Mr. Brunner's department and some from Mr. Brown's, so as to expedite and push the work."

Mr. Upperman: "Did you consult with your engineer from time to time?"

Mr. Wilson: "Yes, sir; was in his office three or four times a week.

Mr. Upperman: "Did you do all in your power to expedite the work?"

Mr. Wilson: "Yes, sir; I was anxious to have the work completed."

Mr. Upperman: "Did you drill test wells?"

Mr. Wilson: "Yes, sir. We drilled wells, we wanted to determine whether we would tunnel under river or pipe it. It was determined to pipe river, and put the pipe in concrete."

Mr. Upperman: "What depth did you go?"

Mr. Wilson: "Don't remember the exact depth, but think about fifty feet."

Mr. Upperman: "How much on north side of river?"

Mr. Wilson: "I think about twenty-five feet, do not remember exactly."

Mr. Upperman: "Was it not seventy-five feet?"

Mr. Wilson: "Yes, I believe it was seventy-five feet."

Mr. Upperman: "There was a statement published in the Leader that some sixty plans were taken out of the filtration office when you and Mr. Miller went out of office."

Mr. Wilson: "There is no truth in that. I was in office up to the 10th day of June, and all the plans, comprising forty-two in number, were in the office at that time."

Mr. Upperman: "All the plans, drawings and specifications were in the office?"

Mr. Wilson: "Yes sir; every one of them were in the office. I saw them the day before I went out, and they were all there."

Mr. Clark: "Mr. Wilson, you took office in June, 1900. What work had been done when you took office?"

Mr. Wilson: "None whatever."

Mr. Wilson: "Mr. Chairman, I desire to present to the committee, through you, a letter I received from Mr. Hazen."

The clerk read the letter, which was as follows:

Allen Hazen, Consulting Engineer.

St. Paul Bld'g, New York, Nov. 6. 1901.
Mr. George W. Wilson,
218 Stratford avenue,
Pittsburgh, Pa.

Dear Sir:—I have your letter of November 5th, asking me as to the condition of the plans and specifications of the filtration plant and during the time that you were Director of Public Works, and asking how much time it would have required to place these plans and specifications in shape to advertise the work, and how much work these plans would have covered. As these questions relate only to the period of your administration, when I had the honor of reporting to you, I think it is proper for me to give you the information requested.

The work of preparing plans and specifications was commenced about December 1st, 1900. Surveys of the land had been previously made. The work was prosecuted rapidly until early in April. At that time plans for the sedimentation basins and filters had been substantially completed, and a draft of specifications made for the same. The work so covered amounted to considerably more than half of the whole work. The plans and specifications could have been printed, corrected and advertised in at most two or three weeks at any time after the middle of April. These plans and specifications did not cover the pure water reservoir, the river crossing nor the pumps and pumping station, as it was our intention to let these other matters follow the main contract as rapidly as convenient. The plans and specifications also did not cover at that time some of the minor fixtures of the filtration plant which were capable of being added afterward, and which were not necessarily included in the main contract. Work upon these appurtenances were continued by Mr. Miller and by Mr. Chase until the 11th of June; but beyond occasionally corresponding with them and giving general advice, I gave no personal attention to the work after the middle of April and during your term of office.

Mr. Chase was present in Pittsburgh as my representative all of this time, and I enclose a statement which he has made to me of the work accomplished during this period.

Very truly yours,
ALLEN HAZEN.

New York, November 6, 1901.

Mr. Allen Hazen,
Consulting Engineer.

Sir:—Referring to your inquiry about the work in Pittsburgh from the middle of April to June 11th, I would state that during April we were lettering the plans and checking them, and making small additions and corrections. During May and until June 11th, I was designing the regulating apparatus and sand washers, and doing some work on the designs of the pure water reservoir.

Respectfully yours,
R. D. CHASE.

Mr. Leslie moved that the letter be filed and made a part of the minutes of the committee. Which motion prevailed.

Mr. Upperman: "Mr. Miller, you were employed by the city of Pittsburgh as resident engineer to prepare plans and specifications for the filtration plant?"

Mr. Miller: "Yes, sir."

Mr. Upperman: "At what date were you first employed?"

Mr. Miller: "I was employed on August 1st, 1900."

Mr. Upperman: "How long did you continue in the employ of the city?"

Mr. Miller: "Until the first day of August, 1901."

Mr. Upperman: "It has been stated that you had done no work upon the plans and specifications of the filtration plant from March 1st, 1901, to June 11th, 1901."

Mr. Miller: "I worked upon the plans until I was removed from office."

Mr. Upperman: "As you were the engineer in charge of the work, will you state what was done and what shape and condition were those plans and specifications in when you left the employ of the City?"

Mr. Miller: "From March 1st, we were working on the forty-two original plans, which were to be used for the first letting, comprising all work north of the West Penn Railroad. These plans were completed, except a few little details. The pipe line from railroad, which was to convey the raw water from river to receiving basin, the plans for water line, receiving basin, sedimentation basins and pipeage from regulators which conveyed water to filter beds proper, all masonry and pipeage of the twenty-five filter

basins, the outlet pipes, which conveyed water from filter beds to gate houses, the plans for the buildings containing the sewerage system of the whole plant, together with all which constitutes the northern site of plant north of the West Penn Railroad, the pipeage from the different regulator houses to the Freeport road, upon which large steel pipe was to be laid. Those plans were completed, ready for letting and specifications written for the same. That was to comprise the first contract, which would absorb almost sixty per cent. of the money set apart for filtration. The next contract we were going to work up was for the pure water reservoir. We made plan of by-brace, pipe lines crossing Allegheny river, forbray and connection to Brilliant Pumping station ready for tracings, which would take about two or three weeks in making. This could have been completed while the specifications and plans north of the railroad were being printed and bound.

Gave Mr. Wilson, and also Mr. Bigelow, from the first day he came into the office, this information. Those plans were our study plans and had been completed. Received a complete record of the well which was drilled on the Brilliant side, and drilled well on other side 123 feet deep. Found very little rock, and the one on the north side had very little rock, if any. Thought it was not feasible to build tunnel under river and so agreed with Mr. Hazen and Wilson. I turned my attention to pipe line to convey pure water to Brilliant station. Concluded to put in steel pipes and section of concrete, then again we thought we would put it in of cast iron. Those plans could have been completed from two to three weeks after Mr. Bigelow entered upon his second term. As to the pumping station proper, boilers, connections, etc., intake to Allegheny river, they were secondary matters. The contract above the railroad would have consumed a year and a half and the other two about ten months. The third contract was a matter we had to wait for until after the letting of contracts for pumping engines and machinery, etc., in order to know how large a house we were going to set over the machinery. When Mr. Hazen stopped coming to Pittsburgh about the middle of April, it was at my request. I thought that I would not need him, as I wanted to save his time, and would need him more after the construction of the work began, than I did in the making of the plans. The intake of course naturally follows the building of engine house proper. There were a few details to work out. There yet remained a plan to be made for sand washer and other minor details, which could have been let in a separate contract. I laid those things aside until after April. Completed plans north of railroad after April, in every detail. During the months of April, May and June the sand washing apparatus, indicating apparatus, tunnel under railroad and sand car was all completed. On the first day of Mr. Bigelow's incumbency, at 4 o'clock in the afternoon, I went to him and had a short talk with him. Told him the contract could be let at any time within ten days or two weeks. He suggested that it would be good weather to lay pipe line across the river. I went to my office after getting the hint, and started the boys on pure water reservoir. I went to him at least once and some weeks two times, to keep him posted on operations of my office, and invited him to my office to look at the plans, but during my incumbency he was not in the office of the Bureau of Filtration, nor did he give me any encouragement."

Mr. Leslie: "Did he examine the plans?"

Mr. Miller: "No, sir; he promised to, but never came."

Mr. Upperman: "Whom had you employed in your office as draughtsmen about that time?"

Mr. Miller: "Wesley S. Wakefield, Richart D. Chase, Walter W. Lovegrove, Charles Lambie and a young man by the name of Rebrick. He made plans and records of the wells that were drilled."

Mr. Upperman: "Did those draughtsmen all remain with you until you left office?"

Mr. Miller: "No, sir; Walter Lovegrove left the later part of June. The first that I knew that he was going to leave me I learned from Emil Swenson, at the dinner table at the Hotel Duquesne. He told me he was going to take one of my men from me, Mr. Lovegrove. Shortly after Mr. Lovegrove came personally and said he had been asked to help Mr. Swenson out in elevated railway matters. I told Mr. Bigelow, he promised me other men, but never got them. This left me short of men during June and July."

Mr. Upperman: "Did Mr. Lovegrove tell you himself that he was going to work for elevated people?"

Mr. Miller: "Yes, sir."

Mr. Upperman: "This man was important to you upon plans and specifications?"

Mr. Miller: "Yes, sir; was familiar with every detail and I could trust him in the work."

Mr. Upperman: "What time was this man taken from your office?"

Mr. Miller: "About June 25th."

Mr. Upperman: "During all that time were you short of competent draughtsmen?"

Mr. Miller: "Yes, sir. Mr. Rebrick was also taken away from me."

Mr. Upperman: "Did you have another draughtsman?"

Mr. Miller: "I had Mr. Chase."

Mr. Upperman: "Had you any others?"

Mr. Miller: "Had Mr. Wakefield. He did outside work, and made profiles of bottom of river, and connecting Brilliant Pumping Station with pure water reservoir. Mr. Wakefield worked out details of pipe line across the river; made little pencil plans of it and made plan of masonry for outside."

Mr. Upperman: "You were not given a man in place of Mr. Lovegrove?"

Mr. Miller: "No, sir; nor in place of Mr. Rebrick."

Mr. Upperman: "That crippled your department?"

Mr. Miller: "Yes, sir."

Mr. Upperman: "The elevated railroad was more important than filtration?"

Mr. Lambie: "It is very important for this committee to know what became of plans that you had completed and prepared."

Mr. Miller: "I left all the plans in the office of the Filtration bureau. I took a general receipt from Mr. Bigelow of four lots of plans."

Mr. Lambie: "Have you the receipt?"

Mr. Miller: "Yes, sir."

Mr. Lambie: "Have you it with you?"

Mr. Miller: "No, sir."

Mr. Lambie: "Did it enumerate the plans?"

Mr. Miller: "No, sir. It was a general receipt for four lots of plans."

Mr. Lambie: "You left the plans in the office?"

Mr. Miller: "Yes, sir; in the office I had occupied."

Mr. Lambie: "In your desk?"

Mr. Miller: "They were left with Mr. Chase."

Mr. Lambie: "Do you know what became of them?"

Mr. Miller: "I do not know."

Mr. Lambie: "Was your name put upon plans that you prepared?"

Mr. Miller: "Yes, sir; Mr. Hazen and I signed them. My name was on forty-two plans."

Mr. Lambie: "Those plans went into the possession of the director, and you got the director's receipt?"

Mr. Miller: "Yes, sir."

Mr. Lambie: "Are they now in the possession of the engineers at Aspinwall?"

Mr. Miller: "I believe they are."

Mr. Lambie: "The plans you prepared are the ones being used now?"

Mr. Miller: "Yes, sir; I believe so."

Mr. Leslie: "You stated that the plans and specifications you prepared would consume sixty per cent. of the money appropriated for filtration purposes?"

Mr. Miller: "Yes, sir."

Mr. Leslie: "You stated that the pure water basin and piping would consume about eight months. How long do you figure, would it require to complete pumping engines?"

Mr. Miller: "The longest time would have been in the construction of the engines. In about one and a half years you could have completed the whole plant if we had got the pumping engines."

Mr. Zahniser: "You had completed the plans of the inlet, two sedimentation basins, twenty-five filtration beds and all pipeage down to receiving basins?"

Mr. Miller: "Yes, sir. All that was necessary were the specifications and prints and compare them and have them bound, and then we were ready for the advertising."

Mr. Zahniser: "How long would it take?"

Mr. Miller: "About three weeks."

Mr. Upperman: "Mr. Miller, did Mr. Hazen approve the plans and sign them and recommend them to the director of public works for his approval, and also the specifications?"

Mr. Miller: "Yes, sir."

Mr. Upperman: "The pure water basin was complete except making tracings?"

Mr. Upperman: "So far as the engine house was concerned you could not draw those plans and specifications until you knew the size of engines?"

Mr. Miller: "No, sir."

Mr. Leslie: "You intended to make three separate contracts?"

Mr. Miller: "Yes, sir."

Mr. Leslie: "You left office August 1st, it is now the 9th of November, could all plans, specifications, etc., have been completed by this time?"

Mr. Miller: "That would depend whether they had let the contracts for the pumps and boilers."

Mr. Leslie: "If the proper effort had been made could the plans and specifications have been ready to be let?"

Mr. Miller: "I believe it could."

Mr. Leslie: "In your judgment, you believe it could?"

Mr. Miller: "Yes, sir."

Mr. Leslie: "Were any of these plans approved by the director?"

Mr. Miller: "No, sir. He never indicated that he was interested in them."

Mr. Upperman: "Did he ever consult with you?"

Mr. Miller: "No, sir."

Mr. Upperman: "Had he any communication with you in reference to construction of plant?"

Mr. Miller: "He never gave me any order."

Mr. Leslie: "Under Mr. Wilson's administration were you in consultation with him about construction of plant?"

Mr. Miller: "Yes, sir; from three to six times a week. And when Mr. Hazen was in the city he was always present."

Mr. Leslie: "Did you all agree upon every proposition?"

Mr. Miller: "Yes, sir."

Mr. Leslie: "Did Mr. Wilson have any anxiety about the completion of the work?"

Mr. Miller: "Yes, sir. He was very anxious to complete it."

Mr. Leslie: "Did he give you all the assistance you needed?"

Mr. Miller: "Yes, sir."

Mr. Upperman: "In order to expedite the making of the plans and specifications, did you make your men work overtime, or upon holidays?"

Mr. Miller: "We worked every holiday, except Christmas and Fourth of July, during my time in the office."

Mr. Upperman: "At any other time?"

Mr. Miller: "Mr. Chase and I worked overtime many evenings. I worked at home on plans, checking and correcting

them, and would bring them back in the morning."

Mr. Upperman: "It said in the Pittsburgh Leader, in its issue of last evening, so I am informed, that there were sixty odd plans missing from the office of the filtration bureau, and they were taken out at the time you left there. Is that true?"

Mr. Miller: "I don't know. I know that I didn't take them."

Mr. Upperman: "You don't know of any person having taken them, do you?"

Mr. Miller: "I know nothing about it. When I left the plans and drawings were all there, and for which I received a receipt from the director of the department of public works."

Mr. Upperman: "Mr. Miller, have you any of the men whom were employed by you at this meeting?"

Mr. Miller: "Yes, sir; Mr. Lovegrove is here."

Mr. Stockdale moved that Mr. Lovegrove be heard. Which motion prevailed.

Mr. Upperman: "You are the gentleman that was taken by Mr. Swenson?"

Mr. Lovegrove: "Yes, sir. I went to the office of Mr. Swenson when I left Mr. Miller."

Mr. Upperman: "To what work were you assigned when you went there?"

Mr. Lovegrove: "To making plans for elevated railroad."

Mr. Upperman: "How long were you with Mr. Swenson?"

Mr. Lovegrove: "One day short of five weeks."

Mr. Upperman: "Where are you working now?"

Mr. Lovegrove: "I am now working for the city, at the filtration plant."

Mr. Lambie: "There are to my knowledge forty-two plans that were prepared by Mr. Miller, when he was filtration engineer. I believe Mr. Knowles now has charge of the work?"

Mr. Lovegrove: "Yes, sir; Mr. Knowles is now resident engineer, and is in charge of the work."

Mr. Lambie: "What is Mr. Knowles doing with those plans, is he using them?"

Mr. Lovegrove: "Yes, sir; every day. He is checking them and changing them."

Mr. Upperman: "Were the changes necessary?"

Mr. Lovegrove: "I don't think so."

Mr. Upperman: "You think the plans as drawn by Mr. Miller and Mr. Hazen complete and it is not necessary to change them?"

Mr. Lovegrove: "Yes, sir."

Mr. Leslie: "What is the object in changing them?"

Mr. Lovegrove: "I don't know."

Mr. Lambie: "I want to ask you whether they are making any plans in place of those Mr. Miller prepared?"

Mr. Lovegrove: "Not that I know of. They are just making changes in Mr. Miller's plans; they are substituting some new plans, but using his plans and tracings to copy from."

Mr. Stonerod: "During the five weeks that you were under the employment of the elevated railroad, from whom did you receive pay?"

Mr. Lovegrove: "From Mr. Swenson."

Mr. Stonerod: "Were you on the pay roll of the city?"

Mr. Lovegrove: "No, sir."

Mr. Stonerod: "Did you go to the elevated roads on your own accord?"

Mr. Lovegrove: "Yes, sir. I made application for the position."

Mr. Stonerod: "Who got you the position?"

Mr. Lovegrove: "I understood that I got the position through friends of mine on Fourth avenue, but afterwards understood that Mr. Bigelow was also instrumental in my getting the position. Mr. Bigelow said that he had as much to do with it as I had."

Mr. Stonerod: "Would you mind telling your friend's name on Fourth avenue who got you the position?"

Mr. Lovegrove: "No, sir. It was Mr. McNeil, of Patterson and McNeil."

Mr. Stonerod: "How did you happen to come back to the City?"

Mr. Lovegrove: "I heard from Mr. Miller that I was to be transferred to the city."

Mr. Upperman: "Would the elevated railroad people give you steady employment the same as the City?"

Mr. Lovegrove: "Yes, sir; I heard the position would last from five to six years."

Mr. Lambie: "You continued there about five weeks and were transferred back?"

Mr. Lovegrove: "Yes, sir."

Mr. Douthett: "At whose instance are the plans being changed?"

Mr. Lovegrove: "Mr. Knowles."

Mr. Leslie: "Have you made any progress in connection with this matter since the first of August?"

Mr. Lovegrove: "They have changed plans of pure water reservoir and pipe line, but no drawings are made."

Mr. Leslie: "Were the changes necessary?"

Mr. Lovegrove: "No, sir; I think not."

Mr. Leslie: "Are the changes improvements over plans Mr. Miller drew?"

Mr. Lovegrove: "I can't say."

Mr. McNeil: "You were conversant with drilling test wells?"

Mr. Lovegrove: "I was not."

Mr. McNeil: "Do you know whether it was necessary?"

Mr. Lovegrove: "I do not, but I went out to Aspinwall to see them."

Mr. Lambie: "This young man is a city employee, he is under orders and he is bound to do as he is directed."

Mr. Bigelow: "As far as Mr. Lovegrove is concerned, I am glad to learn that he is such a valuable man. Mr. Swenson,

the engineer, came to me and I referred him to Mr. Miller, and he said he could use him. We just loaned him, that was all. I want to say as far as I am concerned that it was the 5th day of April that Mr. Hazen was here last, Good Friday, he told me, that he did the last work for the City. If the plans and specifications were all completed as Messrs. Miller and Wilson claim, and Mr. Wilson was conversant with the plans and specifications he never signed them at all, and Mr. Miller and Mr. Hazen never signed them until July 26th, 1901."

Mr. Wilson: "I wish to explain my position in the matter. During my term in office it had always been my custom not to sign any plans or specifications until we were ready to advertise for proposals for the work. I had approved these plans and would have signed them."

Mr. Bigelow: "As far as these plans are concerned, on the 26th day of July Mr. Miller signed these plans without consulting me, and on the 28th day of July he brought requisition to my office for blue print paper, which I signed; the blue prints are not in my office."

Mr. Wainwright: "Could you make plans for those engines?"

Mr. Bigelow: "I could of have had them prepared."

Mr. Bigelow: "They talk of dividing this up into two or three contracts, you cannot do that. The law is that it be let in one contract. We are working on these plans as hard as we can. Mr. Hazen was here a few days ago, and will be here in a few days again."

Mr. Clark: "Why cannot this be divided up into more than one contract?"

Mr. Bigelow: "Because it is the law, the City Attorney so informed me, and I am not responsible for the law."

Mr. Clark: "But why can't it?"

Mr. Bigelow: "Because the money was all appropriated in one item, and the contract will have to be let the same way."

Mr.Clark: "Oh, I thought something in the new charter said that it could not be divided up."

Mr. Lambie: "To what extent have you adopted the plans made by Mr. Miller, if at all?"

Mr. Bigelow: "We have practically adopted them."

Mr. Leslie: "When was Mr. Hazen here last?"

Mr. Bigelow: "Within a week, I believe."

Mr. Leslie: "Was it his first visit since the first of last August?"

Mr. Bigelow: "Mr. Hazen up to the 15th of April had an agreement with Mr. Miller to come every two weeks, but at that date he was told not to come any more."

Mr. Lambie: "I don't suppose you are responsible for what I am going to ask, but it has been published in the newspapers that by referring the ordinance to this committee it has delayed the work. I find, on referring to the ordinance, that it was introduced in Councils on September 9th, 1901. Suppose it had been then approved, would you have been ready at any time after that to advertise for proposals for the contract? It came to our branch of Councils on October 14th, and was referred to this committee. If at that time it had been passed, would you have been even then prepared to advertise?"

Mr. Bigelow: "No, sir."

Mr. Lambie: "Then it has not been delayed by a reference to this Committee?"

Mr. Bigelow: "No, sir; I never said it was."

Mr. Leslie: "Mr. Miller, you are charged by Director Bigelow of getting blue print paper and taking away blue prints. Did you?"

Mr. Miller: No, sir."

Mr. Bigelow: "No, sir; I never said that. I said they were not there now."

Mr. Clark: "Mr. Bigelow stated here that it would be impossible to let contracts separate on account of the law. Mr. Bigelow is not interested in the work. His heart is not in the work."

Mr. Bigelow: "That is not so. Take that back."

Mr. Clark: "I was informed by a member of the filtration commission that Mr. Bigelow was not interested in the work, and would not try to hurry it. I am much opposed to this committee making a report on the ordinance without seeing the plans."

Mr. Lambie: "Mr. Bigelow, suppose that this committee was to return this ordinance on Monday affirmatively, and Select Council passed it, when would you be ready to advertise?"

Mr. Bigelow: "I can't say. Probably a month."

Mr. Lambie: "It is a mere estimate on your part?"

Mr. Bigelow: "Yes, sir."

Mr. Clark: "Is it correct, as stated by Mr. Miller, that you never visited his office to see the plans?"

Mr. Bigelow: "I don't know that I did."

Mr. Clark: "But did you?"

Mr. Bigelow: "If I had visited there he would say so."

Mr. Clark: "In making one letting of the contract, what will you do about the pumps?"

Mr. Bigelow: "Let the pumps to the same contractor as the balance of the work."

Mr. Wilson: "Mr. Chairman, I did not have any arrangement with Mr. Hazen for him to come every two weeks. He was to come only when necessary. The ordinance authorizing me to employ him covered the ground pretty thoroughly. I did not want him to come oftener than necessary, so that his services would not exceed the hundred days, which was to constitute a year's service. He received $4,000 for the year's service, and so much a day for every day over 100 days."

Mr. Clark: "Has Mr. Hazen's time expired, Mr. Bigelow?"

Mr. Bigelow: "No, sir; he is still in the employ of the city."

Mr. Douthett: "Why is it that the plans are not ready?"

Mr. Bigelow: "They are working on them now as fast as possible. I am giving them every advantage to work as fast as possible."

Mr. Leslie: "I move that this matter be referred to a sub-committee of three to prepare a report, the said committee to report to this committee at 1:30 o'clock P. M., Monday next."

Which motion prevailed.

And the chair appointed Messrs. Leslie, Wainwright and Clark.

And, on motion of Mr. Leslie, the committee adjourned.

Which was read.

Mr. **Upperman** moved

The adoption of the report and resolution.

Mr. **Thorn** moved

To amend by addiag the words "And a copy of the report and testimony be furnished the City Recorder."

The amendment was accepted by Mr. **Upperman.**

And on the question "Shall the Report and Resolution be adopted and copy of the same be furnished the City Recorder."

The ayes and noes were taken agreeably to law, and were:

AYES—Messrs.

Atkinson	Mustin	Stewart
Benz	Pedder	Thorn
Clark	Piatt	Upperman
Diehl	Rothweiler	Vincent
Fritz	Ruhlandt	Voskamp
Hitchcock	Sankey	Wainwright
Johnston	Schneider	Wilson
Morgan	Shenkel	Zahniser
Murphy		

Lambie, President.

NOES—Messrs.

Barry	Geary	Kearns
Fichtel	Hermes	Paul
Fleming	Jones	Perry
Gallagher		

AYES—**26.**

NOES—**10.**

And a majority of the votes of Select Council being in the affirmative, the Report was adopted.

And the Clerk was directed to message the same to Common Council for concurrence.

Mr. **Benz** moved

That Council do now adjourn.

Upon which motion Mr. **Murphy** demanded a call of the ayes and noes, and the demand having been sustained, the ayes and noes were ordered to be taken, and being taken were:

AYES—Messrs.

Barry	Hermes	Vincent
Benz	Morgan	Voskamp
Fichtel	Ruhlandt	Wainwright
Fritz	Upperman	Wilson
Gallagher		

NOES—Messrs.

Atkinson	Kearns	Rothweiler
Clark	Murphy	Sankey
Diehl	Mustin	Schneider
Fleming	Paul	Shenkel
Geary	Pedder	Stewart
Hitchcock	Perry	Thorn
Johnston	Piatt	Zahniser
Jones		

Lambie, President.

AYES—**13.**

NOES—**23**

So the motion did not prevail.

Mr. **Clark** presented

From special committee appointed on October 8th, 1901, to make inquiry into C. C. Bill No. 1725, C. C. Bill No. 1726 and C. C. Bill No. 1740.

No. 1147.

To the Select Council of the City of Pittsburgh,

GENTLEMEN:—Your committee, appointed on October 8th, 1901, to make inquiry into C. C. Bill No. 1725, C. C. Bill No. 1726 and C. C. Bill No. 1740, respectfully report as follows:

That said committee met on November 6th, 1901, and heard Director Bigelow, whom it had invited to be present. Director Bigelow stated that it was not true that three of the five horses mentioned in Ordinance C. C. Bill No. 1725, had died; that he personally purchased said five horses last summer at a little less than $250.00 a piece; that he did not advertise or receive any bids; that he does not at present need all of the ten horses mentioned in Ordinance C. C. Bill No. 1726; that he has not already purchased the six street sweepers mentioned in Ordinance C. C. Bill No. 1740; and that he does not need all of the six street sweepers now.

Your Committee finds that it is impossible for it to determine definitely whether said three horses are dead or alive. Director Bigelow stated that they are living, but produced no proof. While your committee is informed from other sources, and the statement of Mr. Barry on the floor of Councils, that said horses are dead. Whether dead or alive your committee finds that Director Bigelow purchased said five horses in violation of the law, Section 1, Article XV. new Charter, which reads: "All contracts relating to city affairs shall be let to the lowest responsible bidder after reasonable notice." This was not done, as no bids were taken by Director Bigelow. The section further reads: "When the contract exceeds $250, such notice shall be by advertisement; when less than that amount advertisement may be dispensed with." This was not done by Director Bigelow. Said section further says: "Every contract shall be let by the City Recorder and head of the proper department, and all bids shall be received publicly by them, at a time and place to be designated in the advertisement or notice to bidders, and shall be opened at said meeting, and the figures stated to bidders then present." This was also not done by Director Bigelow.

Your committee therefore reccommends that Ordinance C. C. Bill No. 1725, should be indefinitely postponed, as it is unlikely the Recorder would sign it if passed, being clearly a violation of the law.

Your committee further finds that Ordinances C. C. Bill No. 1726 and C. C. Bill No. 1740, are what might be called "Omnibus Ordinances," similar to the omnibus ordinance under which Director Bigelow employs men in his department, without consent of councils, and therefore wholly inadvisable.

Your committee further finds that the streets of Pittsburgh are now in a deplorable condition, only little repairing having been done

in the last three or four months, and little or no attempt made to keep them clean and healthy, and therefore recommends that whatever horses and sweepers are in immediate need should be inserted in the said ordinance, but your committee was unable to ascertain from Director Bigelow what that number is, and therefore recommends that the said ordinances be held until such information is obtained and proper amendments made to said oidinances.

JAMES M. CLARK,
J. W. RUHLANDT,
W. J. ZAHNISER,
Sub-Committee.

Which was read, received and filed.

Also

C. C. Bill No. 1725. An Ordinance entitled "An Ordinance providing for the approval of the letting of a contract for the purchase of five horses for the Bureau of Highways and Sewers."

Which was read.

Mr. **Clark** moved

That further action upon the bill be indefinitely postponed.

Mr. **Thorn** moved

That further action upon the bill be postponed until the next regular meeting.

Upon which motion Mr. **Fleming** demanded a call of the ayes and noes, and the demand having been sustained, the ayes and noes were ordered to be taken, and being taken were:

AYES—Messrs.

Atkinson	Johnston	Thorn
Benz	Morgan	Wainwright
Diehl	Platt	Wilson
Fritz	Stewart	Zahniser
Hitchcock		

Lambie, President.

NOES—Messrs.

Barry	Kearns	Ruhlandt

Fitchel	Mustin	Schneider
Fleming	Paul	Shenkel
Gallagher	Pedder	Upperman
Geary	Perry	Vincent
Hermes	Rothweiler	Voskamp
Jones		

AYES—**14.**

NOES—**22.**

So the motion did not prevail.

And the question recurring upon the motoin to indefinitely postpone

Mr. **Thorn** demanded a call of the ayes and noes, and the demand having been sustained, the ayes and noes were ordered to be taken, and being taken were:

AYES—Messrs.

Atkinson	Mustin	Stewart
Clark	Pedder	Thorn
Diehl	Platt	Upperman
Fritz	Rothweiler	Vincent
Hitchcock	Ruhlandt	Voskamp
Johnston	Sankey	Wainwright
Morgan	Schneider	Wilson
Murphy	Shenkel	Zahniser

Lambie, President.

NOES—Messrs.

Barry	Gallagher	Kearns
Benz	Geary	Paul
Fichtel	Hermes	Perry
Fleming	Jones	

AYES—**25.**

NOES—**11.**

So the motion prevailed.

Mr. **Ruhlandt** moved

That Council do now adjourn.

Upon which motion Mr. **Murphy** demanded a call of the ayes and noes, and the demand having been sustained, the ayes and noes were ordered to be taken and being taken were:

AYES—Messrs.

Atkinson	Hitchcock	Schneider
Barry	Johnston	Stewart
Benz	Jones	Thorn
Fichtel	Morgan	Upperman

Lambie, President.

NOES—Messrs.

Clark	Murphy	Sankey
Diehl	Mustin	Shenkel
Fleming	Perry	Vincent
Geary	Platt	Zahniser
Kearns	Rothweiler	

Before the announcement of the vote Messrs. **Paul** and **Pedder** asked and obtained leave to change their votes from "aye" to "noe."

And the ayes were **20.**

And the noes were **16.**

So the motion prevailed.

And Council adjourned.

Messrs. **Leslie** and **Magee**, Committee from Common Council, having been introduced, announced that Common Council desired to meet with Select Council in joint session for the purpose of administering the Oath of Office to Mr. Joseph O. Brown, City Recorder.

Mr. **Thorn** moved

That the Clerk be directed to notify Common Council that Select Council was now ready to meet with Common Council in joint session for that purpose.

Which motion prevailed.

And Common Council was so notified.

And Select Council proceeded to the Common Council chamber.

And Council being so met in

JOINT SESSION

for the purpose of administering the oath of Office to Mr. Joseph O. Brown, City Recorder,

The **Chair** (Mr. **Lamble**) said:

"This is a joint session of the Select and Common Councils of the City of Pittsburgh, called for the purpose of administering the oath of office to the Recorder nominate, and such other business as may come before this body."

Mr. **Magee** moved

That a committee of five be appointed to notify the Recorder and inform him that Councils are now ready to administer the oath of office, and install him in his new position.

Which motion prevailed.

The **Chair** appointed Messrs. **Magee**, **McNeil** and **Bigham** on behalf of Common Council, and Messrs. **Thorn** and **Fleming** on behalf of Select Council.

Mr. **McNeil**:

"I thank you for the honor conferred upon me, but I must decline to serve."

The **Chair** then appointed Mr. **Zacharias** on the committee in place of Mr. **McNeil**.

The Committee having retired, appeared, and Mr. **Magee** said:

"Mr. President and Gentlemen of the Select and Common Councils, I have the pleasure to present to you Mr. Joseph Owen Brown, who has been appointed City Recorder of Pittsburgh, by His Excellency the Governor."

Mr. **Magee** presented

1162.

In the Name and by the Authority of the

Commonwealth of Pennsylvania,

Executive Department.

TO ALL TO WHOM THESE PRESENTS SHALL COME, GREETING:

Know Ye, *That reposing especial trust and confidence in the prudence, integrity and ability of*

J. O. Brown,

OF THE COUNTY OF ALLEGHENY,

and under authority of the Constitution and Laws of the said Commonwealth, in such case made and provided, I have appointed and do by these presents Commission him to be

CITY RECORDER OF THE CITY OF PITTSBURGH,

IN THE

COUNTY OF ALLEGHENY

AND

COMMONWEALTH OF PENNSYLVANIA,

VICE ADAM M. BROWN.

He is, therefore, *to have and to hold the said office, together with all the rights, powers and privileges thereunto belonging, or by law in anywise appertaining until the first Monday in April, Anno Domini, 1903, and until his successor shall be duly elected and qualified, unless sooner superceded by me or other lawful authority, if he shall so long behave himself well.*

This *appointment to compute from the date hereof.*

Given *under my hand and the Great Seal of the State, at the City of Harrisburg, this Twenty-first day of November, in the year of our Lord one thousand nine hundred and one, and of the Commonwealth the one hundred and twenty-sixth.*

By the Governor: *Wm. A. Stone.*

SEAL

W. W. Griest,
Secretary of the Commonwealth.

Which was read.

Chairman **Lambie.**

"We do not receive and file the commission, as it belongs to Mr. Brown."

Chairman **Lambie.**

"Are you ready to take the oath of office?"

Mr. Brown—"Yes."

And Mr. Brown took and subscribed to the oath of office, as follows:

No. 1163.

OATH OF OFFICE.

STATE OF PENNSYLVANIA,
County of Allegheny,
City of Pittsburgh, } ss.

I do solemnly swear that I will support, obey and defend the Constitution of the United States and the Constitution of this Commonwealth, and that I will discharge the duties of my office with fidelity; that I have not paid or contributed, or promised to pay or contribute, either directly or indirectly, any money or other valuable thing, to procure my appointment, except for necessary and proper expenses expressly authorized by law; that I have not knowingly violated any election law of this Commonwealth, or procured it to be done by others in my behalf; that I will not knowingly receive, directly or indirectly, any money or other valuable thing for the performance or non-performance of any act of duty pertaining to my office, other than the compensation allowed by law.

Sworn and subscribed before me, the undersigned, this twenty-fifth day of November, A. D. 1901. } J. O. BROWN.

JOHN S. LAMBIE,
[Seal] President of Select Council.

Mr. **Magee** presented

No. 1164. Official bond of Joseph O. Brown, City Recorder, in the sum of twenty-five thousand dollars, with The Mercantile Trust Company of Pittsburgh, Pa., as surety.

Which was read.

Chairman **Lambie.**

"The bond is approved by the Governor, and it is also proper for Councils to approve it."

Mr. **Leslie** moved

That the bond be approved.

Which motion prevailed.

Chairman **Lambie:**

"The Chairman of Select Council takes great pleasure of introducing to you the Recorder of Pittsburgh, who has been appointed to serve from the present time until April, 1903."

Mr. Brown said:

Mr. Chairman and Gentlemen of Councils:

Having been connected with the City Government upwards of fourteen years, I have full and personal appreciation of the duties, obligations and responsibilities of this great office of City Recorder. I accept the trust with the promise that I shall discharge all its duties with integrity and efficiency.

My duties are great. Your responsibilities are large.

I am the executive. You the legislative

You enact. I execute.

My responsibilities and yours are equal. We are co-partners of a great trust. We are the servants of a great city.

Let us stop and stay the hand of disease and death by at once building and putting in operation the Filtration plant, upon lines laid down by the eminent Filtration Commission, and upon specifications understood by the taxpayer when he voted for the bond issue. These specifications shall and will be presented to you before you vote the money necessary for the plant.

Let us be wise and liberal in providing the money necessary to purchase the ground upon which to build the great Polytechnical School of Mr. Carnegie. To this school I shall willingly give my time, labor, energy and best efforts. I believe this coming Industrial school will be a greater blessing to this city of industries than would be the locating here of the Capital of this mighty nation.

I shall stand as Recorder, as I did as Director, for a city free from vice; stand now, as then, the foe to the thief, the thug, and the gambler.

This is not the time for promises. This is the day for action.

You have a Charter Ordinance to pass, and much important legislation to consider. City Bridges, also, require prompt action.

This trust and its duties I shall discharge with fidelity to the city, loyalty to you, and with honor to the Governor who has committed this great trust to my keeping.

Mr. Brown said:

"I desire to make announcement of the following appointments."

Clarence Burleigh, City Solicitor.

J. Guy McCandless, Director Department of Public Works.

A. H. Leslie, Director Department of Public Safety.

George W. Wilson, Director Department of Charities and Correction.

Robert Ostermaier, Collector of Delinquent Taxes.

SINKING FUND COMMISSIONERS.

Hon. Robert Pitcairn,
George T. Oliver,
Hon. Robert S. Frazier,
James M. Guffey,
Charles Donnelly.

POLICE MAGISTRATES.

Bernard McKenna,
James V. McMasters,
David J. McGary,
Samuel F. Kerr,
John H. Armstrong.

CITY ASSESSORS.

Harvey Lowrey,
George W. Gosser,
Frank J. Klumpp.

I also announce that A. J. Pitcairn will be retained as Superintendent of the Bureau of Health.

Mr. **Leslie** moved

That the joint session do now adjourn.

Which motion prevailed.

And Select Council returned to its own chamber.

Mr. **Murphy** moved

That the action of the joint session be ratified and confirmed.

Which motion prevailed.

At this time President **Lambie**, who was not feeling well, called upon Mr. **Thorn** to preside during the meeting.

UNFINISHED BUSINESS OF COMMON COUNCIL.

C. C. Bill No. 1759. An Ordinance entitled "An Ordinance authorizing the construction of a sewer on Bingham street, from Bedford square to South Eighth street."

In Common Council October 14, 1901. Passed.

In Select Council October 14, 1901. Read and further action postponed until the next regular meeting.

Which was read a second time, and agreed to.

Mr. **Benz** moved

A suspension of the rule to allow the third reading and final passage of the bill.

Which motion prevailed.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

AYES—Messrs.

Atkinson	Hermes	Platt
Barry	Hitchcock	Rothweiler
Benz	Johnston	Ruhlandt
Clark	Kearns	Schneider
Diehl	Lambie	Stewart
Fichtel	Morgan	Upperman

Fritz	Mustin	Voskamp
Gallagher	Paul	Wainwright
Geary	Pedder	Wilson
Hannah	Perry	Zahniser

Thorn, President Pro Tem.

AYES—**34.**

NOES—None.

And a majority of the votes of Select Council being in the affirmative, the bill passed finally.

S. C. Bill No. 861. An Ordinance entitled "An Ordinance authorizing the opening and widening of Hamilton avenue (formerly Louden street and alley), from the line dividing the A. J. Woolslayer plan of lots from that of Dr. A. C. Murdoch plan of lots to Enterprise street, in the Twenty-first ward, and the assessment of damages caused by the grade of the same."

In Common Council September 30, 1901. Passed by a three-fourths vote, in accordance with the provisions of the Act of Assembly of May 22, 1895.

In Select Council September 30, 1901. Read a first time. Which was read a second time and agreed to.

Mr. **Clark** moved

A suspension of the rule to allow the third reading and final passage of the bill.

Which motion prevailed.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

AYES—Messrs.

Atkinson	Hermes	Platt
Barry	Hitchcock	Rothweiler
Benz	Johnston	Ruhlandt
Clark	Kearns	Schneider
Diehl	Lambie	Stewart
Fichtel	Morgan	Upperman
Fleming	Murphy	Vincent
Fritz	Mustin	Voskamp
Gallagher	Paul	Wainwright
Geary	Pedder	Wilson
Hannah	Perry	Zahniser

Thorn, President Pro Tem.

AYES—**34.**

In Common Council October 28, 1901. Passed.

Which was read.

Also

S. C. Bill No. 1027. An Ordinance entitled "An Ordinance authorizing the vacation of Second street, from Penn avenue to Duquesne way."

In Common Council October 28, 1901. Passed.

Which was read.

Also

C. C. No. 1895.

WHEREAS, Certain ordinances have been introduced, and are now pending in the Councils of the City of Pittsburgh, for vacation of First street, Second street and Green Tree alley, from Penn avenue to Duquesne way, and whereas, the ground abutting on said streets is owned by Mary E. Schenley, and whereas, certain paving, and other improvements were done by the City of Pittsburgh on First and Second streets, which were paid by said City.

Now therefore, for and in consideration of the passage of said ordinances vacating said streets and alley, the said Mary E. Schenley covenants and agrees to pay the paving of said streets, to-wit: the net amount paid by the City for the same. And she does further covenant and agree to protect and keep harmless any sewer or sewers which may now be located on said streets, and also to protect any water pipes which may be run through said property; and she does further agree that the City shall have access to said sewers and water pipe, when they may reasonably require the same. She further covenants and agrees to pay the curbing, paving and sidewalk as soon as said ordinances are passed by Councils and approved by the Recorder.

In witness whereof the said Mary E. Schenley has hereunto set her hand and seal by her agent and attorney in fact, John W. Herron, this 26th day of October; 1901.

MARY E. SCHENLEY,

By JNO. W. HERRON, Atty. in Fact.

In Common Council October 28, 1901. Read, accepted and filed.

Which was read, accepted and filed.

Mr. **Murphy** presented

No. 1165. KNOW ALL MEN BY THESE PRESENTS, that Mary E. Schenley, by her attorney in fact, John W. Herron, and F. F. Nicola, of Pittsburgh, are held and firmly bound unto the city of Pittsburg in the penal sum of two hundred thousand dollars, lawful money of the United States of America, to be paid to the said city of Pittsburg, its certain attorney or assigns, to which payment well and truly to be made, the said Mary E Schenley, by her attorney in fact, John W. Herron, and F. F. Nicola, bind themselves, their heirs, executors and administrators, and every of them, jointly and severally firmly by these presents.

In witness whereof, the said parties have hereunto set their hands and seals, this 11th day of November, A. D. 1901.

WHEREAS, the city of Pittsburgh has or is about to vacate First street, Second street and Green Tree alley from Penn avenue to Duquesne way in the First ward of the City of Pittsburgh; and whereas it is the desire of the party in interest to protect the said city from any damages which may by any possibility arise from said vacations.

Now, the condition of this obligation is such, that if the above bounden Mary E. Schenley shall save, defend, indemnify and keep harmless the said City of Pittsburg of and from any and all damages, actions, payments, costs, and charges, for or by reason of the vacation of said streets and alley, then this obligation to be void, otherwise to be and remain in full force and virtue.

MARY E. SCHENLEY, [SEAL]
BY JOHN W. HERRON, Atty. in Fact, [SEAL]
FRANK F. NICOLA. [SEAL]

C. C. No. 1880. WHEREAS it is absolutely necessary for the City of Pittsburgh to lay water pipe upon the property heretofore owned by William A. Minteer, being the Oakhurst plan of lots, Twenty-first ward, Pittsburgh, Pa., which plan has been duly ap

proved by the City, because the streets are being graded and paved and sidewalks laid, and because said pipe can be laid much cheaper now than in the future, especially when if laid in the future said paving would have to be partially torn up, and especially as a large number of houses are now being erected on said plan of lots.

WHEREAS It appears no sufficient appropriation has been made for the fiscal year of 1901 to enable the City of Pittsburgh to itself lay said pipe; now therefore, be it

Resolved, that the City of Pittsburgh hereby gives consent to said William A. Minteer, and the said William A. Minteer is hereby expressly authorized and empowered to lay said pipe under the direction and supervision of the Director of the Department of Public Works of said City, and at a cost to be approved by him, the said Director.

Provided, That the City of Pittsburgh shall have the right and option at its election to purchase from the said William A. Minteer all of said pipes, plugs, and appurtenances laid or established under this agreement at any time in the future it sees fit so to do for a price not exceeding the actual cost of the laying and establishing of said pipes, plugs, appurtenances, together with six per cent. (6 per cent.) interest thereon from the date of so laying and establishing to the date of the purchase by the said City of Pittsburgh.

And provided further, That the cost of laying and establishing said pipes, plugs, and appurtenances shall not in any event exceed the sum of eleven thousand ($11,000.00) dollars.

In Common Council November 11, 1901. Passed.

C. C. No. 1881.

WHEREAS, It is absolutely necessary for the property owners residing on the north side of Thomas street, between Lang avenue and Homewood avenue, Twenty-first ward, Pittsburgh Pa., to be provided with a water supply; and,

Whereas, It appears no sufficient appropriation has been made for the fiscal year of 1901 to enable the City of Pittsburgh itself to lay the necessary water pipe line for the required water supply; now, therefore, be it

Resolved, That the City of Pittsburgh hereby gives its consent to John Daub, and the said John Daub is hereby expressly authorized and empowered to lay the said pipe, under the direction and supervision of the Director of the Department of Public Works of said City, and at a cost to be approved by him, the said Director.

Provided, That the City of Pittsburgh shall have the right and option at its election to purchase from the said John Daub all of said pipes, plugs and appurtenances laid or established under this agreement at any time in the future it sees fit so to do for a price not exceeding the actual cost of the laying and establishing of said pipes, plugs and appurtenances, together with six per cent. (6 per cent.) interest thereon, from the date of so laying and establishing to the date of the purchase by the said City of Pittsburgh.

And provided, further, That the cost of laying and establishing said pipes, plugs and appurtenances shall not, in any event, exceed the sum of two hundred and seventy-five dollars ($275.00).

In Common Council November 11, 1901. Passed.

S. C. No. 1129. Resolution exonerating the Pittsburgh Trust Company from the payment of certain assessments upon lots Nos. 594 and 785, in the Homewood Driving Park plan of lots, for the construction of a public sewer on Lang street, Kedron street, Murtland street and Hermitage street.

WHEREAS, The City of Pittsburgh did construct a public sewer running along Lang street, Kedron street, Murtland street and Hermitage street;

And Whereas, The Pittsburgh Trust Company owns two certain lots of ground abutting on Lang street, to wit: lots Nos. 594 and 785 in the Homewood Driving Park plan of lots;

And Whereas, There has been assessed against the said lot No. 594 for the construction of said sewer, the sum of $47.01, with interest and costs;

And Whereas, There has been assessed against the said lot No. 785, for the construction of said sewer, the sum of $61.29, with interest and costs;

And Whereas, No assessment should have been made against the said lots, because of the fact that sufficient and ample sewerage for the said lots has heretofore been put in abutting upon said lots, and has been paid for by said lots; now, therefore, be it

Resolved, That the said Pittsburgh Trust Company shall be and is hereby exonerated from the payment of the said assessments upon the said lots Nos. 594 and 785 in the Homewood Driving Park plan of lots, as aforesaid, together with all interest and costs thereon, and the City Solicitor is hereby empowered and ordered to mark each and both of said assessments exonerated upon the books of the said City Solicitor, and in case liens be filed therefor, to satisfy the said liens of record, and charge the costs of the same to the City of Pittsburgh.

No. 1167. KNOW ALL MEN BY THESE PRESENTS, That Mary E. Schenley, by her attorney in fact, John W. Herron, and F. F. Nicola are held and firmly bound unto the City of Pittsburgh in the penal sum of fifty thousand dollars ($50,000.00), lawful money of the United States of America, to be paid to the said City of Pittsburgh, its certain attorney or assigns, to which payment well and truly to be made, the said Mary E. Schenley, by her attorney in fact, John W. Herron, and F. F. Nicola, bind themselves, their heirs, executors and administrators, and every of them, jointly and severally, firmly by these presents.

In witness whereof, we have hereunto set our hands and seals, this 9th day of December, A. D. 1901.

WHEREAS, The City of Pittsburgh has or is about to vacate Fort street and Point alley, from Penn avenue to Duquesne way, in the First ward of the City of Pittsburgh; and whereas it is the desire of the parties in interest to protect the said city from any damages which may by any possibility arise from said vacations,

Now, the condition of this obligation is such, that if the above bounden Mary E. Schenley shall save, defend, indemnify and keep harmless the said City of Pittsburgh of and from any and all damages, actions, payments, costs and charges, for or by reason of the vacation of said street and alley, then this obligation to be void, otherwise to be and remain in full force and virtue.

On motion of Mr. **Thorn** the reading of the minutes of the previous meeting were dispensed with.

The **Chair** presented

No. 1174.

To the Honorable, the Common and Select Councils of the City of Pittsburgh:

At a meeting of the Travelers' Club, held yesterday, a resolution was passed urging that your attention be called to the bill presented to Common Council by Mr. **Magee** in regard to making arrangements with the officials of Mercy Hospital to set aside a ward in their building for the care of catagious and infectious diseases. The feeling among club women and the public in general is that there is an urgent necessity for a separate hospital for contagious diseases. And in a city of this size there is a great need for a hospital of the kind.

Respectfully submitted,

E. L. MACRUM,

S. K. CUSTER,

CARRIE J. PHILLIPS,

Committee from the Traveler's Club.

Which was read, received and filed.

Mr. **Thorn** presented

No. 1175. Ordinance authorizing, empowering and directing the City Recorder and the Director of the Department of Public Works to employ Messrs. C. C. No. 1959.

PITTSBURGH, December 2, 1901.

To Select and Common Councils of the City of Pittsburgh:

GENTLEMEN:—Pittsburgh has many things to make her great. The temperate zone, the western world, this mighty republican nation, this great Keystone State, the centre of the "great State of Allegheny County;" magnificent rivers, fertile valleys, hills stored with coal and covered with wealth, earth beneath full of oil and gas, riches stored everywhere, above, beneath and around, as nowhere else

on earth. Natural resources of nature everywhere, awaiting muscle and brain, touch and skill of man, "a city beautiful for situation, the joy of the whole earth."

These are the material blessings that we are surrounded with by Him who holdeth the wealth of the Nations in His hands, to convert by work and labor, muscle and brain, skill and intelligence, into wealth, prosperity, happiness and greatness, in the development of the fullness of these natural and material resources in the center of these wonderful activities.

Many of our citizens, by their achievements in the industrial, manufacturing and commercial world, have attracted the attention of their fellow men everywhere, and stand in genuine greatness as citizens of no mean city. Greater and higher than all others stands one of our fellow-townsmen for his matchless achievements in the manufacturing and producing world. Accumulating by his brain, energy and matchless talent, riches and wealth far beyond any other man in the world of peaceful industries, living or dead. While developing and enriching himself with silver and gold, he has been developing a philanthropic spirit, and blessing mankind with a hand of liberality utterly unknown in any age of the world. Future years and future generations will award this man of peace a higher place in the temple of Fame than that of any man of War, ranking him among the noble and blest of earth.

Mr. Carnegie's benefactions and libraries girdle the globe. His palaces of Learning and Art are in many cities; he has poured millions into our own city; he is at our doors again proffering to found, establish and endow in this, his own beloved city, the greatest and grandest polytechnical school in any country. Our city should awake, appreciate and receive these good gifts with gladness. We should meet this universal philanthropist with wise and liberal provisions to receive this new and greatest of his gifts with wise and liberal provisions for the purchasing and securing of land upon which to establish this ever hereafter to be known and renowned Temple of Learning. Should meet him with the same intelligence, and the same wise and liberal policy, that we did when receiving his library, galleries and Art endowments.

In order that we may so act I would most respectfully suggest to your honorable bodies, as City Recorder, that you authorize and empower your Recorder to appoint a commission, composed of a certain number of your members and of distinguished citizens of our city, for the purpose of examining sites, conferring with Mr. Carnegie as to his wishes in this matter, and to recommend to your honorable bodies such measures as they deem wise and best in the premises; including the mode and manner of securing and paying for such site or sites.

And, as we are in the midst of a new era of unbounded prosperity and progress, and there is a tendency towards an awakening civic pride in our midst for the general good, welfare, peace and comfort of our people, I would further suggest that said commission examine into the necessity and feasibility of establishing and locating public baths in the congested portions of our city, so that the health and cleanliness, and life and happiness of our people, may be enhanced. And, also, that places of public comfort for men, women and children may be located in our public parks and in the congested and overcrowded business portions of our great city. And such other material and municipal improvements as they may deem wise to call your attention to and recommend for your consideration.

I, would, therefore, as City Recorder, most respectfully urge that you would carefully consider these matters, and, if consistent with your sense of public propriety and necessity, you authorize the appointment of the aforesaid commission to report these things for your consideration at an early day, together with the mode and manner of paying for and placing the same among the municipal improvements of our city.

Respectfully submitted,

J. O. BROWN,

City Recorder.

In Common Council December 2, 1901. Read, received and filed.

Which was read, received and filed.

C. C. No. 1960.

Resolved, That a committee of twelve be appointed by the City Recorder, to consist of the President of Select and Common Councils and Chairman of the Finance Committee, and nine citizens of this municipality, to consider and investigate all matters included in the communication of the City Recorder hereto attached; including the examination of sites for the proposed Polytechnical school, the mode and manner of paying for the site ultimately secured for the same, the necessity and feasibility of establishing and locating public baths in congested portions of this city, the locating places of public comfort in the business portions of this city, and in our public parks, and such other material and municipal improvements in our city as may be wise and proper, and report in writing to J. O. Brown, the City Recorder, who shall transmit such report to Councils accompanied with such suggestions and recommendations as he may deem necessary and expedient.

S. C. No. 1132.

PITTSBURGH, November 2, 1901.

To the Select and Common Councils of the City of Pittsburgh:

GENTLEMEN:—The undersigned was employed as a laborer in Highland Park for the month of February, 1901; that there was issued, in payment for his service, warrant No. 1293, on Appropriation No. 36, Parks, for $36.00; that said warrant was lost or destroyed, and has never been presented for payment; that ten months having elapsed since the warrant was lost, your petitioner believes it is fair to infer that it will never be presented for payment.

Your petitioner, therefore, prays that a resolution may be passed ordering the issuing of a duplicate warrant in payment of said $36.00.

And he will ever pray, etc.

JOHN OSTERRITER.

In Common Council December 9, 1901. Read, received and filed.

Which was read, received and filed.

S. C. No. 1133. WHEREAS, Warrant No. 1293, on Appropriation No. 36, Parks, issued in February, 1901, to John Osterriter, for $36.00, has been lost or destroyed, and never presented for payment; therefore, be it

Resolved, That the City Controller be and he is hereby authorized and directed to issue his certificate on the City Recorder for a duplicate warrant in favor of John Osterriter for the sum of $36.00, chargeable to Appropriation No. 36, Bureau of Parks.

S. C. No. 1173. Resolution authorizing and empowering the Glenwood Land Company to lay water pipe on Renova street, from Second avenue northwardly for a distance of about 1,500 feet, in the Twenty-third ward, Pittsburgh.

WHEREAS, It is absolutely necessary for the City of Pittsburgh to lay water pipe upon the property heretofore owned by the Glenwood Land Company, on Renova street, from Second avenue northwardwardly for a distance of about 1,500 feet, in the Twenty-third ward, Pittsburgh, as said pipe can be laid much cheaper now than in the future; and

WHEREAS, It appears no appropriation has been made for the fiscal year of 1901, to enable the City of Pittsburgh to itself lay said pipe; now, therefore, be it

Resolved, That the City of Pittsburgh hereby gives its consent to the Glenwood Land Company, and the said Glenwood Land Company is hereby authorized and empowered to lay the said pipe, under the direction and supervision of the Director of the Department of Public Works of said City, and at a cost to be approved by him, the said Director.

Provided, The City of Pittsburgh shall have the right and option at its election to purchase from the said Glenwood Land Company all of said pipes, plugs and appurtenances, laid or established under this agreement, at any time in the future it sees fit so to do, for a price not exceeding the actual cost of the laying and establishing of said pipes, plugs and appurtenances, together with four per cent. interest thereon, from the date of so laying and establishing to the date of the purchase by the said City of Pittsburgh.

And provided, further, That the cost of laying and establishing said pipes, plugs and appurtenances shall not, in any event, exceed the sum of five thousand dollars.

C. C. No. 1976. WHEREAS, It is very desirable that water pipe be laid along the north side of Clearview street, from Stanton avenue west for about five hundred and fifty-eight (558) feet, in order to supply a number of houses already built along said side of said street; and

WHEREAS, It appears no sufficient appropriation has been made for the fiscal year of 1901 to enable the City of Pittsburgh itself to lay the said pipe line; now, therefore, be it

Resolved, That the City of Pittsburgh hereby gives its consent to Robert F Thuma and Mary Keilhocker, and the said Robert F. Thuma and Mary Keilhocker are hereby expressly authorized and empowered to lay the said water pipe line under the direction and supervision of the Director of the Department of Public Works of said city, and at a cost to be approved by him, the said Director.

Provided, That the City of Pittsburgh shall have the right and option, at its election, to purchase from the said Robert F. Thuma and Mary Keilhocker all of the said pipes, fire hydrants, gate valves or other appurtenances laid or established under this agreement, at any time in the future it sees fit so to do, at a price not exceeding the actual cost of the laying and establishing of the said pipes, fire hydrants, gate valves and other appurtenances, together with four (4) per cent. interest thereon from the date of so laying and establishing to the date of the purchase by the said City of Pittsburgh.

And provided further, That the cost of laying and establishing the said pipe line, with all appurtenances, shall not, in any event, exceed the sum of one thousand dollars ($1,000.00).

C. C. No. 1997.

To the Select and Common Councils of the City of Pittsburgh.

GENTLEMEN—Your Committee on Apportionment of Members of Common Council respectfully report:

The sworn return of the several ward assessors, to the President of Common Council, show the number of resident taxables in the different wards to be as follows:

First ward	1,034
Second ward	698
Third ward	307
Fourth ward	520
Fifth ward	1,062
Sixth ward	2,934
Seventh ward	1,774
Eighth ward	2,327
Ninth ward	950
Tenth ward	937
Eleventh ward	4,169
Twelfth ward	3,274
Thirteenth ward	5,426
Fourteenth ward	8,782
Fifteenth ward	1,655
Sixteenth ward	3,891
Seventeenth ward	4,097
Eighteenth ward	2,951
Nineteenth ward	5,606
Twentieth ward	6,972
Twenty-first ward	5,685
Twenty-second ward	2,554
Twenty-third ward	5,181
Twenty-fourth ward	2,070

Thirty-sixth ward	898
Thirty-seventh ward	1,726
Thirty-eighth ward	909

Making a total of 96,979 resident taxables.

The ratios of representation were ascertained by dividing the total number of taxables by 40, the divisor fixed by Act of Assembly, and are as follows:

The number of resident taxables necessary for one member, 2,425; for two members, 3,880; for three members, 6,305; for four members, 8,730. In accordance with these ratios, the Fourteenth ward is entitled to four members; the Twentieth ward, to three members. The following wards are entitled to two members each: Eleventh, Thirteenth, Sixteenth, Seventeenth, Nineteenth, Twenty-first, Twenty-third and Twenty-seventh wards. The balance of the wards will each have one member.

Under this apportionment, Common Council will consist of fifty-one members. The Fourteenth and Twenty-seventh wards will each gain one member.

Your Committee has prepared an ordinance providing for the apportionment of Common Council, which they herewith present.

Respectfully submitted,

W. A. MAGEE,
GEO. W. MCNEIL,
EMIL SPARR,
THOS. E. PERRY,
JOHN J. SHENKEL.

On motion of Mr. **Thorn** the reading of the minutes of the previous meeting was dispensed with.

Mr. **Ruhlandt** presented

No. 1219.

WHEREAS, Our fellow-member and President, **John S. Lambie,** has this day completed his twenty-fifth year of continous service as the representative in Select Council from the Eighth ward; and

WHEREAS, It is fitting, under the circumstances, that this body should express its estimate of his worth and the esteem with which the members regard him; it is therefore

Resolved, That Mr. **Lambie,** during all his term of service, has displayed great regard for the welfare of the entire city, and at the same time jealously guarded the interests of his immediate constituents; that he has always acted conservatively and honestly on all matters brought before this body, displaying wise judgment in all his actions; that as a presiding officer he has been impartial and fair in all his rulings; that in his intercourse with his fellow-members he has been courteous, kind and friendly, and has won for himself the esteem and respect of all.

Which was read.

The **Clerk** called Mr. **Murphy** to the chair.

Mr. **Johnston** moved

That the resolution be adopted and spread upon the minutes of Council.

The **Chair** having called for remarks,

Privilege of the floor was granted CLARENCE BURLEIGH, City Solicitor.

And Mr. BURLEIGH said:

"I have been deputed by the members of this body to perform what is to me a very pleasant duty, and that duty is nothing more nor less than to present a physical and substantial token of esteem from the members of the Select Council to Mr. **Lambie.**

"In the dark days of 1861 he shouldered his musket and went to the front to do battle for his country and his country's flag; returning after the war, he entered in the quiet pursuits of civil life, and afterwards he was called by his own ward to be a member of this, the higher branch of the City Councils. Twenty-five years ago he entered on his duties as a member of this body, and since then he has served continuously, and for twenty-five years, without a break, has been the representative of his ward in this important branch of the city government.

"During this time he has seen the city government under charter after charter; he has seen the city wrought within and without by external and internal dissensions, and he has, during all these changes, had the faith of his constituents, who time after time, without a single exception, regularly returned him to the seat he has so long and acceptably filled.

"He has always done his duty and has done it well. A short time ago he was elected President of the Select Council, which position he has most admirably filled. To-day, Mr. **Lambie,** as a mark of esteem and as a

substantial token of appreciation for what you have been and for what you are, the members of Select Council present to you this clock, something on which the eye can rest and which will sometimes bring to your mind the regard in which you are held by your fellow-members.

"This body and every one connected with the government of this city hope your remaining years will be the most pleasant years of your life, and that your days may be long upon the land which the Lord, thy God, giveth thee, and that you will long retain the exalted position you fill with so much credit to yourself and so much advantage to this municipality."

Attached to the clock presented by Mr. BURLEIGH was the following inscription:

To

JOHN S. LAMBIE,

From the

Members of Select Council,

As a tribute to his faithful service as a Member of Select Council of the City of Pittsburgh for twenty-five successive years.

January 8, 1877. *January* 8, 1902.

Mr. **Lamble** said:

"MR. CHAIRMAN, FELLOW MEMBERS AND MR. BURLEIGH—It is true, as you have said, that twenty-five years ago to-day I was sworn in as a member of the Select Council. At that time the Select Council met in the room on the other side of the rotunda. During the twenty-five years that have followed my constituents have, time after time, re-elected me to the responsible office of Select Councilman from my ward. I do not see that I deserve such an honor, any more than I deserve this honor that you have done me to-day. It has certainly not been for any distinguished ability on my part. I have always endeavored to do my duty as I saw it and I believed it to be, and I don't believe any more is required than for us to do our duty as we see it and to the best of our ability.

"When I came here, as my friend has said, the city was in a far different position than now. The water works now in use were then being constructed. I remember well the day which was set apart for a visit by Councils to inspect the engines at the Brilliant station, and during the inspection they broke down. The water works has long since been completed. The paid fire department has been largely increased. The city is now lit by electric light; then we used gas. The progress of the city has been steadily onward. I don't claim that Councils are responsible for all this, for the citizens had much to do with it, but Councils never retarded, nor never held back. They were always in the vanguard in making these improvements, as they are to-day in making others.

"During the campaign now going on you will be subject to attacks. I listened to a most bitter attack upon members of Councils the other evening, but said nothing. All I have to say is that duty requires us to act to the best of our ability, and to our own conscience to be true, and you have then done the full measure of your duty. It is not done by following the advice and suggestion of others unless our own judgment and conscience may approve. But I didn't come here to defend councils or my fellow members, as they are, I believe, able to take care of themselves.

"I have, during the past twenty-five years, met very many men within this chamber from the different walks of life. My learned friend, Mr. Burleigh, was at one time a member of this body, and the gentleman to his right, Dr. McCandless, was a member then. Judge Mellon, Judge Kennedy, Old Father Shipton, James Littell and many more I cannot recall have served in this branch with me. Some have retired, and some have crossed the great divide and are now on the other side. Among them was the gentleman who used to sit over there but a short time ago, our friend McCleary. Also, Col. Dick Herron, Wm. A. Herron, Henry I. Gourley, George Booth and a number of others that I cannot now recall. A tear to their memory.

"After I had been here twenty-one years, I was elected Chairman of this body, and I am happy to say that, during the four years that I have occupied the chair, there has never been an appeal from my decision. I do not say that I have never committed errors; I have committed them, but by the kindness and good will of my fellow-members those errors have been corrected without any appeals. There have been differences, but I firmly believe that there is no root of bitterness on the part of any of my fellow-members of Councils. I am sure that there is none on my part. I to-day cherish for all my fellow-members a sincere and warm regard. If I have done my duty I deserve to be congratulated, and I am sure you believe that I have. As long as my constituents permit me to serve, I will endeavor to serve them faithfully. As to the emblem of your regards that you have so kindly presented to me, I beg to say I appreciate it most heartily, and trust that the prediction of Mr. BURLEIGH may prove true, namely, that it may tick off for me many more years of happiness and usefulness.

"Less than one year ago I did not believe I would be here to-day. My friend, Dr. McCandless, knows how near I came to not being here. I have reason to thank him and my wife for the care and attention which have restored me to health. If my constituents care to return me to this body in two years hence I will endeavor to perform my duty to the best of my ability."

Mr. **Magee,** member of Common Council from the Fourteenth ward, arose and asked the privilege of speaking upon the resolution on behalf of the members of Common Council.

Which was granted.

And Mr. **Magee** said:

"Having served with our friend, I desire to say, on this occasion, that a quarter of a century is a long time, and these years have brought **John Lambie** from a young fellow of that period to a man of middle life rounding out his work. He served in this Council through different periods, when, as now, the town and party with which he was associated was torn by factional differences, and when the Republican party was almost torn end

from end. He lived through that period and served through it well. He has taken an active part in every debate of any importance on the floor of this Council during his term of service.

"At the end of twenty-five years all who have served with him are ready to speed him on his way, bearing the strong affection of his friends, the respect of his opponents and the hearty good wishes of all."

And the question being on the motion of Mr. **Johnston,**

The motion prevailed by a unanimous vote.

Mr. **Thorn** moved

That Council do now adjourn.

Which motion prevailed.

And Council adjourned.

On motion of Mr. **Thorn** the reading of the minutes of the previous meeting was dispensed with.

Mr. **Stewart** presented

No. 1220. An Ordinance authorizing, empowering and directing the Director of the Department of Public Safety to appoint and employ an assistant veterinary surgeon, and fixing the salary thereof.

Which was referred to the Committee on Public Safety.

Mr. **Wilson** presented

No. 1221. An Ordinance providing for the letting of a contract or contracts for furnishing and laying cable from Department of Public Safety building to Engine Houses Nos. 32, 33 and 34, and furnishing and installing booster for same.

Also

No. 1222. An Ordinance providing for the letting of a contract for furnishing one hook and ladder truck for the Bureau of Fire.

Also

No. 1223. Resolution authorizing the issuing of a warrant in favor of Robbins Electric Company for the sum of $116.65, for wire furnished the Bureau of Fire, and charge the same to the account of Appropriation No. 21.

Also

No. 1224. Resolution authorizing the issuing of a warrant in favor of Doubleday-Hill Electric Company for the sum of $128.41, for wire furnished the Bureau of Fire, and charge the same to the account of Appropriation No. 21.

Which were severally referred to the Committee on Public Safety.

Mr. **Murphy** presented

No. 1225. Resolution authorizing the issuing of a warrant in favor of E. M. Semmelrock for the sum of $162.75, for furnishing undertaking and ambulance service to Department of Charities and Correction, and charge the same to Appropriation No. 38.

Which was referred to the Committee on Charities and Correction.

Also

No. 1226. An Ordinance authorizing, empowering and directing the Director of the Department of Public Safety to appoint and employ one additional inspector in the Bureau of Building Inspection, and fixing the salary thereof.

Which was referred to the Committee on Public Safety.

Mr. **Thorn** presented

No. 1227. Resolution authorizing and empowering Samuel S. Brown to lay water pipes, etc., in the Twenty-third ward of the City of Pittsburgh.

Which was referred to the Committee on Public Works.

Mr. **Ruhlandt** presented

No. 1228. An Ordinance authorizing, empowering and directing the City Solicitor to appoint and employ one additional Assistant City Solicitor, and fixing the salary therefor.

Which was referred to the Committee on Finance.

Mr. **Fichtel** presented

No. 1229. WHEREAS, Maple Park is wholly without a playground or a level plot sufficient in size to accommodate the needs of the now very large and growing population of the Hill Top; and

WHEREAS, Maple Park has become a popular resort, many thousands of people having given their presence to the various entertainments and celebrations held there since the

opening thereof; and by its situation it is believed that this park will shortly be the centre of a very large population, and thereby meet the just requirements of such a condition; and

WHEREAS, A large plot of level land adjoins Maple Park at Gearing avenue, Delmont and Montooth streets, this now being used by the people for sport and recreation as a part of the park property; and furthermore, the land referred to is now about to be built by private owners, which, if carried out, will gravely injure the city property and take away from the people a much-needed tract of land, which can now be purchased at a much lower price than at any time hereafter. And, moreover, the purchase of the said land is calculated so to increase the surrounding values for assessable purposes that the city will shortly largely profit thereby through a return in taxes; and

WHEREAS, It is manifestly necessary and good management of the municipal affairs that the said land should be acquired by the city; therefore, be it

Resolved, That the Committee on Finance be requested to place the sum of $30,000 in the Appropriation bill for 1902 for the purchase or condemnation of property adjoining Maple Park at Gearing avenue and Delmont and Montooth streets.

Which was referred to the Committee on Finance.

The Clerk of Common Council having been introduced, announced that that body requested a meeting with Select Council in Joint Session for the purpose of announcement of the appointments to the Joint Standing Commmittees, in accordance with Section 37 of the new Charter Ordinance, and was now ready to meet for that purpose.

Mr. **Shenkel** moved

That the Clerk notify Common Council that Select Council was now ready to meet with that body for the purpose of announcement of the appointments to the Joint Standing Committees, as per request of that body.

And Common Council having been so notified, Select Council proceeded to the Common Council Chamber for that purpose.

And Councils being so met in

JOINT SESSION,

The Presidents of Select and Common Councils announced their appointments of the

JOINT STANDING COMMITTEES,

in accordance with Section 37 of the new Charter Ordinance, as follows:

No. 1231.

To Select and Common Councils of the City Pittsburgh:

GENTLEMEN:—We, the undersigned, City Recorder and Director of the Department of Public Works, would respectfully state and represent that the South Tenth street bridge, over the Monongahela river, has been closed for upwards of one year to vehicle travel because of its unsafe and dangerous condition. Recently the unsafe condition of said bridge has grown so serious that it is deemed wise and prudent to appoint a commission of eminent engineers for the purpose of making a thorough and careful examination of the condition of said South Tenth street bridge. This commission was composed of W. P. Miller, Emil Swenson, E. K. Morse and John Brunner. These engineers on yesterday, January 16, 1902, made a personal and careful examination of said bridge, and made report in writing to the undersigned, which said report is hereto attached and made part of this communication, for the purpose of your full and complete information on the subject. Said report fully shows a highly dangerous condition of said bridge, both as to foot travel and to the river interests; it states that any high wind or further slight scouring of the river under the piers may at any moment cause said bridge to collapse and fall into the river, carrying with it any person or persons who may be traveling thereon, and imperiling the lives of any river craft who may be thereunder or near by.

Your city officials believe that it is their imperative duty to take immediate action in the premises, and yesterday closed said bridge to any and all traffic. And acting further upon the report of said commission and its recommendation that in view of the serious and dangerous condition of said bridge, "that it would be wise and prudent and safe on the part of the City of Pittsburgh to at once remove the entire wooden superstructure, and the north river pier as well. This, in our judgment, would absolutely eliminate the danger to traffic on the river to steam and coal boats from the falling of this bridge, and would also save the city a considerable amount in the contract cost of the new piers, if same can be constructed without the menace of a dangerous structure overhead." This report was unanimously signed by all of said engineers.

Your City Recorder and Director of the Department of Public Works, believing that it would be to the best interest of the city, have advertised, this January 17th, for bids and proposals for the removal of the four wooden spans and the north pier of the South Tenth street bridge, across the Monongahela river, Said sealed proposals to close on Thursday, January 23, 1902, at 10 A. M. And your city officials are informed that the cost of the removal of said South Tenth street bridge and said pier will not be in excess of the sum of $12,000, and will be a great advantage and saving to the city. We, therefore, further unite in requesting the passage of an ordi-

nance appropriating the sum of ten thousand dollars, or so much thereof as may be necessary, for this removal contract.

The removal of this bridge of course destroys a convenient and necessary public thoroughfare and highway between Second avenue and South Tenth street, and must of necessity greatly inconvenience the traveling public and interfere with public travel until a new bridge can be erected.

Bond money for the erection of this bridge has been available for upwards of two years, and your City Recorder and Director of the Department of Public Works earnestly urge the immediate passage of an ordinance authorizing the erection and construction of this South Tenth street bridge at an early a day as possible. And they recommend and urge upon your honorable bodies that a bridge fifty feet wide, which width would also include two six-foot foot-passenger sideways and a 32-foot street roadway, which would give a public thoroughfare equal to the roadway on Fifth avenue between Market street and Wood street, which contains two railway tracks and side roads for vehicles going in either direction.

A bridge of such a character, the City Engineer states, will not cost in excess of $320,000 00.

As nothing can be done in the premises until legislative action has been provided for it is earnestly urged that you take prompt and immediate action upon this urgent and most important public business.

Respectfully submitted,

J. O. BROWN,
City Recorder.

J. GUY MCCANDLESS,
Director Department of Public Works.

PITTSBURGH, PA., January 16, 1902.

J. GUY MCCANDLESS, ESQ.,

Director of Department of Public Works.

DEAR SIR:—We, the engineers appointed to examine and report on the safety of the Tenth street bridge, crossing the Monongahela river, beg leave to submit the following report:

Having this day personally visited the said bridge, and after having carefully examined the same, we find that the north shore pier, adjoining the right of way of the B. & O. R. R. Company, is in bad condition, and although showing no new cracks, the old ones existing in said pier for several years past have, since the bridge has been in the possession of the City of Pittsburgh, widened, to the personal knowledge of two of the engineers.

The north river pier, next adjoining the above pier, is in the most serious condition from recent scouring; the lower or downstream half of the pier being undermined to such an extent that the whole pier has tilted bodily down stream, throwing the courses of masonry nearly two feet out of level in the length of the pier at the water line, and in doing so the lower courses of the masonry on the down-stream end have been crushed to such an extent that the pier is totally wrecked. In fact, we believe that this pier is now materially assisted in retaining its present position by the lateral stiffness of the trusses. This pier has not only tilted down stream, but is leaning very perceptibly toward the shore pier first above mentioned. These movements have been continuous and of recent origin, as is shown by large, fresh cracks, many of which are several inches in width, and whole stones, as well as large pieces of stones, have fallen out and disappeared.

The south river pier and the south shore pier are both leaning toward the north shore, as evinced by numerous vertical cracks and crushing and fresh spalling of the stones in the bottom courses on the north side of said piers.

The superstructure throughout shows the effect of the said leaning of the piers northwardly, and even more so in its alignment from the tilting down stream of the north river pier.

At this point the arches for a considerable distance from the pier have followed the pier down stream for several feet, taking the lower cords of the trusses along with them; the top cord remaining nearly in the original alignment, held there by the stiffness of the top lateral bracing, showing an overturning tendency of the superstructure.

In general, the wooden spans of the superstructure show a very marked deterioration throughout since the city took possession.

The vertical alignment is exceptionally bad, each span sagging perceptibly at short distances from piers and the arches having flattened very materially.

After having carefully considered the condition of the bridge, as hereln set forth; the critical shape in which this bridge now is, we fearing that a sudden wind storm or a scouring due to a freshet may at any time cause a collapse of the north river pier, and with it the whole wooden structure, we therefore respectfully and unanimously recommend that the woodeu spans of this bridge be at once closed to all traffic and side weather-boarding be at once removed, thus removing a menace to life and limb, to traffic on said bridge, and minimizing the danger to river traffic beneath.

And we further find and recommend, that in view of the serious and dangerous condition of said bridge, that it would be wise and prudent and safe on the part of the City of Pittsburgh to at once remove the entire wooden superstructure, and the north river pier as well. This, in our judgment, would absolutely eliminate the danger to traffic on the river to steam and coal boats from the falling of this bridge, and would also save the city a considerable amount in the contract cost of the new piers, if same can be constructed without the menace of a dangerous structure overhead.

In these suggestions and recommendations we are unanimously agreed.

W. P. MILLER,
EMIL SWENSSON,
E. K. MORSE,
JOHN BRUNNER.

No. 1247.

PITTSBURGH, January 20, 1902.

To the Select and Common Councils of the City of Pittsburgh:

GENTLEMEN:—Your committee on Filtration reorganized (in accordance with an ordinance carrying into effect an act of assembly entitled, "An Act for the government of cities of the second class," approved the 7th day of March, A. D. 1901) by the election of **John Upperman** as chairman, and will meet at the call of the chair.

Yours respectfully,

JOHN UPPERMAN,
Chairman.

Attest:

E. J. MARTIN, Clerk.

Which was read, received and filed.

Mr. **Murphy** presented

No. 1248.

To the Select and Common Councils of the City of Pittsburgh:

GENTLEMEN:—Your petitioner respectfully represents: That he is the owner of a piece of property, situate in the Twentieth ward of the city of Pittsburgh; that for the purpose of paying his taxes for the year 1900, he sent to the City Treasurer a statement, showing that the same would be found assessed in the name of E. N. or H. Herron, or Henry E. Steffler, from whom the property was purchased.

That a statement was sent him, with the information that the names of E. N. or H. Herron, were not on the books, and giving the tax assessed against property of Henry E. Steffler as $155.24; that he paid this tax on the 29th of March, 1900; that in December of that year, he received notice from the Collector of Delinquent Taxes, that his taxes remained unpaid; that on examination of the case, it developed that the tax paid by him was assessed against the property of John Garland; that Garland, in place of paying his own tax, had paid that on the property of ———— McHendry; that your petitioner paid the taxes in the hands of the Collector of Delinquent Taxes, and has thus paid double the amount due from him for that year; and that he cannot recover from McHendry, as Garland, and not McHendry, paid that tax.

Your petitioner therefor prays that as the fault was primarily that of the city's agents, for assessing and collecting the taxes, that the amount thus erroneously paid ($155.24) may be refunded to him.

R. G. HERRON.

Which was referred to the Committee on Finance.

Mr. **Voskamp** presented

No. 1249. *Resolved*, That the City Recorder, the Presidents of Councils, two members from Select Council and three members from Common Council, be appointed a committee to extend to Prince Henry of Prussia, an invitation to visit our city, as a guest of the city of Pittsburgh.

Which was read.

Mr. **Voskamp** moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended the resolution was read a second and third times and finally passed.

Mr. **Ruhlandt** presented

Which was read.

Mr. **Shenkel** moved

That further action upon the bill be postponed until the next regular meeting.

Which motion did not prevail.

Mr. **Thorn** moved

A suspension of the rule to allow the second reading of the bill.

Which motion prevailed.

Mr. **Fichtel** moved

That the bill be referred to the Finance Committee for purpose of amendment.

Which motion did not prevail.

Mr. **Mustin** moved

To amend the bill by striking out Section 3, as follows:

"Section 3. That the sum of $170,000.00, or so much thereof as may be necessary, is hereby set aside from the bridge bond issue of 1900, for the purpose of erecting and constructing said bridge." And inserting in lieu thereof a new Section 3, as follows:

"Section 3. That the unexpended balance remaining in the bond issue fund of 1900, and the $25,000.00 appropriated for removing bridge over Junction railroad to Wilmot street, be expended for said bridge, and any deficit occurring above the amount of said balances to be provided for in the general appropriation ordinance for the year 1902."

Upon which motion Mr. **Shenkel** demanded a call of the ayes and noes, and the demand having been sustained, the ayes and noes were ordered to be taken, and being taken were:

Mr. **Platt** presented

No. 1251.

To the Honorable, the Common and Select Councils of the City of Pittsburgh:

The petition of the undersigned, citizens of Pittsburgh, and others interested, respectfully represents:

That the "Redoubt," familiarly known as the "Block House," is situate in the First ward of the City of Pittsburgh, on a piece of ground conveyed by Mrs. Mary E. Schenley to the Daughters of the American Revolution, a corporation organized under the laws of the State of Pennsylvania, for the purpose of preserving and protecting the Block House as a historical landmark. The piece of ground aforesaid is ninety feet by one hundred feet (90 ft. by 100 ft.), located between Fort street and Point alley, extending along said street and alley ninety feet (90 ft.) and having a frontage of one hundred feet (100 ft.) on O'Hara avenue.

That the ordinance locating O'Hara avenue has been repealed and Fort street and Point alley have lately been vacated, and there is now no access to the Block House except over a strip of ground twenty feet (20 ft.) wide, extending from Penn avenue ninety feet (90 ft.) to the property aforesaid, and by taking down the house now erected thereon.

The "Block House" was built outside of Fort Pitt and as an outpost and defense thereof, and on soil previously covered by Fort Duquesne, and all these defenses were located on the "Point" or "Forks of the Ohio." This "Forks of the Ohio" was the strategic point for the possession of which the first blood was spilled in the great struggle between the Anglican and Latin races for the control of North America, and was the basic position for the defense of American colonists in the extension of American civilization westward, making possible the existence of Pittsburgh as it is to-day. Washington recommended a fort to be built there in the winter of '53 and '54 in his report to Governor Dinwiddie. The French constructed Fort Duquesne there immediately after its capture by them on April 17, 1754. General Stanwix built Fort Pitt there immediately after the recapture of the place by the English by order of the immortal Pitt, who saw and understood its importance. The Block House stands in its original location, and is the only relic of these momentous epochs in the history of our country.

The property between Penn avenue and Duquesne way and between Third street and Water street—the district known as the "Point"—is, or has been, owned by Mrs. Mary E. Schenley, and leased by her to various parties. There are no buildings erected thereon of any great importance or cost, and the section has not been heretofore an ornament to the city. Under negotiations which have come to your petitioner's knowledge, it is believed there is danger that upon this section there will be constructed large seven-story warehouses and numerous railroad tracks, completely surrounding the Block House lot above mentioned, and making extremely expensive, if not impossible, any future appropriation thereof to public or park uses.

That the section, situated as it is at the junction of the Allegheny and Monongahela rivers, is peculiarly adapted and very appropriate for a park.

That the downtown district of the City of Pittsburgh is densely built up with high buildings, and likely to so continue, and a park, or breathing place, therein is much needed for the health and comfort of the citizens.

That the devotion of said section to a park is necessary for the preservation of the Block

House and its use as an educational and historic landmark. It would restore this famous "Forks of the Ohio" to a condition commensurate with its strategic importance a century and a half ago, and would be greatly conducive to the health and comfort of the citizens of the City of Pittsburgh.

They, therefore, respectfully pray your honorable bodies to acquire, either by purchase or condemnation proceedings, the property between Penn avenue and Duquesne way, extending from Third street to Water street, excepting the portion now owned by the Daughters of the American Revolution and already devoted to park purposes, or so much thereof as will be necessary to save the Block House from being obliterated or obscured by surrounding buildings, and dedicate the same for the use of a public park. And they will ever pray, etc.

Which was referred to the Committee on Finance.

Mr. **Hermes** presented

No. 1252. *Resolved*, That the Committee on Finance be and is hereby requested to place the sum of $2,000.00 in the Appropriation Ordinance for the year 1902 for the repaving of Ann street, from Miltenberger street to Van Braam street; the sum of $5,000.00 for the repaving of Van Braam street, from Fifth avenue to Bluff street; the sum of $3,000.00 for the repaving of Marion street, from Forbes street to Bluff street, and the sum of $1,200.00 for the repaving of the unfinished part of Edna street, from Marion street to Miltenberger street.

Which was referred to the Committee on Finance.

No. 1264.

To the Honorable Finance Committee of the Councils of the City of Pittsburgh:

GENTLEMEN:—The following undersigned executors of the Estate of John D. Sully, late of the Twenty-third ward of the city of Pittsburgh, deceased, respectfully represent:

That the said John D. Scully died on the 9th day of January, 1898, and that at and before the time of his death he was the owner of fifty-six (56) small unimproved lots of ground, situate in the Fourteenth ward of the said city of Pittsburgh; six (6) of which lots are situate on Juno street, and are numbered 161 to 166 inclusive in the plan of the Linden Land Company, recorded in Plan Book, vol. 6, page 164; two (2) others of which lots are situate on Boundary street and are numbered 67 to 68 in said plan, and two (2) others of which said lots are situate upon a street leading from Boundary street to Sylvan avenue and are numbered 135 and 136 in said plan; the remaining lots are numbered 1 to 38 inclusive and 60 to 67 inclusive in John D. Scully's plan of lots, recorded in Plan Book, vol. 15, page 164, are situate on Frazier and Childs street, and are occupied as a brickyard under a lease made by John D. Scully to George A. R. Benney, from which lease no rent is derived; the said Benney and his assigns being in possession for the purpose of grading the said lots, and said grading has not yet been completed.

That for the year 1896 the city assessment for the purpose of taxation upon said lots numbers 161 to 166 and lots numbers 1 to 38 was $21,600, and the city tax upon the same was $251.99, for which sum two delinquent tax liens have been filed, one at No. 397 December term, 1896, and the other at 396 December term, 1897.

That for the year 1897 the city assessment for the purpose of taxation upon all of the said lots of John D. Scully was $22,260, and the city tax for said year 1897 was the sum of $258.20, for which sum a delinquent tax lien has been filed at No. 461 December term, 1898.

That for each of the years 1898, 1899 and 1900 the city assessment for the purpose of taxation upon all of the said lots of said John D. Scully was $29,504, and for the year 1901 said assessment was $25,114, and for the year 1898 the city tax was the sum of $368.97, for which a delinquent tax lien has been filed at No. 511 December term 1899; for the year 1899 the city tax was the sum of $451.65, for which a delinquent tax lien amounting to $404.56, has been filed at No. 342 March term, 1902, and for the year 1901 the city tax upon said land was the sum of $314.00, including in the above sums the commission of the Delinquent Tax Collector.

That none of said taxes have been paid. That ever since the death of the said John D. Scully your petitioners have been diligently endeavoring to sell the said lots of ground at private sale, but have failed to obtain any offer whatever for the same, or any of them.

That under an order of the Orphans' Court all of said lots were offered at public sale by your petitioners on the 31st day of October, 1901, and were very fully advertised, and for want of a sufficient bid the sale of said lots was then adjourned until the 6th day of November, 1901, and all of said lots were finally sold for the sum of eleven thousand and twenty dollars, ($11,020), which sale was confirmed by the Orphans' Court.

That under the lease the said Benney, the lessee, was bound to pay all taxes upon his machinery and improvements placed upon said real estate, but no assessment appears upon the books of the city against said machinery and improvements, and it would seem that the said lots of ground have been assessed not only for their own value, but for the value of the improvements of said tenant used in his brickyard.

Your petitioners therefore representing that the said assessments upon the lots of said decedent are more than double the actual value thereof, and submitting to your honorable body that a mistake has been made in said assessments, which mistake has worked hardship and injustice to the Estate of John D. Scully and to his creditors, respectfully pray you to grant them relief in the premises by

reducing the aforesaid assessments to the sum of eleven thousand and twenty dollars, ($11,020), the actual value of said lots of ground as determined by the said Orphans' Court sale of the same, and that the taxes assessed upon said lots may be reduced proportionately, and that the City Attorney may be directed upon receipt of such proportional parts of the annual taxes for the years 1896 to 1900 inclusive, and payment of costs, to mark said delinquent tax liens satisfied in full; and that the Delinquent Tax Collector may in like manner be directed to accept payment in full satisfaction of the year's taxes for 1901 of such proportion thereof as your honorable body may fix.

And your petitioners will ever pray, etc.

CHAS. DONNELLY,

Extr. of the Estate of John D. Scully.

C. C. Bill No. 2003.

AN ORDINANCE — Levying taxes and assessing water rents for the fiscal year beginning February 1, 1902.

SECTION 1. *Be it ordained and enacted by the City of Pittsburgh, in Select and Common Councils assembled and it is hereby ordained and enacted by the authority of the same,* That for the purpose of providing sufficient revenue for the payment of the interest on the funded debt and to provide sinking funds as required by law for the retirement of said debt at maturity, for the payment of the salaries of city officers and to pay the ordinary current expenses of the city and for the discharge of other liabilities now due, or which may become due and payable during the said year beginning February 1, 1902, taxes shall be and are hereby levied and assessed upon all property and other objects of taxation, as follows:

CITY TAX.—Upon all property taxable for State and county purposes 15 mills upon each dollar of valuation, except the property in said city designated as rural, upon which the tax shall be assessed at two-thirds of said rate, and upon all property designated as agricultural the tax shall be assessed at one-third of said rate.

SOUTH SIDE SPECIAL TAX.—Upon all property taxable for State or county purposes within the limits of the former Borough of East Birmingham 5-10 mills.

BELTZHOOVER BOROUGH SPECIAL TAX.—Upon all property taxable for State or county purposes within the limits of the former Borough of Beltzhoover 2 mills.

The balance of receipts from said special taxes (after paying interest) shall be paid into a sinking fund for the district from which it is collected and shall be used for the payment of the special debt of said district.

For the purpose of defraying the interest on bonds and for sinking funds and miscellaneous purposes of the sub-school districts in the several wards of the City of Pittsburgh there shall be levied upon all property taxable for State or connty purposes upon each dollar of said valuation in said several wards the tax rate affixed to each designated sub-school district named herein, except the property in said wards designated rural, upon which the tax shall be assessed at two-thirds of said rate, and upon all property designated in said wards as agricultural the tax shall be assessed at one-third of said rate, as follows:

Mr. **Clark** presented

No. 1279.

To the Select and Common Councils of the City of Pittsburgh:

The petition of Sarah C. King, R. B. King, William S. King, A. H. King and Jennie K. Mellon respectfully represents:

1. That they are all the heirs and next of kin of Alexander King, late of the Nineteenth ward of the City of Pittsburgh, deceased:

2. That at the time of his death the said Alexander King was the owner of various pieces of real estate situate in the Nineteenth ward of the City of Pittsburgh.

3. That during the lifetime of said Alexander King the City of Pittsburgh filed a lien for taxes for the year 1875, amounting to $708.13, which lien was filed by said City of Pittsburgh on the 25th day of November, 1876, and of record in Tax Lien Docket, Vol. 1½, First Series, in the office of the Prothonotary of the County of Allegheny, the entry being as follows: "Alexander King, 11 acres land, Highland avenue, November 25, 1876, for the year 1875, $708.13."

4. That said City of Pittsburgh on January 31, 1878, filed a certain other lien for taxes for the year 1876 against the lands of Alexander King, situate in the Nineteenth ward of the City of Pittsburgh, aggregating $718.37, which

entry is as follows: "Alexander King, 1½ acres land, Broad street, $138.26; 25 acres land, 1½ story house and stable, $539.40; 11 acres land, Highland avenue, $40.71, total $718.37 for the year 1876," of record in Tax Lien Docket, Vol. 1½, First Series, in the office of the Prothonotary of the County of Allegheny.

5. That no writ has ever been issued for the purpose of reviving said tax liens at any time since the same were filed, and as a consequence your petitioners are advised and believe that by reason of the failure to revive the same, the lien thereof has been lost and cannot legally be revived since the passage of the Act of Assembly, approved the 4th day of June, 1897, P. L. 122 and 123.

6. That said tax liens, notwithstanding the fact aforesaid, cause your petitioners much inconvenience and trouble and somewhat cloud the title of your petitioners to the said lands as the legal heirs and representatives of said Alexander King, deceased; wherefore, they believe that in nowise are their said lands liable for the said taxes, nevertheless, in order to remove any doubt on the subject, and to clear the properties of said alleged liens, they are willing to pay to the City of Pittsburgh the sum of five hundred ($500.00) dollars, providing the said city will in consideration of said sum direct that said liens be legally satisfied of record by the City Solicitor.

Wherefore, your petitioners pray that a resolution be passed authorizing and directing the said City Solicitor to satisfy the said liens of record as aforesaid on the payment of the sum of $500.

My commission expires January, 1903.

Also

No. 1280.

WHEREAS, The petition of Sarah C. King and others, heirs at law of Alexander King, deceased, to the Select and Common Councils of the City of Pittsburgh, offered to pay to the said City of Pittsburgh the sum of five hundred dollars ($500.00) in full satisfaction of two certain tax liens filed against the properties therein described for taxes for the years 1875 and 1876; and

WHEREAS, It is doubtful whether or not said taxes are any longer a lien or encumbrance upon said properties, now, be it

Resolved, By the Select and Common Councils of the City of Pittsburgh, that the said offer so made and contained in said petition be accepted, and the City Solicitor, T. D. Carnahan, is hereby authorized, empowered and directed to satisfy the said tax liens on the record where the same are entered in the Prothonotary's office of the County of Allegheny, upon payment to the said City of Pittsburgh of the sum of five hundred ($500.00) dollars.

No. 1321.

DEPARTMENT OF PUBLIC SAFETY,
PITTSBURGH, PA., March 10, 1902.

To the Select and Common Councils of the City of Pittsburgh:

I herewith ask your honorable bodies for the passage of an ordinance for the letting of contract for furnishing one hook and ladder truck for the uses and purposes of the Bureau of Fire, to cost the sum of money not exceeding $5,500.00. This truck is needed to replace one which was destroyed at a fire at the building or buildings of the Best Manufacturing Company, corner of Twenty-sixth street and the Allegheny Valley Railway, during the year 1901. This was not replaced during that year owing to a lack of appropriations, but for the appropriations during the year 1902 estimates were furnished providing for the same and your honorable bodies properly approved the estimates. The appropriations have now been made and I ask for the passage of this ordinance in order that said hook and ladder might be replaced and put into service.

The estimate not to exceed $5,500.00 is based upon preliminary estimates furnished by firms or corporations dealing in and making such hook and ladder trucks, and I trust that your honorable bodies will pass this ordinance at an early date.

Very truly yours,
A. H. LESLIE,
Director Department of Public Safety.

Also

No. 1322. An Ordinance providing for the letting of a contract for furnishing one hook and ladder truck for the uses and purposes of the Bureau of Fire.

Also

No. 1323. An Ordinance authorizing, empowering and directing the Director of the Department of Public Safety to appoint and employ four (4) additional linemen for service in the Bureau of Electricity, and fixing the salaries thereof.

Also

No. 1324. An Ordinance authorizing, empowering and directing the Director of the Department of Public Safety to appoint and employ a skilled photographer and competent clerk in the Bureau of Detectives, and fixing the salary thereof.

Also

No. 1325. Resolution authorizing the issuing of a warrant in favor of Frank Kline for the sum of $110.00, for badges furnished Bureau of Police, and charge the same to the account of Appropriation No. 22.

Also

No. 1330.

PITTSBURGH, March 17, 1902.

To Select and Common Councils, of the City of Pittsburgh:

GENTLEMEN:—

Your honorable bodies have passed three railway ordinances, numbered and designated as follows:

1st. Select Council, No. 1209, entitled "An Ordinance granting unto the Pittsburgh Southern Street Railway Company, its successors, lessees and assigns, the right to enter upon, use and occupy and cross certain streets and hghways in the city of Pittsburgh."

2d. Select Council, No. 1211, entitled, "An Ordinance granting unto the Pittsburgh and West End Passenger Railway Company, its successors, lessees and assigns, the right to enter upon, use and occupy and cross certain streets and highways in the city of Pittsburgh."

3d. Select Council, No. 1210, entitled, "An Ordinance granting unto the Duquesne Street Railway Company, its successors, lessees and assigns, the right to enter upon, use and occupy and cross certain streets and highways, in the city of Pittsburgh."

The first ordinance, to wit, No. 1209, "Southern Street Railway, connects the Southern Street Railway on Twenty-second street with its intersection with Sidney street; thence along South Twenty-second street to connect with the Pittsburgh & Birmingham Passenger Railway Company on Carson street, and returning by the same route to the place of beginning."

This is a piece of track some two hundred, or more, feet in length, connecting what was heretofore two systems of railways, to wit, the Birmingham line and the Southern Traction Company, and until recently were independent and competing companies. This ordinance I have this day approved as passed by you, for the reason that it is not a system of railways and does not increase or diminish the receipts of the present owners, but is a connecting and necessary public link, wholly to the advantage of the general public in case of fire and obstruction on either line, or the suspension of traffic on either line, or for the purpose of sending part of the cars over the route of the other line for the better convenience of the traveling public, and is a link and connection of public necessity, and of great advantage to the traveling public in that portion of the city. I deem it to be sound business judgment to enable the railways by such connections to accommodate the traveling public and facilitate rapid transit.

The second ordinance, to wit, "Select Council, No. 1211, known as 'The Pitts-

burgh & West End Passenger Railway Company,' on Fifth street at its intersection with Liberty avenue; thence along Liberty avenue to Fourth street; thence along the tracks of the Second Avenue Passenger Railway Company on Fourth street to a connection with the tracks of the Pittsburgh & West End Passenger Railway Company on Penn avenue, and returning by the same route to the place of beginning." Also, beginning at a point on the tracks of the Pittsburgh & West End Passenger Railway Company on Fifth street, at its intersection with Liberty avenue; thence across Liberty avenue to Ferry street; thence along Ferry street to a connection with the tracks of the Second Avenue Passenger Railway Company on Fourth avenue, and returning by the same route to the place of beginning."

Also, "beginning at a point on the tracks of the Pittsburgh & West End Passenger Railway Company on Penn avenue, at its intersection with Fifth street; thence along Penn avenue to a connection with the tracks of the Citizens Passenger Railway Company at Cecil alley, and returning by the same route to the place of beginning."

This ordinance is of great public interest to the railway traffic of the West End section of our city, and also to the other system. First, that it connects the present Penn avenue system with the West End system by a strip of track several hundred feet in length in front of Joseph Horne & Company's store, enabling the companies to make through connections. The other two provisions provide expanded loops and terminal facilities that will greatly relieve the present terribly congested street car travel at the corner of Market street and Fifth avenue, opposite Grogan's jewelry store. They will relieve the present congested condition of affairs at the foot of Fifth avenue, that is now almost intolerable, and be wholly to the advantage of the public, because they enable the street car company to move more cars in circuitous loops and direct connection, thus increasing the facilities to handle the large number of people that are always crowded at this point at certain hours of the day, and give the traveling public advantages, the want of which has long been felt at this point. And, like the former ordinance, does not increase nor decrease the number of people traveling nor the receipts of the company; and, in case of fire or obstruction of any kind or character, are of the highest importance to the many thousands traveling on said railway, and an easement that the city should not hesitate to grant. I do not hesitate, after a careful consideration of the situation of the street car traffic at this point, and of the plan of relief, to say that it is good sound business judgment to approve this ordinance, and I have, therefore, this day attached my signature thereto.

With reference to the third street railway ordinance, to wit, "Select Council No. 1210, entitled, An ordinance granting unto the Duquesne Street Railway Company, its successors, lessees and assigns, the right to enter upon, use and occupy and cross certain streets and highways, in the city of Pittsburgh," I return the same to your honorable bodies without my signature. This ordinance describes the following route:

"Beginning at a point on the tracks of the Transverse Passenger Railway Company on Water street, at its intersection with Grant street; thence along Grant street to Seventh avenue; thence along Seventh avenue to Smithfield street. Also, along New Grant street, from Seventh avenue to Liberty avenue, with the right to connect to the tracks of the Consolidated Traction Company at Liberty avenue, Sixth avenue, Fifth avenue, Diamond street and Fourth avenue, and to the tracks of the United Traction Company at Second avenue, Third avenue, Seventh avenue and Smithfield street."

This ordinance plainly establishes a new street railway, and contains a franchise of the highest corporate value, with proposed double tracks on the whole of Grant street and New Grant street, Seventh avenue and Water street, with all the connections mentioned in said ordinance.

Grant street, with our Court House, the great Frick office building and the contemplated Frick Hotel, and other large office buildings, and connecting directly the great depots of the city, will be the greatest cross-town street railway in the city—in my judgment, Smithfield street, itself, not excepted. The approving of this ordinance would be granting a franchise of great value to the present street car monoply of the city of Pittsburgh; most valuable rights without any reasonable return to the city. And I am of the opinion that it is the overwhelming sentiment of the people of the city of Pittsburgh that franchises of such enormous value, as the one under consideration, should bring the city fair and reasonable compensation; and that public and municipal property of such high value should not in the future be transferred to corporations without a just and fair return.

I believe it to be in the interest of the municipality, and in accord with overwhelming puolic sentiment of our people, that this ordinance should not be approved.

For your further information I desire to say, in reference to this railway problem, that the Philadelphia Company and the Pittsburgh Railways Company, by their respective Presidents, in a communication under date of February 24, 1902, requested your City Recorder to appoint a committee, on behalf of the city government, to co-operate with their companies to study and solve the future problem of the congested condition of travel upon the street railways of this city, either through the medium of the present railway system, or through some other system or underground passenger railroad to the East End.

In compliance with said request your City Recorder has already appointed a committee of distinguished citizens of your city, the majority of whom have

accepted their appointment and are ready to confer with said Companies on this important question as soon as they can be presented with the plans and blue prints and proposition.

In my reply to said communication I frankly stated that, in my opinion as City Recorder, the city would insist upon a guarantee of a reasonable return to the city for future street car ordinances granted; and if any part of the proposed additional service shall be elevated railroads, that the ordinance must contain a protective clause for reasonable damages to all property injured by reason of said elevated railroads.

I am fully aware that the public is greatly interested in an early improvement of Pittsburgh's belated and inadequate transportation facilities, and to that end the city should be prepared to consider the terms of an early settlement of the general franchise question, in so far as an early settlement may be an important element leading to improved service; including municipal remuneration for large and valuable franchises sought to be granted. This question should be settled right, and settled at an early day, and I have no doubt that the committee will in due time present to the Councils of the city of Pittsburgh a practical solution of the street railway question, improving the service, protecting the city's financial interest, the property holders' rights and accommodating the traveling public.

The fundamental principle and demands being, first, the betterment of existing accommodation with regard to comfort and decency; second, compensation to the public in return for what the public gives.

Respectfully Submitted,

J. O. BROWN,

City Recorder.

Which was read.

Mr. **Paul** moved

Which motion prevailed.

And the bill was read a second time,

Mr. **Clark** presented

No. 1331.

PITTSBURGH, PA., March 17, 1902.

To the Presidents and Members of Select and Common Councils:

GENTLEMEN:—In the matter of the proposed ordinance for the Mt. Washington Street Railway Company now pending before Councils, I find that there has been some discussion among members of Councils regarding compensation for this grant. While the streets to be traversed by this railway are not graded, paved or used by the public, yet said Railway Company will file with the Recorder a stipulation agreeing to pay to the city for this grant the sum of $2,000, payable when the streets shall be occupied by said Railway Company. This will be paying, per square foot of street occupied, the same price as has been recently paid for the abutting land, as the Railway Company will occupy only about 2,000 lineal feet of street.

Very truly yours,

PETER SHIELDS,

Representing the Mt. Washington Street Railway Company.

Which was read.

Mr. **Thorn** moved

That the proposition be received and filed.

Which motion prevailed.

And the bill as read a second time was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to

Lambie, President.

AYES—**30.**

NOES—None.

And a majority of the votes of Select Council being in the affirmative, the bill passed finally.

And the Clerk was directed to message the same to Common Council for concurrence.

Mr. **Fichtel** arose and moved

That the proposition to pay to the city the sum of $2,000, as offered by Peter Shields, representing the Mt. Washington Street Railway Company, be accepted.

Mr. **Benz** arose to a point of order

"That the city had no legal right to accept the proposition."

The **Chair** ruled

The point of order "Not well taken," and that the motion as offered by Mr. **Fichtel** was in order.

Mr. **Benz** moved

That the proposition be referred to the City Attorney for an opinion as to the legal right of the city to accept the same.

Which motion did not prevail.

C. C. No. 2192.

In re PETITION OF THE DAUGHTERS OF THE AMERICAN REVOLUTION.

To the Chairman and Members of the Finance Committee:

The Sub-Committee appointed at the meeting of the Finance Committee, held on February 14, 1902, to consider the Petition of the Daughters of the American Revolution, in regard to a park in the First ward of the City of Pittsburgh, consisting of the undersigned, Messrs. James W. Piatt, Max G. Leslie and John Paul, held a meeting on the fourteenth day of March, 1902, in the office of City Controller, for the purpose of considering the said question as referred to them at said meeting.

After due deliberation and careful consideration of the question involved, it was agreed that the objects set forth in said petition were for the best interests of the City of Pittsburgh; that this Committee is in favor of the City of Pittsburgh acquiring sufficient land about the Block House in the First ward of the City of Pittsburgh, to form a suitable surrounding therefor, and to make a park in that vicinity;

That for this purpose, they deem to be sufficient the acquisition of the block bounded as follows:

By First street on the East, Duquesne way on the North, Water street on the West and Penn street on the South;

That your Committee believe that this property should be secured at a reasonable figure, and would make a park of about four acres, a suitable surrounding for the old Block House;

That this old relic is deserving of care and consideration from the citizens of this community on account of its association with the early history not only of the country, but, particularly, of this community; and, further, that a small public park in this locality would both tend to beautify as well as to increase the comfort of the people in that portion of the town.

They therefore unite in a report to this effect to the Finance Committee, and recommend that the Petition be by it reported back to Councils with an affirmative recommendation, there to be disposed of as Councils may see fit.

Respectfully submitted,

J. W. PIATT,
JOHN PAUL,
M. G. LESLIE,

In Common Council March 31, 1902. Read and adopted.

Which was read.

Mr. **Murphy** moved

That the petition and resolution be referred to a Special Committee of three (3).

Which motion prevailed.

And Messrs. **Murphy, Piatt** and **Vincent** were appointed.

"Gentlemen: I suppose the only person who doesn't know why I am here is our good friend, William Addison Magee. Brother Magee, I come to you this afternoon with mingled feelings of sadness and pleasure. It is a pleasure because I have been delegated by the members of Select and Common councils and the many kind friends and well wishers who are gathered around you to present to you their congratulations on this the forty-seventh anniversary of your natal day, and wish you many happy returns, and to extend to you their high appreciation of the manner in which you have performed the duties of your office as councilman of the Fourteenth ward, and as chairman of our joint Committee on Finance. Sad, because at the same time I have been commissioned to bid you good-bye on your retirement from councils after an honorable career of service extending for a period of 21 consecutive years, during 15 of which you have been chairman of our joint Committee on Finance. If the members of councils will pardon me for a few minutes I will give you a short history of the career of our worthy friend in this body. It has been compiled by the clerk, and I have no doubt of its accuracy.

"In the year 1880 the Fourteenth ward was represented by two members in Common council. The persons representing the said ward being Messrs. W. R. Ford and M. Mawhinney. In the following year, 1881, the representation was increased to three members. The persons elected were Messrs. W. R. Ford, W. A. Magee and William H. Johns, as shown by certificate of election issued by the present Recorder of the city of Pittsburg, then prothonotary of Allegheny county. The election having been on February 15, 1881, and on Monday, April 4, of the same year the members wee sworn in and took seats in Common council.

"Among the persons who were members of that council during that time were R. B. Carnahan, William B. Negley, Thomas J. Bigham, Christian Siebert, Patrick Foley, S. P. Conner, J. W. Ruhlandt (at present a member of Select council) and William C. Reitz (elected a member of Common council at the last election from the same ward which he represented in the year 1881—the Thirty-fifth ward). William R. Ford was the president of Common council and Henry I. Gourley was the president of Select council at that time. Mr. Magee was appointed a member of the Committee on Finance on April 11, 1881. The Committee on Finance was a Select council committee and reported all business to that branch until the year 1887, Mr. A. F. Keating, of Select council, being chairman. In the organization of councils in 1887, the Committee on Finance was made a Common council committee, and reported its business to that branch. Mr. Magee was appointed a member that year, on April 11. On April 25 he was elected chairman, and was re-elected on the reorganization of the committee from that time until the present, having served 21 years a member of council and the Committee on Finance and 15 years as chairman of the Committee on Finance.

"It is not necessary that I should refer to the manner in which you have discharged the duties of your office. Always attentive and careful, you have become thoroughly familiar with your subject before acting. It has sometimes seemed to me that in legislative bodies composed of many members, there is a disposition to regard the responsibility as divided and pass measures without sufficient consideration. As soon as legislators come to regard responsibility as divided and yield individual convictions without debate to the force of members, the purpose of our forefathers in having a legislative body composed of many persons fails. While it is undoubtedly right and proper that majorities should rule, a strong, intelligent and vigorous minority is always a safeguard. A strong and conscientious man who has the courage of his conviction is entitled to respect. I may say of you, my dear sir, without flattery, that your fellow members of council have always believed that you were uniformly animated with a sincere and conscientious desire to advance the welfare of this great city. You have made yourself familiar with her wants and gave to the study of municipal government, most thorough, careful and conscientious attention. You have been uniformly courteous and uniformly courageous. While admiring these qualities in others, you have not failed to require of your adversaries good and strong reasons for the faith that was in them. If these reasons were convincing and appealed to your judgment, you yielded in a manly and graceful manner and expected as much from them.

"We shall miss you at the committee tables, and your fellows will miss you in this chamber. We are citizens of no mean city. During the past 25 years the progress of this city has been steadily upward and onward, and her future historians, in writing the history of the past 30 years, will find an honorable place for the names of C. L. and W. A. Magee. Both of you were faithful to her best interest, and contributed greatly to her upward and onward growth. In retiring you carry with you our most sincere and heartfelt wishes for your speedy return to health, for a long, useful and happy life, and for a triumphant entrance into that glorious land beyond the river. I think, my dear sir, in giving an expression to these wishes, I but utter the sentiments of all the members of both branches of council, and of all the officers of the municipal government, without regard to party politics.

"But I have yet another pleasing duty to perform. We desire to present to you, before we separate, a slight testimonial of our esteem and regard. It is this most beautiful specimen of grandfather's clock. It has two sets of chimes, one of which plays every 15 minutes, and at the expiration of each hour, before striking, it gives you a beautiful concert. You can shut off one or both of them at pleasure, and, by pulling the lever, you can have a repetition at any time of the concert last given. While it also gives the phases of the moon, I can assure you that it is not by any means moonshine. It bears this inscription: 'Presented to William Addison Magee by the members of councils of the city of Pittsburg, March 31, 1902, as a token of their esteem and friendship, on his retirement April 7, 1902, after 21 years continuous service as a member of Common council from the Fourteenth ward.' The whole is encased in a handsome mahogany case. If our wishes and prayers for you in your behalf are granted, it will long stand in your home as a memento of the kind hearts which now surround you. It will measure for you and yours many long years of life on God's footstool, and 'Oft in the stilly night, 'ere slumbers chains hath bound you,' when every other sound of life is hushed, and the soul seems to be on the borderland, its sweet chimes may induce the thought that Heaven's gates are ajar and that you hear the glad songs and glorious anthems of those who have passed through the gates.

"Finally when time for you shall be no longer, when your day dreams and night visions shall have become glorious realities, pass this token over to the loved ones who shall come after you and to them it shall bear witness of your honored and honorable career. And now, my good brother, let me, on behalf of these, bid you adieu. We trust that you may again in the near future resume your place among us, but if not, if this parting

is to be forever, God knoweth, then let me commit you and yours to the care of Him who doeth all things well."

While Mr. Lambie was still speaking, City Clerk E. J. Martin and Assistant Clerk Robert Clark drew the cover from a magnificent hall clock that stood to the left of the president's desk. It was a handsome and costly gift, the mahogany case standing fully nine feet high. As Mr. Lambie spoke the soft chimes sounded, adding melody to his words.

Mr. **Magee** arose and said:

"My friends, I am not accustomed to this. I have been placed in a good many positions, but I never exactly felt like a patriarch until just now. I have never had the feeling or felt so much overcome as now. I want to say to the members of councils that I thank them for their expression of kindliness, and for their kind remembrance. I am glad that the men with whom I have served in councils at the time of my retirement, regardless of association outside of this body or of the difference politically, join in wishing me godspeed. It touches me indeed.

"It seems to me that in the selection of your kind remembrance, it has been a happy thought that you should select a grandfather's clock, as a grandfather's wisdom has been one that brought the interests of this community and its welfare to my consideration. Your spokesman has kindly alluded to the feeling of interest and of the affection that I have for this community and its people. He has spoken of the affection of my late brother for this community.

"Why should I not love this place, whose people have been so kind to my people from the earliest days of the early settlement down to the grave? From the day of the Virginia, or English, invasion, until this time have my people been interested here, and have been kindly treated by those among whom they have lived.

"And in each of the five generations of men who have lived and grown here have we found someone taking an active part in the administration of local affairs, and who have been more than kindly treated by the people among whom they lived. My great-grandfather, my grandfather, my father, and, more notably, my brother, who, of all the men of our generation, gave most of the active years of his life to the advancement of this section, and at whose death gave back to the people of this community all that he had laid up, to stand as a monument, not of what he did for the community, but of the great kindness shown by the people living here to the men and the people of his blood. Why should he not love this community? Those that have died in six generations of our lives, lie buried beneath the soil.

"I am glad you gave a grandfather's clock. It gives me pleasure to know that, if I were to receive a remembrance at all, this grandfather's clock should come to me. We'll take it to our home and be glad to have it among us, and as it marks off the time, I hope it will recall to my people the kindness, courtesy and great enjoyment I have had of being a member of the councils of the city of Pittsburg.

"The past years of my life, the most earnest efforts of my life, I believe, have been spent in this body. I have had more enjoyment out of the work in these councils than out of any other of the active works that I have ever taken part in. I have grown more and learned more from the work here than I ever acquired in school, or in any of the other work that I have undertaken. It has been my great good fortune to meet in this body, and in the committees of which the members of this body made a part, men who could have graced the Legislative halls of many of the States of the government of the United States.

"As the president of the Select council has told you, it was my good fortune to serve here with the father of my friend, Mr. Bigham; with Robert B. Carnahan, with William McConway, with L. M. Plummer, with William R. Ford, with Dr. McCandless, and with the man who, for many years, presided over this honorable body, George L. Holliday, who came to us from the Select council. I met in the committees of this body in that time David D. Bruce, from whom I never failed to learn something, although we often found ourselves on opposite sides of questions; T. W. Welsh, James S. Atkinson, and, if I went on, I might name a host of others, men who at all times brought into the work their earnest endeavor; and though we might differ, one from another, yet I may say that the result of the earnest work of the men who served in the councils of the city of Pittsburg was for the one common good, the betterment of this world-renowned municipality.

"Another name I wish to mention, one that must not be forgotten, James M. Bailey. In the councils of the city of Pittsburg, and especially his work in the Water committee, he gave four years of his earnest effort to push to completion the betterment of the water supply. The result of his work brought great benefit to this municipality.

"One other notable figure of my associations is that of my old friend, John Paul, whom I have known longer than any person. It has been a great pleasure to serve with him on the committees of these councils.

"Of the younger members, who have come in within the last few years, earnest, active and fearless men, and to whom, in the clash of conflicts, I at times may have seemed discourteous, I hope they will now accept my apologies, for nothing was more foreign to my mind than to be discourteous in those conflicts. I have never received, that I can recall, upon the floor of councils, anything but the most impartial treatment, and I have always tried to accord the same.

"To those who have come in, and who will take charge of the new councils, all have my hearty good wishes. They not only have my hearty good wishes in the good results of their work, but I hope they will have great enjoyment and pleasure in their work.

"I thank you."

Mr. **Thorn** moved

That the joint session do now adjourn.

Which motion prevailed.

And Select Council returned to its own chamber.

Mr. **Paul** moved

That the action of the joint session be ratified and confirmed.

Which motion prevailed.

Mr. **Murphy** presented

From the Committee on Charities and Correction, with an affirmative recommendation,

S. C. No. 1301. Resolution authorizing the issuing of a warrant in favor of C. A. Turner for the sum of $57.42, for engineers and plumbers' supplies furnished Department of Charities and Correction, and charge Appropriation No. 38.

Which was read.

And the rule having been suspended the resolution was read a second and third times and upon final passage the ayes and noes were taken, and being taken were:

AYES—Messrs.

Atkinson	Mustin	Stewart
Barry	Paul	Thorn
Benz	Pedder	Upperman
Gallagher	Platt	Vincent
Hannah	Rothweiler	Voskamp
Hermes	Ruhlandt	Wainwright
Hitchcock	Schneider	Wilson
Johnston	Shenkel	Zahniser
Murphy		

Lambie, President.

AYES—**26.**

NOES—None.

And there being two-thirds of the votes of Select Council in the affirmative, the resolution passed finally.

And the Clerk was directed to message the same to Common Council for concurrence.

Also

S. C. No. 1302. Resolution authorizing the issuing of a warrant in favor of E. M. Semmelrock for the sum of $263.50, for undertaking and ambulance service furnished Department of Charities and Correction, and charge Appropriation No. 38.

Which was read.

And the rule having been suspended the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

AYES—Messrs.

Atkinson	Mustin	Stewart
Barry	Paul	Thorn
Benz	Pedder	Upperman
Gallagher	Platt	Vincent
Hannah	Rothweiler	Voskamp
Hermes	Ruhlandt	Wainwright
Hitchcock	Schneider	Wilson
Johnston	Shenkel	Zahniser
Murphy		

Lambie, President.

AYES—**26.**

NOES—None.

And there being two-thirds of the votes of Select Council in the affirmative, the resolution passed finally.

And the Clerk was directed to message the same to Common Council for concurrence.

BUSINESS FROM COMMON COUNCIL.

S. C. Bill No. 1319. An Ordinance entitled "An Ordinance fixing the salary of the Chief Clerk to the Bureau of Water."

In Common Council April 4, 1902. Passed.

Which was read.

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

AYES—Messrs.

Atkinson	Murphy	Schneider
Benz	Mustin	Shenkel
Gallagher	Paul	Stewart
Hannah	Pedder	Thorn
Hermes	Rothweiler	Vincent
Hitchcock	Ruhlandt	Wilson
Johnston		

Lambie, President.

NOES—Messrs.

Barry	Voskamp	Zahniser
Upperman	Wainwright	

AYES—**20.**

NOES—**5.**

And a majority of the votes of Select Council being in the affirmative, the bill passed finally.

Mr. **Hermes** moved

To reconsider the vote by which S. C. Bill No. 1319, An Ordinance entitled "An Ordinance fixing the salary of the Chief Clerk to the Bureau of Water," was finally passed.

Upon which motion Mr. **Upperman** demanded a call of the ayes and noes, and the demand having been sustained, the ayes and noes were ordered to be taken and being taken were:

AYES—Messrs.

Barry	Upperman	Wainwright
Benz	Voskamp	Zahniser
Hermes		

NOES—Messrs.

Atkinson	Mustin	Schneider
Gallagher	Paul	Stewart
Hannah	Pedder	Thorn
Hitchcock	Rothweiler	Vincent
Johnston	Ruhlandt	Wilson
Murphy		

Lambie, President.

AYES—**7.**

NOES—**17.**

So the motion did not prevail.

Mr. **Ruhlandt** presented

No. 1332. *Resolved*, That the thanks of the Select Council are hereby extended to its presiding officer, Mr. **John S. Lambie**, for the great ability, impartiality and courtesy with which he has discharged the duties of his office during this session of Councils.

Which was read and unanimously adopted.

Mr. **Lambie** arose and said,

"Gentlemen: Our duties as members of the eightieth councils of the city of Pittsburg have terminated. How well we have discharged those duties time alone can tell. If we have satisfied our own consciences we are fortunate. Our duty is not performed when we satisfy our constituents, although that is a consummation devoutly to be wished for. By our consciences we stand or fall. The councils now about to adjourn sine die has held 63 meetings. There have been presented in this chamber 1,335 papers, which includes papers of every character. We have passed 986 ordinances and 345 resolutions. Many of these were of the greatest importance to the city of Pittsburg. It has become customary to denounce much of the legislation of councils as illegal and unwarranted by the laws of the Commonwealth. Yet, while the courts are always open to litigants or a combination of them, it is a remarkable fact that you may count upon your fingers without duplication, all of the 986 ordinances, which, to use a common expression, but strong, have been 'knocked out' by the courts. When you consider the fact that the majority of the councils are laymen and not lawyers, this is remarkable. In the estimation of your chairman, the labors, responsibilities and honors of your position as councilmen are as onerous and great as those of a member of the Legislature of the Commonwealth. But we have come to the forks of the road—we shall never again assemble as members of this body. Some of us go into the next council, many retire. Two years ago we started out 38 strong. Two of our number, William H. McCleary, of the Fourteenth ward, and F. E. Fieger, of the Twenty-eighth ward, have crossed the river; 36 of us remain.

"Henceforward, our paths diverge. What God hath in store for us, He only knows. In this great city and her welfare, every one of you will still have as great an interest as ever. I charge each and every departing member to watch us who remain and those who shall become associated with us, as carefully and critically as you have been watched. You all know the difficulties of the situation. I bespeak at your hands an earnest and severe criticism inspired by honest hearts and not merely for political purposes. Whenever the honesty and integrity of the critic is suspected, his usefulness as a critic fails. Perfect fairness, truthful tongues and honest purposes ought to be inseparable, and are required of every living being. Without them, our lives will be miserable failures.

"Wishing you and each of you a long and honored life, filled with God's richest blessing and the respect and esteem of your fellows, I bid you and each of you farewell.

"And I now declare the Eightieth Council adjourned *sine die*."

APPENDIX.

No. 1.

AN ORDINANCE—Authorizing the Director of the Department of Public Works to institute legal proceedings for the condemnation of two pieces of land belonging to the heirs of Mary C. Delafield, situated in O'Hara township, Allegheny county, Pa., for water supply and distribution and filtration plant, appropriating the same, and providing for the payment of damages.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Select and Common Councils assembled, and it is hereby ordained and enacted by the authority of the same,* That the City of Pittsburgh deem it proper and expedient that it exercise the power of eminent domain vested in said corporation for the acquisition by it of the real estate hereinafter described, for water supply and distribution and filtration plant purposes:

Therefore, the Director of the Department of Public Works of the City of Pittsburgh is hereby authorized and directed to proceed in the name and on behalf of said city to have taken, appropriated and condemned for water supply and distribution and filtration plant purposes, in the manner described by law, the real estate and property of heirs of Mary C. Delafield, situate in O'Hara township, Allegheny county, Pa., bounded and described as follows, to wit:

First described piece: Beginning at a pin on the north side of the Freeport road on the line between lands of the heirs of Mary C. Delafield and the Episcopal Hospital of Philadelphia, 106.56 feet ment on the south right-of-way line and 33 feet north of a monument on the north right-of-way line of the Western Pennsylvania railroad; thence by a system of broken lines in order to leave full 33 feet in width for the Freeport road between the northern right of way of said Western Pennsylvania railroad and the tract of land herein described and along the northern side of said Freeport road south 89° 42′ 50″ west 95.09 feet to a pin; thence by the same north 88° 0′ 10″ west 98.12 feet to a pin; thence by same north 87° 02′ 20″ west 133.95 feet to a pin; thence by same north 85° 06′ 40″ west 133.88 feet to a pin; thence by same north 83° 53′ 30″ west 96.58 feet to a pin; thence by the same north 82° 36′ 30″ west 97.28 feet to a pin; thence north 81° 20′ 30″ west 100.70 feet to a pin; thence by same north 80° 19′ 30″ west 98.67 feet to a pin; thence by same north 79° 07′ 30″ west 98.97 feet to a pin; thence by the same north 77° 54′ 30″ west 47.44 feet to a pin; thence by a division line created by this division of property and along other lands belonging to the said heirs of Mary C. Delafield north 13° 54′ 20″ east 1848.95 feet to a pin; thence by same south 76° 07′ 30″ east 558.04 feet to a pin on line between lands of said heirs of Mary C. Delafield and the Episcopal Hospital of Philadelphia; thence by lands of said Episcopal Hospital of Philadelphia south 0° 14′ 30″ east 1765.21 feet to a pin on northern side of the Freeport road to the place of beginning.

Excepting and reserving therefrom the right of way of the City of Allegheny upon which it has laid a 60-inch steel water main, said right of way being 18 feet wide or 9 feet on either side of the centre line of said water main, said centre line being described as follows, to wit:

Beginning at a pin on the division line herein described 633.28 feet north of a pin on the northern side of the Freeport road; thence through the hereinbefore described tract of land south 68° 20′ 10″ east 903.55 feet to a pin on line between the said hereinbefore described tract of land and lands of the Episcopal Hospital of Philadelphia at a distance of 385.40 feet north of the northern boundary of the Freeport road at the point where the said line intersects same. Containing 0.3733 acre, leaving the area of the tract of land first described 32 acres strict measure.

Second described piece: Beginning at a stone monument on eastern line of Aspinwall Borough and on southern right-of-way line of Western Pennsylvania railroad at that point; thence by the southern right-of-way line of Western Pennsylvania railroad south 08° 30′ east 831.31 feet to a pin; thence by other lands of heirs of Mary C. Delafield of which this is a part, south 21° 30′ west 371.99 feet to a point on said line at low watermark in the Allegheny river; thence by line of low water in said Allegheny river north 76° 10′ 30″ west 286.54 feet to a

pin; thence by same north 71° 24′ west 372.98 feet to a pin on said low water line of Allegheny river at the east line of Aspinwall Borough; thence by the eastern line of said Aspinwall Borough north 0° 40′ west 463.38 feet to a monument on said Aspinwall Borough line, where it intersects the southern right of way line of the Western Pennsylvania railroad, the place of beginning. Containing seven acres strict measure. According to a plan hereto attached and made a part of this ordinance.

And the said City does hereby elect and resolve to take, use and appropriate the said real estate and land for the purposes aforesaid, the damages therefor not having been agreed upon between the said City and said heirs.

Section 2. The compensation therefor shall be paid out of the proceeds of sale of bonds issued for the purpose of the extension and improvement of water supply and distribution, including the filtration of such water supply, under and by virtue of an ordinance entitled, "An Ordinance authorizing the issuing of bonds for the purpose of the extension and improvement of water supply and distribution, including the filtration of such water supply, and providing and furnishing meters to be used in connection therewith; paying the assessments against the city now or hereafter made for the cost of constructing main sewers in said city; the acquisition and purchase of real estate within the city of Pittsburgh for the uses of the Department of Public Safety; the erection and repair of buildings and improvements for said department; the purchase of the necessary machinery, apparatus, equipment and furniture therefor; and for the erection and construction of the necessary buildings, improvements, equipments, furnishings, supplies and all other matters and things necessary for the completion, requirements and needs of municipal hospitals for isolated and contagious diseases; erecting new buildings, additions to buildings, renewing, changing and altering parts of buildings, purchase of additional lands, constructing reservoir, erection of fences, erection of lightning rods and lightning arresters, extension of boilers and boiler house, and construction of exercise yards at the City Home and Hospitals, Department of Charities; acquiring property for park purposes, uses or extension, and the improvement of the parks; the extension and improvement of the supply and distribution of water and the laying of pipes therefor; the erection, renewal and repair of bridges; the completion of the boulevards, and the purchase and throwing open of toll roads within the city limits, and providing for the redemption thereof," approved November 16, 1899; and so much of said proceeds as may be found necessary for the payment of said compensation is hereby appropriated.

Section 3. That any ordinance or part of ordinance conflicting with the provisions of this ordinance, be and the same is hereby repealed so far as same affects this ordinance.

No. 2.

AN ORDINANCE—To authorize and direct the proper officer or officers, in the name and on behalf of the City of Pittsburgh, to enter into and execute a contract with the Pittsburgh, Virginia and Charleston Railway Company and the Pennsylvania Railroad Company, whereby said Railway Company may relocate, change, and change the elevation of, a part of the line of its railroad within the limits of said city.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Select and Common Councils assembled, and it is hereby ordained and enacted by the authority of the same,* That the proper officer or officers of said city be and are hereby authorized and directed, in the name and on behalf of said city of Pittsburgh, to enter into and execute a contract with the Pittsburgh, Virginia and Charleston Railway Company and the Pennsylvania Railroad Company in the following form, to wit:

CONTRACT.

THIS AGREEMENT, made this ——— day of ————, A. D. ———, between the CITY OF PITTSBURGH, first party, and the PITTSBURGH, VIRGINIA AND CHARLESTON RAILWAY COMPANY, hereinafter designated "Railway Company," second party, and THE PENNSYLVANIA RAILROAD COMPANY, lessee of said railway company, and joining herein to express its consent to the making of this contract, hereinafter designated "Railroad Company," third party, WITNESSETH:

WHEREAS, The railroad of said Railway Company enters the limits of said city and the tracks of said railroad within the limits of said city are laid, *inter alia*, along and across a number of public streets at grade; and,

WHEREAS, Said Railway Company contemplates a change of the running tracks of its railroad within the limits of said city in such a manner as to abolish numerous grade crossings, secure the safety of lives and property, and promote the interest of said city; and such change will necessitate, *inter alia*, changes in the location, elevation and number of said Railway Company's tracks, changes in streets and highways, and the use by said Railway Company of parts of streets and highways; and,

WHEREAS, Said railroad and other property of said Railway Company are in the possession and use of said Railroad Company, as lessee thereof:

NOW THIS AGREEMENT WITNESSETH, That in consideration of the premises and the covenants of the parties hereinbelow contained, it is agreed by and between said city and said Railway Company, by and with the consent of said Railroad Company, as follows, to wit:

First—The city of Pittsburgh hereby assents and agrees that said Railway Company, its successors and assigns *may, and said Railway Company agrees* that it will, re-locate and change the elevation of its railroad and tracks in accordance with the plan hereto attached, marked Exhibit A, and made part hereof, and on such new location and elevation, construct, maintain, operate and use four tracks; and said city assents and agrees that said Railway Company, its successors and assigns, in making said re-location and change, may do or cause to be done, *inter alia*, the following things:

1. Build a retaining wall of such dimensions and kind as in the judgment of said Railway Company may be proper, over and along the southerly curb line of Breed street from Twelfth street to Thirteenth street, in connection with the overhead bridge proposed to be built by said Railway Company about two hundred feet east of the present grade crossing at Twelfth and Birmingham streets hereinafter mentioned, and construct and maintain the northerly approach to said bridge on so much of said Breed street as lies south of said curb line between Twelfth and Thirteenth streets.

2. Build a retaining wall of such dimensions and kind as in the judgment of said Railway Company may be proper over and along the line of the northerly curb of Jane street from Thirtieth street to and across Thirty-fourth street, and construct and maintain a portion of its road-bed over so much of Jane street as lies northwardly of said curb between Thirtieth street and the easterly line of Thirty-fourth street; and,

3. Build on suitable supports a bridge over each of the following named cross streets, namely: Eighteenth street, Twenty-first street, Twenty-second street, Twenty-third street, Twenty-fourth street, Twenty-sixth street, Twenty-seventh street and Thirtieth street, for the purpose of carrying over said cross streets the said tracks of said Railway Company when re-located, and change the grade of Josephine street at or near Twenty-first street, and Twenty-second street in connection with the construction, maintenance and use of said bridges and in conformity to ordinances changing such grade to be passed by said city under its covenant in this regard hereinbelow contained.

Second. Said Railway Company shall and will do the following things:

1. Build for public use, with approaches opening into Twelfth street and Birmingham street, across the railroad as re-located, an overhead bridge at a point about two hundred feet east of the present grade crossing at Twelfth and Birmingham streets; with a grade of about 11.7 per cent on the northerly approach of said bridge ,as per Exhibit A, hereto attached.

2. Locate, dedicate, open and construct south of the relocated railroad, as per Exhibit A, and of the dimensions and directions therein indicated, new streets for public use, as follows:

a. A street from Welsh way to Birmingham street.

b. A street from the Brownsville road to Josephine street.

c. A street from Twenty-seventh street to Mary street.

d. A street from Eighteenth street to Brownsville road.

3. Remove its tracks from Josephine street, between Twenty-fifth street and Twenty-first street, after the re-location and change in its railroad and tracks contemplated by this contract shall have been completed.

4. Permit the existing overhead bridges to remain at or near their present location, with the exception of the overhead bridge at or near Twenty-seventh street.

5. Construct an overhead foot-bridge across said Railway Company's Ormsby yards along the present line of Thirty-third street from Sarah street to the northerly line of said Railway Company's railroad as re-located, and an under-grade foot passage, thence to Jane street, as per Exhibit A.

6. With respect to property owned by said Railway Company on the southerly side of the proposed new street hereinbefore mentioned, to be dedicated by said Railway Company between Twenty-seventh and Mary streets, release and quit claim all damages therto by reason of any future widening of said new street on its southerly side to a sixty-foot width, if and when so widened by said city.

7. Submit plans in detail of the several changes herein enumerated in so far as they affect streets or highways, to the Director of the Department of Public Works for his approval, before any work on said streets and highways is commenced; provided, however, that in case the Director of the Department of Public Works shall refuse to approve said plans, the same shall be submitted to the Committee of Councils having in charge matters relating to streets and highways of said city and the approval of said committee, evidenced by the signature of the chairman thereof approving said plans, pursuant to a majority of said committee, shall have the same effect as if said plans had been approved by the Director of the Department of Public Works as aforesaid.

8. Pay the reasonable cost of grading Jane street between Thirtieth and Thirty-third streets to the present established grade, provided said Railway Company is permitted to take and use gratis the earth removed therefrom in such grading.

Third. Said city shall and will do the following things:

1. Vacate the following named streets and highways to the following extent:

a. Twelfth street and Birmingham street where they now intersect said Railway Company's tracks and within the lines marked on Exhibit A.

b. Manor street from the westerly side of Sixth street to Seventeenth street.

c. Fifteenth street and Sixteenth street, each from the present northerly line of property of said Railway Company situate north of Manor street to Church street.

d. Josephine street from the westerly line of Seventeenth street to the northwesterly line of the proposed new street hereinbefore mentioned, to be dedicated by said Railway Company and opened south of the re-located railroad to connect the Brownsville road with Josephine street, as per Exhibit A.

e. Seventeenth street, Nineteenth street and Twentieth street, each from the southerly line of Edwards alley to the southerly line of Josephine street.

f. Edwards alley from Twenty-third street to Twenty-seventh street.

g. Twenty-fifth street from Mary street to Josephine street.

h. Mary street from Twenty-seventh street to the easterly terminus of the proposed new street hereinbefore mentioned, to be dedicated by the said Railway Company and opened south of the railroad to connect Twenty-seventh street with Mary street, as per Exhibit A.

i. Twenty-eighth street from the southerly line of Mary street to a point about sixty feet southwardly of Harcum alley, and as per Exhibit A.

j. Harcum alley from Twenty-eighth street to a point about three hundred feet eastwardly of Twenty-eighth street, as per Exhibit A.

k. Jane street from Thirtieth street to a point about four hundred feet westwardly of Thirtieth street, as per Exhibit A.

l. Thirty-first street, Thirty-second street, Thirty-third street, Thirty-fourth street, Thirty-fifth street and Thirty-sixth street, each from Jane street to Sarah street.

m. So much of Jane street as lies northwardly of its northerly curb line between Thirtieth street and the easterly line of Thirty-fourth street.

2. Change grades of streets and highways as follows:

a. Change the grade of Eighteenth street from the northerly side of Edwards alley to Josephine street and of the Brownsville road near its intersection with Eighteenth street, as per Exhibit A, and so as to enable the said tracks of said Railway Company upon the proposed new location to be carried over Eighteenth street by the bridge hereinbefore mentioned, and so as to enable the street railway tracks now laid on Eighteenth street and the Brownsville road to be lowered and to pass beneath said bridge.

b. Change the grade of Twenty-first street from Edwards alley to a point twenty-five feet southwardly of Josephine street, so that on the new grade the curb at the northerly house line of Josephine street will be depressed about 2.78 feet to an elevation of X782.0.

c. Change the grade of Twenty-second street between Edwards alley and Josephine street, so as to reduce the curb height on the northerly side of Josephine street 1.84 feet to an elevation of X780.8.

d. Change the grade of Josephine street at or near the following named cross streets, namely: Twenty-first street and Twenty-second street, in or in connection with the construction, maintenance and use of the bridges over said cross streets hereinabove mentioned.

3. Furnish all material and perform all work incident to all changes of grade of streets and highways hereinabove enumerated, or that may be necessary for or in connection with or as a result of the said proposed re-location and change of elevation of second party's railroad and tracks, and assume and pay all lawful claims for damage or injury to property resulting from any of the matters or things agreed to be done or performed by the city under this contract; and wth respect to any and all such claims and all costs and expenses resulting therefrom or connected therewith, indemnify and save harmless second party, its successors, lessee and assigns; provided, however, that second party shall not be entitled to damages for or by reason of anything herein mentioned for or with respect to property owned by second party; and provided, also, that the reasonable cost of the materials by said city agreed to be furnished, and of the work by it agreed to be done incident to changes of grade above mentioned, shall be charged to and paid by second party.

4. The Pennsylvania Railroad Company, third party, as lessee of said Pittsburgh, Virginia and Charleston Railway Company, joins as party hereto for the sole purpose of expressing its consent to the making of this contract.

IN TESTIMONY WHEREOF, Said city of Pttsburgh has caused its corporate seal to be hereto affixed, attested by the signature of the proper officer (or officers) of said city, and the said Pittsburgh, Virginia and Charleston Railway Company and the said The Pennsylvania Railroad Company have caused their respective corporate seals to be hereto affixed, attested by the signatures of their proper officers, the day and year first above written.

THIS CONTRACT being executed for and on behalf of said city under and pursuant to an ordinance of said city entitled (*here to be inserted the title, dates of enactment and approval, and place of record of the ordinance*), and being executed for and on behalf of the said Pittsburgh, Virginia and Charleston Railway Company and the said The Pennsylvania Railroad Company under and pursuant to resolutions duly adopted by their respective Boards of Directors."

Section 2. That any ordinance or part of ordinance conflicting with the provi-

sions of this ordinance, be and the same is hereby repealed so far as the same affects this ordinance.

No. 3.

AN ORDINANCE—Authorizing the Director of the Department of Public Works to institute legal proceedings for the condemnation of two pieces of land belonging to Mary C. Delafield, situated in O'Hara Township, Allegheny County, Pa., for water supply and distribution and filtration plant ,appropriating the same, and providing for the payment of damages.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Select and Common Councils assembled, and it is hereby ordained and enacted by the authority of the same,* That the City of Pittsburgh deem it proper and expedient that it exercise the power of eminent domain vested in said corporation for the acquisition by it of the real estate hereinafter described, for water supply and distribution and filtration plant purposes.

Therefore, the Director of the Department of Public Works of the City of Pittsburgh is hereby authorized and directed to proceed in the name and on behalf of said city to have taken, appropriated and condemned for water supply and distribution and filtration plant purposes, in the manner described by law, the real estate and property of Mary C. Delafield, situate in O'Hara Township, Allegheny County, Pa., bounded and described as follows, to wit :

First described piece: Beginning at a pin on the north side of the Freeport Road on the line between lands of Mary C. Delafield and the Episcopal Hospital of Philadelphia, 106.56 feet north of a pin 0.3 feet south of a monument on the south right of way line and 33 feet north of a monument on the north right of way line of the Western Pennsylvania Railroad; thence by a system of broken lines in order to leave full 33 feet in width for the Freeport Road between the northern right of way of said Western Pennsylvania Railroad and the tract of land herein described, and along the northern side of said Freeport Road south 89° 42′ 50″ west 95.09 feet to a pin; thence by the same north 88° 0′ 10″ west 98.12 feet to a pin; thence by same north 87° 02′ 20″ west 133.95 feet to a pin; thence by same north 85° 06′ 40″ west 133.88 feet to a pin; thence by same north 83° 53′ 30″ west 96.58 feet to a pin; thence by the same north 82° 36′ 30″ west 97.28 feet to a pin; thence north 81° 20′ 30″ west 100.70 feet to a pin; thence by same north 80° 19′ 30″ west 98.67 feet to a pin; thence by same north 79° 07′ 30″ west 98.97 feet to a pin; thence by same north 77° 54′ 30″ west 47.44 feet to a pin; thence by a division line created by this division of property and along other lands belonging to the said Mary C. Delafield north 13° 54′ 20″ east 1,848.95 feet to a pin; thence by same south 76° 07′ 30″ east 558.04 feet to a pin on line between lands of said Mary C. Delafield and the Episcopal Hospital of Philadelphia; thence by lands of said Episcopal Hospital of Philadelphia south 0° 14′ 30″ east 1,765.21 feet to a pin on northern side of the Freeport Road to the place of beginning.

Excepting and reserving therefrom the right of way of the city of Allegheny upon which it has laid a 60-inch steel water main, said right of way being 18 feet wide or 9 feet on either side of the center line of said water main, said center line being described as follows, to wit:

Beginning at a pin on the division line herein described 633.28 feet north of a pin on the northern side of the Freeport Road; thence through the hereinbefore described tract of land south 68° 20′ 10″ east 903.55 feet to a pin on line between the said hereinbefore described tract of land and lands of the Episcopal Hospital of Philadelphia at a distance of 385.40 feet north of the northern boundary of the Freeport Road at the point where the said line intersects same. Containing 0.3733 acre, leaving the area of the tract of land first described 32 acres strict measure.

Second described piece: Beginning at a stone monument on eastern line of Aspinwall Borough and on southern right of way line of Western Pennsylvania Railroad at that point; thence by the southern right of way line of Western Pennsylvania Railroad south 68° 30′ east 831.31 feet to a pin; thence by other lands of Mary C. Delafield, of which this is a part, south 21° 30′ west 371.99 feet to a point on said line at low water mark in the Allegheny River; thence by line of low water in said Allegheny river north 76° 10′ 30″ west 286.54 feet to a pin; thence by same north 71° 24′ west 372.98 feet to a pin on said low water line of Allegheny River at the east line of Aspinwall Borough; thence by the eastern line of said Aspinwall Borough north 0° 40′ west 463.38 feet to a monument on said Aspinwall Borough line, where it intersects the southern right of way line of the Western Pennsylvania Railroad, the place of beginning. Containing seven acres strict measure. According to a plan hereto attached and made a part of this ordinance.

And the said city does hereby elect and resolve to take, use and appropriate the said real estate and land for the purposes aforesaid, the damages therefor not having been agreed upon between the said city and said owner, and the said parties being unable to agree upon the same.

Sec. 2. The compensation therefor shall be paid out of the proceeds of sale of bonds issued for the purpose of the extension and improvement of water supply and distribution, including the filtration of such water supply, under and by virtue of an ordinance entitled "An Ordinance authorizing the issuing of bonds

for the purpose of the extension and improvement of water supply and distribution, including the filtration of such water supply, and providing and furnishing meters to be used in connection therewith; paying the assessments against the city now or hereafter made for the cost of constructing main sewers in said city; the acquisition and purchase of real estate within the City of Pittsburgh for the uses of the Department of Public Safety; the erection and repair of buildings and improvements for said department; the purchase of the necessary machinery, apparatus, equipment and furniture therefor; and for the erection and construction of the necessary buildings, improvements, equipments, furnishings, supplies and all other matters and things necessary for the completion, requirements and needs of municipal hospitals for isolated and contagious diseases; erecting new buildings ,additions to buildings, renewing, changing and altering parts of building, purchase of additional lands, constructing reservoir, erection of fences, erection of lightning rods and lightning arrestors, extension of boilers and boiler house, and construction of exercise yards at the City Home and Hospitals, Department of Charities; acquiring property for park purposes, uses or extension and the improvement of the parks; the extension and improvement of the supply and distribution of water and the laying of pipe therefor; the erection, renewal and repair of bridges; the completion of the boulevards, and the purchase and throwing open of toll roads within the city limits, and providing for the redemption thereof," approved November 16, 1899; and so much of said proceeds as may be found necessary for the payment of said compensation is hereby appropriated.

Sec. 3. That any ordinance or part of ordinance, conflicting with the provisions of this ordinance, be and the same is hereby repealed so far as the same affects this ordinance .

DEDICATION of a strip or piece of ground ten (10) feet in width, from Burnett alley to the north line of Wyandotte street and lying east of Stobo street, (now Moultrie street) as shown upon Ann

Reed's plan of lots, as recorded in the Recorder's office in Plan Book, vol. 10, pages 10 and 11, and also included within the lines of Moultrie street, as located by an ordinance approved February 4th, 1901.

That I, Carl Cappel, being the owner of all that certain strip of ground, being ten (10) feet in width and extending from Burnett alley to the north line of Wyandotte street and lying east of Stobo street, as shown upon the Ann Reed plan of lots, as recorded in the Recorder's office of Allegheny county, in Plan Book, vol. 10, pages 10 and 11, and also included within the lines of Moultrie street as located by an ordinance approved February 4th, 1901, and recorded in Ordinance Book, vol. 13, page 501, do hereby set apart and dedicate and appropriate to the City of Pittsburgh for public use as a public highway, and to become a part of Stobo street, now Moultrie street, (said Stobo street, as shown upon the aforementioned plan being by virtue of the record of the plan and its use by the public, an opened public street) all the following strip or piece of ground, being in the Fourteenth ward, of the City of Pittsburgh, County of Allegheny and State of Pennsylvania, to wit:

Beginning at a point on the eastern line of Stobo street, as shown on the said Ann Reed's plan of lots, at a distance of 140 feet north from the north line of Fifth avenue, thence northward along the eastern line of said Stobo street a distance of 555.80 feet to the northern line of Wyandotte street, then northeastwardly along the said line a distance of 12.65 feet, then southwestwardly and parallel to the east line of Stobo street a distance of 563.47 feet, to the north line of Burnett alley, thence along the said line of Burnett alley 10 feet to the place of beginning. Said piece or strip of ground dedicated to public use for highway purposes, being marked and shown upon a plan hereto attached and made part of this dedication. And I do further hereby waive and release any and all claims which I have or may accrue to me for damages by reason of the taking and appropriating of said piece of ground for public highway purposes by the City of Pittsburgh; and I hereby authorize the proper authorities of the City of Pittsburgh to take possession of said strip or piece of ground and treat it as a public highway, thus making a part of Stobo street, now Moultrie street, as shown upon the plan hereto attached, as though it had been opened and acquired by and under an ordinance duly approved by the Councils of said City of Pittsburgh.

AN ORDINANCE—Providing for the payment of expenses incurred in the pursuit of criminals.

Whereas, it often becomes necessary to send police officers in pursuit of persons charged with the commission of crimes committed within the limits of the city of Pittsburgh, who have fled to other parts of the country; and

Whereas, there are expenses incurred in such cases, which, by right, should be paid by the City; now, therefore,

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Select and Common Councils assembled, and it is hereby ordained and enacted by the authority of the same*, That the Director of the Department of Public Safety may, whenever he shall deem such action necessary, order and direct any officer of the police force to pursue or recover any person or persons charged with the commission of any crime within the corporate limits of the City of Pittsburgh; and that all reasonable expenses incurred by any officer in making such pursuit, shall be repaid by warrant upon the City Treasurer, issued as other warrants are now of law issued, and shall be chargeable to Police appropriation; Provided, That an itemized account shall be made of such expenses sworn to before the Controller, and approved by the Director of the Department of Public Safety; and,

Provided, further, That no sum shall be allowed for hotel expenses, exceeding three dollars per day each, for such officer and prisoners.

Sec. 2. That any ordinance or part of ordinance, conflicting with the provisions of this ordinance, be and the same is hereby repealed so far as the same effects this ordinance.

DEDICATION—Of Fremont street, between Alsace street and Mulford street.

I, the undersigned, being the owner of all the property within the lines of Fremont street, between Alsace street and Mulford street, as located at a width of 35 feet by an ordinance approved May 3, 1901, and recorded in Ordinance Book, volume 13, page 611, do hereby dedicate and set apart for public use as a public highway forever all the ground within the lines of the said Fremont street, between the points mentioned, and I do hereby waive any and all claims for damages which I may have, or may accrue to me by reason of the taking and appropriating of said ground for street or highway purposes. Said street being more fully shown upon the plan hereto attached and made part of this dedication. And I do hereby authorize the City of Pittsburgh, through its proper officers, to take possession of the said Fremont street, between the above mentioned points, and treat it the same as any other opened highway of the City of Pittsburgh.

The consideration therefor being the vacation by the Councils of the City of Pittsburgh of two (2) unnamed alleys, each 15 feet in width, as laid out in Robt. G. Gillespie's plan of lots, said plan being recorded in the Recorder's office of Allegheny county in Plan Book, volume 15, page 103.

AGREEMENT—Of Mary E. Schenley, by her attorney-in-fact, John W. Herron, in re-vacation of First street, Second street and Greentree alley.

Whereas, Certain ordinances have been introduced and are now pending in the Councils of the City of Pittsburgh for vacation of First street, Second street and Greentree alley, from Penn avenue to Duquesne way, and

Whereas, The ground abutting on said streets is owned by Mary E. Schenley, and

Whereas, Certain paving and other improvements were done by the City of Pittsburgh on First and Second streets which were paid by said city.

Now, therefore, For and in consideration of the passage of said ordinances, vacating said streets and alley, the said Mary E. Schenley covenants and agrees to pay the paving of said streets, to wit: the net amount paid by the city for the same. And she does further covenant and agree to protect and keep harmless any sewer or sewers which may now be located on said streets, and also to protect any water pipes which may be run through said property; and she does further agree that the city shall have access to said sewers and water pipe when they may reasonably require the same. She further covenants and agrees to pay the curbing, paving and sidewalk as soon as said ordinances are passed by Councils and approved by the Recorder.

In witness whereof the said Mary E. Schenley has hereunto set her hand and seal by her agent and attorney-in-fact, John W. Herron, this 26th day of October, 1901.

BOND from Mary E. Schenley, by her attorney-in-fact, Jno. W. Herron, and F. F. Nicola, to the City of Pitts burgh, in re-vacation of First street, Second street and Greentree alley.

KNOW ALL MEN BY THESE PRESENTS, That Mary E. Schenley, by her attorney-in-fact, John W. Herron, and F. F. Nicola, of Pittsburgh, are held and firmly bound unto the City of Pittsburgh, in the penal sum of two hundred thousand dollars, lawful money of the United States of America, to be paid to the said City of Pittsburgh, its certain attorney or assigns, to which payment well and truly to be made, the said Mary E. Schenley, by her attorney-in-fact, John W. Herron, and F. F. Nicola, bind themselves, their heirs, executors and administrators, and every of them, jointly and severally firmly by these presents.

In witness whereof, the said parties have hereunto set their hands and seals, this 11th day of November, A. D. 1901.

Whereas, The City of Pittsburgh has or is about to vacate First street, Second street and Greentre alley, from Penn avenue to Duquesne way, in the First ward of the City of Pittsburgh, and whereas, it is the desire of the party in interest to protect the said City from any damages which may by any possibility arise from said vacations.

NOW, the condition of this obligation is such, that if the above bounden Mary E. Schenley shall save, defend, indemnify and keep harmless the said City of Pittsburgh of and from any and all damages, actions, payments, costs and charges, for or by reason of the vacation of said streets and alley, then this obligation to be void, otherwise, to be and remain in full force and virtue.

AN ORDINANCE—Providing for the award of contracts for work, materials, supplies, repairs and improvements required by the several departments of the city government.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Select and Common Councils assembled, and it is hereby ordained and enacted by the authority of the same,* That all contracts for work, materials, supplies, repairs and improvements required by the several departments of the city government which by law are required

to be done by or furnished under contract, the estimated cost of which shall exceed the sum of two hundred fifty dollars ($250.00), shall be let or awarded only after proposals therefor shall have been invited by advertisements in the official newspapers of the city for a period of not less than five (5) days. When the estimated cost is less than two hundred and fifty dollars ($250.00), advertisement shall be dispensed with and proposals shall be invited by printed or written notice or circular, a copy of which shall be filed with the City Controller.

Sec. 2. That all bids or proposals shall be made on forms and in accordance with specifications prepared by the head of the department requiring the work, materials, supplies, repairs or improvements. Bonds to the amount of fifty (50) per centum of the estimated cost must accompany such bids with security to be approved by the City Recorder. The sureties on any such bond (Trust Companies excepted) shall, before the same shall be accepted, make affidavit before the City Clerk or Assistant City Clerk that he or they are worth the full amount of the proposed bond over and above all debts and liabilities.

Sec. 3. That all bids or proposals shall sealed envelopes with the City Controller, who, at the time designated in the advertisement or notice to bidders for opening said bids, shall deliver the same in the Common Council Chamber to the City Recorder and the head of the department requiring such work, materials, supplies, repairs or improvements.

Sec. 4. That said bids or proposals shall be opened publicly in said Common Council chamber by the City Recorder and the head of the department aforesaid, and the figures stated to those present, and the City Recorder and the head of the department aforesaid shall publicly award the contract to the lowest responsible bidder at such time as may be designated, notice of which shall be given to all bidders, of which action a record shall be kept.

Sec. 5. That no contract shall be let until Councils shall have passed an ordinance providing for the letting of the same, and such ordinance shall contain the estimated cost of said work, materials, supplies, repairs or improvements, and shall give the item or items of the appropriation or appropriations to which the same shall be chargable, and no bid in excess of said estimated cost shall be considered or accepted.

Sec. 6. That all contracts for general supplies shall be awarded item by item to the lowest responsible bidder.

Sec. 7. That all contracts shall be in writing, signed and executed in the name of the City of Pittsburgh by the City Recorder and the head of the proper department. Each contract shall designate the item of appropriation on which it is founded and shall be numbered by the Controller in the order of its date and charged as numbered against said item and so certified by him before it shall take effect as a contract, and shall not be payable out of any other fund. All contracts shall be countersigned by the Controller and filed and registered by number, date and contents in the City Recorder's office and copies furnished to the Controller and the department charged with the work.

Sec. 8. When the work, materials, supplies, repairs and improvements required for the use of any department of the city government shall not exceed the sum of two hundred nfty dollars ($250.00), the City Recorder and the head of the department requiring said work materials, supplies, repairs or improvements are hereby authorized and empowered to award contracts for the same in strict conformity with the provisions of this Ordinance, except that it shall not be necessary for the passage of the additional Ordinance as provided in Section 5 of this Ordinance.

AN ORDINANCE—Amending Section 1 of an Ordinance entitled, "An Ordinance granting to the Pittsburgh Valve Foundry and Construction Company, their successors and assigns, the right to construct, maintain and operate a switch track on Smallman street, between Twenty-seventh street and Twenty-eighth street, from the tracks of the Allegheny Valley Railroad to and into its property," approved June 27th, 1901.

Whereas, It appears that a mistake was made in locating the exact line of the right of way granted to the Pittsburgh Valve, Foundry and Construction Company by the above recited Ordinance; now, therefore,

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Select and Common Councils assembled, and it is hereby ordained and enacted by the authority of the same*, That Section 1 of an Ordinance entitled, "An Ordinance granting to the Pittsburgh Valve Foundry and Construction Company, their successors and assigns, the right to construct, maintain and operate a switch track on Smallman street, between Twenty-seventh and Twenty-eighth streets, from the tracks of the Allegheny Valley Railroad to and into its property," approved June 27, 1901, and which reads as follows:

"Section 1. Be it ordained and enacted by the City of Pittsburgh, in Select and Common Councils assembled, and it is hereby ordained and enacted by the authority of the same, That the Pittsburgh Valve Foundry and Construction Company, be and are hereby authorized and empowered to construct, maintain and operate a switch track on Smallman street, between Twenty-seventh street and Twenty-eighth street, from the tracks of the Allegheny Valley Railroad.

"Beginning at a point on Smallman street about 85 feet south of Twenty-eighth street; thence by a curve to and into the property of the said Pittsburgh Valve, Foundry and Construction Company, situated on the easterly side of Smallman street, between Twenty-seventh street and Twenty-eighth street, in accordance with a plan hereto attached and made part of this Ordinance. The work to be done under the direction and subject to the approval of the Director of the Department of Public Works."

Shall be and the same is hereby amended to read as follows, to wit:

"Section 1. Be it ordained and enacted by the City of Pittsburgh, in Select and Common Councils assembled, and it is hereby ordained and enacted by the authority of the same, That the Pittsburgh Valve, Foundry and Construction Company, be and are hereby authorized and empowered to construct, maintain and operate a switch track on Smallman street, between Twenty-seventh street and Twenty-eighth street, from the tracks of the Allegheny Valley Railroad.

Beginning at a point on Smallman street two hundred and sixty-eight (268) feet southwest from Twenty-eighth street; thence by a curve to and into the property of the said Pittsburgh Valve, Foundry and Construction Company, situated on the easterly side of Smallman street, between Twenty-seventh street and Twenty-eighth street, in accordance with a plan hereto attached and made part of this Ordinance. The work to be done under the direction and subject to the approval of the Director of the Department of Public Works."
